Newsletter for August 2018

Kansas Begins Here!

NOTICE

Ensuring that all properties have house numbers displayed assists first responders in being able to quickly respond to emergency situations. In fact, this provision is so important that it has been a requirement in the City of Goodland since 1972 (Ord. 884) and carries a misdemeanor and fine of \$25 per day for violators. Beginning October 1, 2018, properties without house numbers displayed will be subject to this enforcement. However, **the City of Goodland will be offering free house numbers to property owners while supplies last.** If your property is not in compliance with this requirement, stop by City Hall during regular business hours to collect your house numbers.

Did you know that you can recycle many items in Goodland? Recycling reduces landfill waste, and recycling more will help to lessen the need for landfill use, which lessens the amount of waste for future generations. YOU can be a part of that future. Recycling preexisting materials, lessens the pollution and litter entering our natural environment as well as the volume of waste that we bury and burn. There are 3 locations in Goodland with recycling bins. Currently, these bins are for Paper/Magazines, Glass (clear or colored), and Cans (aluminum or tin). The Goodland Recycling Program looks forward to adding Cardboard and Plastic recycling in the future. The three locations are:

-7th & Caldwell

-NE Corner of the Walmart parking lot

-18 St. & Arcade (Across from the City Shop)

School offices open August 1st

Jr/Sr High - 890-5656

****Positions Still Available for Volunteer Firefighters****

Getting involved with as a Volunteer Firefighter is an incredibly rewarding way to make a positive contribution to your community.

The City of Goodland Fire Department and The Sherman County Rural Fire Department are accepting applications for Volunteer Firefighters. Personnel will be compensated for their time and service at \$26.00 per training and call. Must be at least 20 years of age to apply. Anyone interested in volunteering as a firefighter, please apply in person with Fire Chief Brian James at the City/County Emergency Services Building located at 1006 Center Ave. Goodland, KS.
