Kansas Begins Here!

Happenings at the Goodland Welcome Center

We are excited to share what has been happening at the Goodland Welcome Center. Since the purchase of the building in 2018, two offices are now being utilized and the lobby is ready to welcome visitors to our community. Retail items, such as post cards, magnets, key chains, shot glasses, t-shirts, bags, and coffee cups are displayed for purchase. Just recently, the parking lot was reformed by replacing old blacktop and concrete, with gravel for continuity with the Van Gogh viewing area. New window wraps of famous Van Gogh paintings were added as well. The improvements to the parking lot and windows were made possible with a grant by the Dane G. Hansen Foundation. The City appreciates their assistance in creating a hospitable, memorable experience for visitors. Staff at the Welcome Center take time to share what Goodland has to offer, encouraging travelers to explore local businesses and attractions.
