## REMINDER!!

As a reminder, the City would like to apply for grants from the *Kansas Department of Commerce - Kansas Small Cities CDBG Program* to assist with community improvements. One of the grant requirements is this survey. The survey is not to determine the exact income of a household, but rather if the income is above or below the set income limits for these grants.

These surveys are NOT for public view and may only be checked by the Kansas Department of Commerce or by the Department of Housing and Urban Development.

Please watch for Koal Artzer, the City's summer intern through the Ogallala Commons program. He will be going door-to-door to assist with this survey.

Thank you to those who have returned the income survey that was enclosed with your last city utility bill. We will continue to collect surveys. If you have any questions or concerns about the survey, please contact Suzanne McClure at 785-890-3743.
