- \*\*Please sign up for activities at the pool on or after May 26th.**

Here is some information and guidance from Sherman County 911 Dispatch/Communications:

- \*Sirens are tested by dispatch on the first Wednesday of every month at 11:45am. If there is inclement weather, it's delayed 1 week.
- \*Sirens are sounded by dispatch if there is a tornado warning issued close to or within the city limits. If we receive a report from a citizen, we quickly report it to the NWS. With their guidance, we determine if the siren should be sounded.
- \*Sirens are meant to warn only those who are **OUTDOORS**. Those who are indoors should stay abreast to weather changes by using local media sources.
- \*What is your plan for warnings issued while you and your family are sleeping? Weather radios are sold at numerous retailers. They are inexpensive and can be customized to sound an alarm for certain types of warnings.
- \*Wireless device apps can also serve as an alternate method of receiving alerts. Most news stations offer free apps with customizable alerts.
- \*Public storm shelters are now available near the Sparks and Handy Towers on Cherry St.
- \*As a courtesy, please do not call dispatch to ask why the sirens are going off. We do not take sounding the sirens lightly. If they sound, there's a valid reason. Refer to media outlets for updates regarding the storm. Thank you for understanding.
- \*During power outages, please know that the City will be aware of outages and will be working on them. Please do not call dispatch to report outages. You may try to reach the Power Plant, but most likely employees will be working to restore power. Listen for updates from the Swift 911 phone call, text, or email you will receive if you are signed up with that notification method. For more information on Swift 911, call 785-890-4500.

Highway 24 Garage Sales will be going on June 1st-June 3rd. Maps will be finalized the last week of May and available beginning June 1st at Cowboy Corner, Casey's, High Plains Museum, and Highway 24 Garage Sales Facebook page. Don't miss out on the bargains!

### Flag Day

The Elks, VFW, and Sheriff's Office invite the public to celebrate Flag Day at 5:30pm on June 14th at Chamber's Park, weather permitting. If inclement weather, the ceremony will be moved to the VFW.

# Make a Difference ... **VOLUNTEER**
