February 2016

Newsletter

*Kansas Begins Here!*

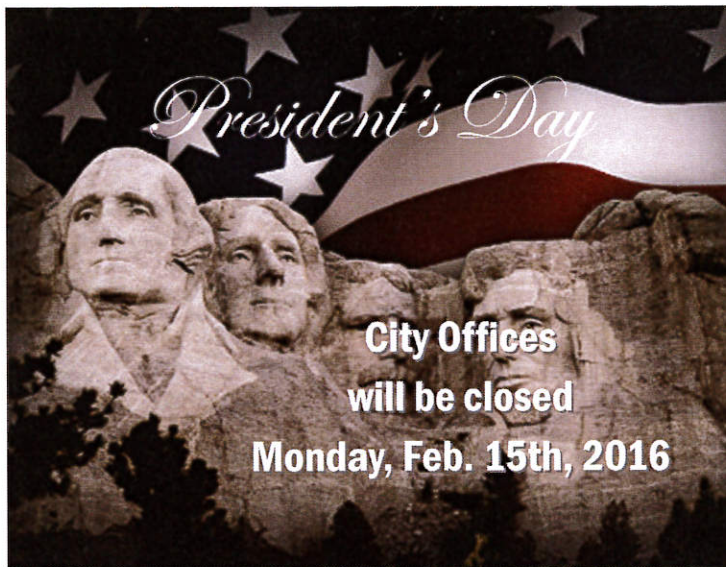

## Creating Spaces, Making Places

Imagination Playground is a hands-on, free play exhibit. Inspired by the "junkyard playgrounds" that sprung up after WWII in Europe, Imagination

Playground is a set of 105 blocks with everything from squares to rectangles to circles and gears.

Stop by the High Plains Museum at 1717 Cherry and build a castle, a tractor or whatever your imagination comes up with!

*City bills will be due February 16th to avoid late fees.*

## Tip Of The Month!

Use power strips for your electronic equipment. Many electronics consume energy even when you are not using them. Often called energy vampires, these devices use about \$100 of energy a year. Plugging chargers, computers and printers into a power strip lets you turn them off with one switch. Better yet, use a smart power strip. It turns off automatically when devices are not in use.

## Sewer Rate To Be Figured for 2016

The City of Goodland would like to remind residents that the sewer rates are based on your water usage for the months of December, January and February.

Please be mindful of your usage during these months. Once this has been figured, the City cannot change it as per Section 14-204 of the City Code. If you have any questions please feel free to call City Hall at 890-4500.

## e-billing

Save paper... Save trees... Save the environment!

*What are the benefits of receiving your City Bill via email?*

- You will have one less piece of mail to sort through
- You receive your bill immediately when it is released
- You avoid mailing delays
- You will always know where your bill is
