### GOODLAND CITY COMMISSION Special Commission Work Session

September 20, 2021 4:00 P.M.

Mayor John Garcia called the meeting to order with Vice-Mayor Jay Dee Brumbaugh and Commissioner J. J. Howard responding to roll call. Commissioner Gary Farris and Commissioner Aaron Thompson were reported absent.

Also present were Dustin Bedore – Director of Electric Utilities, Joshua Jordan – IT Director, Kenton Keith – Director of Streets and Facilities, Neal Thornburg – Director of Water and Wastewater, Danny Krayca – Director of Parks, Mary Volk - City Clerk, and Cherise Tieben – Interim City Manager.

### **DISCUSSION**

- A. Health Insurance Committee Discussion Dustin stated, I would like to thank our committee members for their work. We received six proposals and interviewed four; NFP (Eklund Insurance), IMA, USI and PIC. All interviews were enlightening and we feel any will be able to provide the service. During interviews we concentrated on their ability to work with staff, meeting financial goals of the City, the variety of carriers to bid health insurance and willingness to enter into a fee neutral agreement. In the Committee's opinion, IMA is best option. They work with our workman compensation insurance and we feel in a couple years we will continue to see savings. IMA will provide individual staff dedicated to our account. They are unique in that they work with KMIT and provide service to cities of similar size. IMA will pass prescription rebates back to plan which will reduce our costs. They have had experience working with border-states, and offered to work a commission neutral agreement for \$20,000. They will begin work immediately, but will not bill City for services until agreement with PIC can be terminated without penalty. Mayor Garcia asked, will it be through BCBS? Cherise stated, it is unknown as they will solicit bids from numerous different carriers. BCBS will be one of the carriers they request a proposal. Dustin stated, they indicated that over 65% of their plans do not have BCBS. Mayor Garcia stated, there are contractual concerns that need to be addressed. Cherise stated, I am working with Jake on those concerns. Mayor Garcia stated, I am comfortable with the committee recommendation. Dustin stated, each department is represented on the committee so we have been educating employees. Vice-Mayor Brumbaugh stated, I appreciate the hard work from staff and agree. Commissioner Howard stated, I agree with recommendation and appreciate committee working on project. Cherise stated, I will continue working with Dustin and Jake to clear up concerns, especially the commission versus fee neutral contract.
- B. Electric Contract Dustin stated, we have again been approached by Sunflower Electric to extend our contract. It was a fifteen year contract with five years remaining on contract. It is not a good contract which was evident by February event. I recommend the City ride out contract with no extension. When we renew contract, I feel we should look at all options available. I do not feel we have been treated well with this contract. They offered a five, ten or fifteen year extension. If we agree to five year extension, the City is tied to the contract until 2031. They are not offering a lot of benefit to the City. They indicated they would cut the mill adder, which we should not be paying for anyway. In any of the options, they continue to control all our generation. They have discussed there may become a time when the Sunflower pool becomes power deficient. The City would never become power deficient because we can generate everything our community needs. They discuss a fixed energy rate, but they ratchet the cost every two to three years, which is not a fixed rate. The mill adder has always been a concern with the billing when we purchase from Sunflower Electric, but Prairieland Electric adds the mill adder since our billing goes through them. I do not feel Sunflower Electric is coming with their best presentation. We have the ability to carry our load with our equipment. Right now the City pays for our plant to be an emergency operation. If we enter into a new contract, I would ensure that if the cost to purchase power reaches or exceeds our cost to generate, that we generate for our community and not pay additional costs. When we start looking at options, we need to have control of our generation and watch that no mill adder is added to contract. Riding out the contract to seek for a better option for the City is my recommendation. Another provider is offering four cent

MINUTES Goodland City Commission September 20, 2021 Page 2

> power and right now we are paying around seven cents. Mayor Garcia asked, is that cost consistent? Dustin stated, we are in a contract but a couple years ago they changed the demand charge and added one month of demand. I feel this is a one way contract. The City is not allowed to peak shave anymore, where we had saved a lot of money for the City. Vice-Mayor Brumbaugh stated, I feel they need to be reminded of that every time they come to the table. Dustin stated, they used to visit Goodland twice a year to make sure all was going well; with this contract they do not check on us. Mayor Garcia asked, so we have other parties interested in power contract? Dustin stated, yes you can look at Nebraska Power Pool or KMEA. Cherise stated, if Commission is comfortable, we will submit a letter to them stating we are not interested in an extension unless these recommendations are brought to the table. Dustin stated, we will start negotiating in two and half years. Mayor Garcia stated, I was disappointed when they visited in 2020 and we asked if they decided to formulate a new contract, to highlight every clause that would benefit our community. We have yet to see it. They are not putting forth their best effort to help our community. I agree with Dustin at this point. Dustin stated, we need to remember the ECA which is a trashcan for all costs they do not want to incur. I would like to know what goes in the calculation. There needs to be a cap on it because it is an exorbitant cost. Any additional costs they incur are put in the ECA for us to bear the cost. Commissioner Howard stated, we should not pay more than our cost to generate.

C. Backyard Chickens - Cherise stated, we have researched backyard chickens and provided information. It is becoming an issue throughout Kansas. Some cities now allowing them are finding the rumors are not happening. Wamego is an example and they do not have issues. They had a dog at large issue, but it was taken care of by a fenced in back yard with a fenced in coop. I feel if it is done right, it is a good deal. Many are concerned about the natural organic issue and can control it with their own chickens. Cities that put it into place have regulations. Animal control was not in favor. I feel some of their concerns are the presumptions out there. You have to studt it and address issues in your ordinance. I recommend enforcement by Code Enforcement, not animal control. There is information pertaining to limitations on the number of hens and roosters. There are many more cities that were against them in the past, but they now allow chickens. It is surprising that many of the cities are in metropolitan areas. I need guidance from Commission. If you want to allow, I recommend stringent regulations. Meghan Weis recommended offering a class to maintain chickens and coop. She would be willing to put the class on through Farm Bureau. Mayor Garcia stated, we need all Commissioners present to make a decision like this. Vice-Mayor Brumbaugh stated, I feel we should have Code Enforcement in place before we allow. Cherise stated, I would not recommend allowing until January or even spring so you know what codes need to be looked at. There is quite a bit of work to put this into place quickly. Vice-Mayor Brumbaugh stated, I feel Code Enforcement should know what they are required to enforce. Cherise stated, I am hearing the Commission may be interested in proceeding, but to wait until we have Code Enforcement in place.

ADJOURNMENT of Special Work Session was at 4:50 p.m.

The Cemetery Board has recommended setting a fee at \$50 Monday through Friday and \$100 on Saturdays. Commissioner Thompson asked, why is the cost double for weekend? I am assuming because of the inconvenience of a weekend. I feel twice as much is a lot but understand she has to make herself available. Joni

### CITY COMMISSION COMMUNICATION FORM

FROM:	Cherise Tieben, Interim City Manager
DATE:	09/30/21
ITEM:	Contract with IMA
NEXT ST	TEP:
	ORDINANCE x_MOTIONINFORMATION

- **I.** REQUEST OR ISSUE: Staff accepted proposals for health insurance brokerage firms to assist the City of Goodland with placement and management of the employees' healthcare coverage.
- II. <u>RECOMMENDED ACTION / NEXT STEP:</u> Staff recommends the approval of the IMA Agreement for Services as presented.
- **III. FISCAL IMPACTS:** The fiscal impact could be up to \$20,000 which is \$2,000 higher than your previous broker, however, if IMA receives commissions as a result of our policies, the commission will offset the amount of their annual fee. In accordance with the agreement, they will annually submit to us a report that documents any commissions they receive.
- IV. BACKGROUND INFORMATION: IMA is a known entity to the organization as they are the administrator for the Work Comp program through the League of Kansas Municipalities. The League is also starting a health insurance program that could eventually become a larger partially self-insured pool that could be a very attractive option for an organization of this size. In addition, they have many alternative providers that they routinely work with as well as the Blue Cross Blue Shield option. IMA also has significant experience working with issues that may arise from employees receiving service from multiple states. Last but not least, staff will have a dedicated individual to not only work with on the claims side of issues, but also on the administrative side of issues. This relieves a significant amount of stress for both the employee and the internal staff tasked with managing the program.
- V. <u>LEGAL ISSUES:</u> Jake has approved the agreement as written.

### **Agreement for Services**

This Agreement for services is made and entered into as of the 4<sup>th</sup> day of October, 2021 by and among City of Goodland, having offices at 204 W. 11<sup>th</sup> St, Goodland, KS 67735, for itself and its Named Insureds (hereinafter collectively referred to as "Client"), and IMA, Inc. and its subsidiaries (hereinafter referred to as "IMA"). Named Insureds shall be defined as those entities set forth on policies of insurance covered by this Agreement.

Client has requested IMA to perform certain services (the "Services") described in Schedule A attached hereto. IMA has agreed to render such Services to Client on the terms and conditions set forth below, and IMA and Client agree it would be to their mutual advantage to execute this Agreement and thereby define the terms and conditions which shall control the rendering of Services to Client by IMA. Fees and payment terms for the provided Services are described in Schedule B attached hereto.

Now, therefore, in consideration of the premises and the covenants and agreements herein contained and other good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, it is hereby agreed as follows:

1. <u>Confidentiality</u>. IMA and the Client agree that all such Proprietary Information exchanged during the performance of Services under this Agreement shall remain the sole and separate property of the party providing the same, subject to the terms and conditions set forth herein. Proprietary Information includes, without limitation, all information concerning the identities, needs, expirations, policies, or purchasing habits of the Client, all business systems, financial data, computer data or processes, forms appraisals, loss experience, other similar data and other business records; provided, however, such Proprietary Information shall not include information that is in the public domain or is readily available or accessible to the public.

IMA and the Client agree that all such Proprietary Information shall not be disclosed, communicated or otherwise transferred or made available to unrelated third parties without the prior written consent of the entity whose Proprietary Information is being shared, except for those employees, agents, representatives and permitted assigns with a reasonable need to know such Proprietary Information to facilitate the performance of services hereunder. Notwithstanding any term or condition herein to the contrary, each party understands and agrees that upon receipt by either party of an order from a court of competent jurisdiction, the restrictions set forth herein shall not prohibit the receiving party of such order from compliance with any such order. The confidentiality provisions set forth herein shall survive the termination of the Agreement.

Page **1** of **10** 

- 2. <u>Term and Termination</u>. This Agreement will become effective 12:01 a.m., November 1<sup>st</sup>, 2021 and shall remain in effect unless canceled by either party upon thirty (30) days prior written notice of said cancellation, except in the case of nonpayment. Upon cancellation or expiration of the term of this Agreement, no further Services will be provided by IMA to Client except those Services deemed necessary in the sole discretion of IMA to complete the existing Services provided to Client by IMA during the term of the Agreement.
- 3. <u>Assignment.</u> This Agreement may not be assigned by the Client without the prior written consent of IMA and shall be binding upon and shall inure to the benefit of the parties hereto and their successors and permitted assigns. Nothing in the Agreement is intended to nor shall confer upon any person or legal entity other than Client or IMA and their respective permitted successors and assigns, any rights or remedies under or by reason of this Agreement.
- 4. <u>Compensation Disclosure.</u> The IMA Financial Group, Inc. is a national financial services company with numerous affiliates and subsidiaries, including IMA, Inc.; IMA Select; CORnerstone Risk Solutions, LLC; IMA Acumen, LLC; Towerstone, Inc.; IMA Wealth. and Eydent Insurance Services, LLC, (collectively the "IMA Group"). These entities, excluding IMA Acumen, LLC, are insurance producers licensed in accordance with respective state requirements. Insurance producers are authorized by their license to confer with insurance purchasers about the benefits, terms and conditions of insurance contracts; to offer advice concerning the substantive benefits of particular insurance contracts; to sell insurance; and to obtain insurance for purchasers.

The producer may have access to more than one insurance company to place the purchaser's coverage. The producer may have authority to obligate the insurance company on the purchaser's behalf and as a result may be required to act within the scope of contractual agreements with the insurer.

Compensation will be paid to the producer by the insurer or other third parties. Compensation may vary depending on a number of factors, including the insurer and the insurance contract the purchaser selects, the volume of business the producer places with the insurer, and the profitability of that business. In addition to the compensation received by the IMA Group, other parties, such as excess and surplus lines brokers, wholesalers, reinsurance intermediaries, underwriting managers and similar parties (some of which may be owned in whole or in part by the IMA Group), may earn and retain usual and customary commissions or other compensations for providing insurance products to a Client under separate contracts with insurers or reinsurers. Such payments will not be considered as compensation to IMA and will not offset any compensation payable to IMA. In addition, there may be referral compensation shared within the IMA Group. This particular agreement with the City of Goodland is subject to compensation calculations provided in Schedule B.

Page **2** of **10** 

Further, the IMA Group may receive contingent or incentive payments or allowances from insurers or finance companies based on the size or performance of an overall book of business produced with them by the IMA Group. Additionally, expense reimbursements for travel or technology enhancements, salary offsets or de minimus gifts may be provided. The IMA Group may also receive interest on premium being held prior to disbursement.

Annually, the IMA Group will provide to Client additional details and information about any and all compensation arrangements for insurance placed and/or quoted on behalf of the Client.

- 5. <u>Limitation on Stop Loss Liability.</u> IMA does not make any representations regarding an insurer's or Managing General Underwriter's (MGU) payment or claims denial practices. We do not warrant in any way that all claims submitted to the stop loss carrier will be approved and ultimately reimbursed. The terms and conditions of covered claims for the stop loss insurance policy may not fully correlate with the benefits covered under your benefits program. We will use all information and data supplied by the Client or on the Client's behalf without independently verifying the accuracy, completeness or timeliness of it. IMA will not be responsible for any delays or liability arising from missing, delayed, incomplete, inaccurate or outdated information and data except as provided in Section 6 below.
- Business Responsibility. All Services hereunder shall be provided by IMA to 6. Client in accordance with applicable industry standards and applicable laws and regulations. In turn, Client acknowledges that IMA has made no representation, warranty, or guaranty concerning either the performance of, or the results to be obtained from, the Services provided hereunder. Additionally, IMA has made no representation, warranty, or guaranty concerning the financial condition of any insurance carrier providing coverage to Client. The Client remains solely responsible for reporting and communicating changes in exposures, loss-related data, ownership and other material changes in writing to IMA; further, the Client remains solely responsible for the conduct and governance of its business operations. Client further agrees that any fines or penalties assessed against Client under any local, state, or federal occupational safety and health law, the Americans with Disabilities Act, any local, state, or federal order, rule or statute pertaining to the protection of the environment, or any other local, state, or federal laws, statutes, orders, or regulations shall be the Client's sole responsibility, and that IMA shall have no responsibility or liability for any portion of any such fines or penalties. IMA only works with AM Best "A" rated carriers or better.
- 7. <u>Final Agreement and Jurisdiction.</u> This Agreement represents the entire understanding and agreement of the parties hereto with respect to the subject matter hereof, supersedes all prior negotiations between such parties, and cannot be amended, supplemented, or modified except by an agreement in writing signed by the party or parties against whom enforcement is sought and making specific reference to in this

Page **3** of **10**

In the event any one or more of the provisions contained in this Agreement or any application thereof shall be invalid, illegal, or unenforceable in any respect, the validity, legality, or enforceability of the remaining provisions of the Agreement and any other application thereof shall not in any way be affected or impaired thereby. This Agreement shall be governed by and construed in accordance with the laws of the State of Kansas applicable to contracts made in that state.

- 8. <u>Execution by Counterparts.</u> This Agreement may be executed in any number of counterparts, each of which shall be deemed to be one and the same instrument.
- 9. <u>Notice.</u> Any notice by either party to the other party shall be deemed served effective (i) upon delivery, if personally delivered, (ii) upon delivery to Federal Express or other similar courier service, marked for next day delivery, addressed as set forth below, (iii) upon receipt if sent by registered or certified mail, return receipt requested, addressed as set forth below. In the event Client does not remit timely payment, IMA reserves the right to terminate this Agreement.
