### GUIDELINES FOR ROLLOUTS AND DUMPSTERS

**2021**

1. No tree limbs of any size. Rose bush or shrub clippings are okay as long as they aren't much bigger than your thumb and are cut to 12" lengths.
2. No plastic bags. **NO TRASH OF ANY KIND**
3. **Don't pack yard waste in the rollout containers**, if you do, it won't dump properly. If it doesn't dump it is customer's responsibility to dig it out. Customer can then dump it themselves or call us to dump it again (which will incur an additional charge) or wait until the following Thursday to have it dumped. We have found that if you put just a little bit of water in the rollout (about 6 to 8 inches in the bottom of the rollout, **don't flood it!**) it will dump better.
4. When rollouts are delivered, they will be placed in the spot where we intend for them to be dumped. If they are not in this spot they will not be dumped.
5. Rollouts must be out and dumpsters unlocked by 8:00AM on Thursdays.

If you had us pick up your container at the end of last season and you need us to deliver a new one, **please call us and we will get one delivered to you.**

**ACCOUNTS MUST BE KEPT UP TO DATE ON PAYMENT. NON-PAYMENT AFTER 2 MONTHS WILL RESULT IN CONTAINER BEING REMOVED AND TO GET IT BACK PAYMENT MUST BE MADE FOR A FULL SEASON.**

**JUST TO MAKE CLEAR:** If you kept your container over the winter months, the season begins April 1st. Billing will resume whether you use it or not; mandatory service payments will run on April thru October.
