Newsletter for April 2019

Kansas Begins Here!

Pick up will begin at 7am on Tuesday, April 30th beginning at 17th and Cattletrail, working north and east.

Residents may place any unwanted items **TO THE CURB** of their front yards **PRIOR** to Tuesday morning. Please do not obstruct alleyways. City Crews will pick up any discarded items throughout this week, but only one pass through town will be made, so please place all items to the curb by Monday, April 29th. **NO materials may be placed to the curb BEFORE Thursday, April 25th.**

*****The following items will NOT be permitted:**

Tires, Grass, Garden Waste, Paint, Household Hazardous Waste

Trees need to be cut to 4 foot length.

With your help and cooperation, we can beautify Goodland!

April is Distracted Driving Awareness Month

During this month, our Jr. Commission is bringing in Thinkfast Interactive to be combined with their SAFE (Seatbelts Are For Everyone) program. ThinkFast Interactive is a experiential team building, and awareness program that appeals to all ages with its professionally designed production set, sound system, music videos, and informative and engaging awareness trivia. Both teens and adults from across the country have repeatedly given them high praise, and many say they create a unique, and engaging experience that participants will always remember.

Thank you to these sponsors of Thinkfast Interactive:

Annual Water Quality Report

You are now able to view the City of Goodland's annual water quality report online at www.cityofgoodland.org, under Public Works. This report contains important information about the source and quality of your drinking water. Please call 785-890-4500, if you would like a paper report delivered to your home.

Service Line Warranty Program

The City of Goodland is notifying residents of a service line warranty program being provided by Service Line Warranties of America (SWLA), a National League of Cities (NLC) and Kansas League of Municipalities partner.

The NLC Service Line Warranty program offers citizens an affordable way to avoid the unexpected and often large expense involved with a water line break. When a line breaks, the cost to repair it can often cause hardship on a family's budget. This new program will offer warranty protection to help cover the cost of a break. We have chosen to participate in this program for several reasons including that it is offered at not cost to the City and it serves to educate our homeowners on their service line responsibilities while saving them money on repairs.

Other Benefits:

- It's the only Service Line Program endorsed by the National League of Cities and by the League of Kansas Municipalities.
- Free Public Awareness Campaign
- Peace of Mind—with one toll-free call a reputable plumber is dispatched.
- All repairs performed to code by local licensed contractors.
- Contractors undergo rigorous vetting process to ensure quality service.

Residents—You will soon see a mailing from Utility Service Partners with a City logo. This mailing will give you information on the Service Line Warranty.

While the City of Goodland entered into a marketing agreement with SLWA to highlight the availability of the program to our residents, the program is OPTIONAL. You should only participate if you believe the program is right for you.

For any question or concerns, please call the City Office at 785-890-4500.

We're celebrating 40 years being recognized as a Tree City USA, through the Arbor Day Foundation.

Thank you to our Parks and Public Works Departments, Electric Department, and our Parks & Recreation/Tree Board for their planning and hard work maintaining our trees.

TREE CITY USA®

High Plains Museum Happenings

*On exhibit beginning in April:

"The Whole Note: A History of Music in Sherman County"

*April 6th at 1:30pm: The High Plains Museum, Fort Wallace, and The Sherman Theatre have partnered together and will be showing "Thof's Dragon"

All seats cost \$5.00. Don't miss this story of Dr. Turner and his amazing fossil find!
