**NOTE: Background information is available for review in the office of the City Clerk prior to the meeting. The Public Comment section is to allow members of the public to address the Commission on matters pertaining to any business within the scope of Commission authority and not appearing on the Agenda. Ordinance No. 1730 requires anyone who wishes to address the Commission on a non-agenda item to sign up in advance of the meeting and to provide their name, address, and the subject matter of their comments.**

**GOODLAND CITY COMMISSION**  
**Regular Meeting**

**October 4, 2021**

**5:00 P.M.**

Mayor John Garcia called the meeting to order with Vice-Mayor Jay Dee Brumbaugh, Commissioner Aaron Thompson, Commissioner J. J. Howard and Commissioner Gary Farris responding to roll call.

Also present were Joshua Jordan – IT Director, Kenton Keith – Director of Streets and Facilities, Neal Thornburg – Director of Water and Wastewater, Danny Krayca – Director of Parks, Mary Volk - City Clerk and Cherise Tieben – Interim City Manager.

**Mayor Garcia led Pledge of Allegiance**

**Approval of Agenda – ON A MOTION** by Vice-Mayor Brumbaugh to approve Agenda as presented **seconded** by Commissioner Howard. **MOTION carried on a VOTE of 5-0.**

**PUBLIC COMMENT**

**PRESENTATION & PROCLAMATIONS**

- A. **Public Power Week Proclamation** – Mayor Garcia proclaimed the week of October 3<sup>rd</sup> through 9<sup>th</sup>, 2021 as Public Power Week in the City of Goodland, Kansas.

**CONSENT AGENDA**

- A. **09/20/21 Special Commission Work Session Meeting Minutes**
- B. **09/20/21 Commission Meeting Minutes**
- C. **Appropriation Ordinances: 2021-19, 2021-19A, and 2021-P19**
- D. **CMB License Application: Conoco Travel Shoppe**  
**ON A MOTION** by Commissioner Thompson to approve Consent Agenda **seconded** by Commissioner Farris. **MOTION carried on a VOTE of 5-0.**

**FORMAL ACTIONS**

- A. **Release of Utilities Easement – Plains Property, Inc.** - Cherise stated, this is the same situation as last meeting for vacation of utility easement; this is the lot to the south. We have no need for utilities at location in future so asking to release easement. Commissioner Thompson asked, does this clear up all easements that we are aware of? Cherise stated, yes, to the best of our knowledge. **ON A MOTION** by Commissioner Farris to approve the release of utility easement for Plains Property, Inc. **seconded** by Commissioner Howard. **MOTION carried on a VOTE of 5-0.**
- B. **Services Agreement with IMA** - Cherise stated, we received six proposals for health insurance brokers. The committee interviewed four, recommending IMA provide service moving forward. IMA has dedicated staff to work with our account, dedicated claims personnel and we are familiar with them through our workman’s compensation insurance. The League of Kansas Municipalities is interested in working with them in near future with a health insurance pool, which may be beneficial to the City. They are familiar with working with claims in multi-state areas. IMA is \$2,000 more but in the agreement we negotiated that if they receive commission from our policy, the commission reduces our premium until it is \$0. They are required to submit a report annually of commissions to the City. I would like to thank the benefit committee for their good work. Mayor Garcia stated, I feel this will relieve stress for staff and the Commission appreciates the committee work. **ON A MOTION** by Vice-Mayor Brumbaugh to approve the Services Agreement with IMA effective November 1<sup>st</sup> **seconded** by Commissioner Thompson. **MOTION carried on a VOTE of 5-0.**

**DISCUSSION**

- A. Parks & Recreation Tree Board Applications** – Mary stated, there are three applications for reappointment to the Parks & Recreation Tree Board. There are still two openings on board. **ON A MOTION** by Commissioner Farris to approve reappointment of Christie Rasure, Dana Belshe, and Michael Bretz to the Parks & Recreation Tree Board **seconded by** Commissioner Howard. **MOTION carried on a VOTE of 5-0.**

**REPORTS**

- A. Interim City Manager - 1.** KDHE recently completed an inspection of City water facilities and asked if the City would donate one of our chlorine houses to a smaller Kansas community. We do not use them and have no use for them; I understand they are twenty years old. In researching the value for one of them, there is a range of prices depending on the size. We would like direction from Commission. Mayor Garcia asked, do we know where it is going? Neal stated, he did not say where, just that it was a community that only had about sixteen services. Consensus of the Commission is to donate the chlorine house to the community if we do not need anymore.
- B. City Commissioners**  
**Commissioner Thompson – 1. No Report**  
**Vice-Mayor Brumbaugh – 1. No Report**  
**Commissioner Howard - 1.** Thank the employees for their hard work.  
**Commissioner Farris – 1.** Things look good around town.
- C. Mayor – 1.** Thank the employees for their work.

**ADJOURNMENT WAS HAD ON A MOTION BY** Vice-Mayor Brumbaugh **seconded by** Commissioner Thompson. **Motion carried by unanimous VOTE, meeting adjourned at 5:12 p.m.** Next meeting is scheduled for October 18, 2021.

ATTEST:

\_\_\_\_\_  
John Garcia, Mayor

\_\_\_\_\_  
Mary P. Volk, City Clerk

## CITY COMMISSION COMMUNICATION FORM

---

**FROM:** Mary Volk, City Clerk

**DATE:** October 18, 2021

**ITEM:** Resolution 1578: CID Policy

**NEXT STEP:** Commission Motion

---

ORDINANCE  
 MOTION  
 INFORMATION

---

**I. REQUEST OR ISSUE:**

This updates the City CID policy for the City of Goodland. The resolution is the same as the City's previous resolution adopting the City's CID policy, except for the following changes:

**Section 15** – updated the link for the CID information on the City website

**Section 19** – previous policies had a termination date which tends to get overlooked when you are not dealing with the policy on an ongoing basis. Jake wrote the resolution and changed the termination date as continuous until repealed or amended by a resolution from the Commission. (See resolution for wording).

**SUMMARY AND ALTERNATIVES:**

Asking the Commission to approve the resolution to continue the CID policy in the City of Goodland.

Commission may take one of the following actions:

1. Approve the proposal as requested.
2. Reject the proposal and move to deny the request.
3. Direct staff to pursue an alternative approach.

## RESOLUTION NO. 1578

### A RESOLUTION ESTABLISHING POLICIES RELATING TO COMMUNITY IMPROVEMENT DISTRICTS IN THE CITY OF GOODLAND, KANSAS

**WHEREAS**, the City of Goodland, Kansas (“the City”) recognizes that community improvement is essential to stimulate economic growth and development for industries and businesses in order to provide services, employment and tax revenues for the benefit of the community; and

**WHEREAS**, it is further recognized that community improvement and the stimulation of balanced economic development is a joint responsibility of the private and public sectors, working closely together to create a positive business environment and to encourage industry to locate and expand in the City; and

**WHEREAS**, to meet these community improvement and economic development goals, the City recognizes the occasional necessity of levying a community improvement district sales tax and/or special assessments in order to pay the costs of infrastructure improvements; and

**WHEREAS**, certain infrastructure and related improvements must be constructed to serve commercial development projects which add to and diversify the Goodland tax base as well as projects which would provide an extraordinary or particularly unique community-wide economic opportunity; and

**WHEREAS, HB 2324** the Community Improvement District Act (“the Act”) authorizes the governing body of any city or county to create community improvement districts (“Improvements Districts” or “CID”) that may within an Improvement District, acquire, improve, construct, demolish, remove, renovate, reconstruct, rehabilitate, maintain, restore, replace, renew, repair, install, relocate, furnish, equip or extend buildings, structures and facilities; sidewalks, streets, roads, interchanges, highway access roads, intersections, alleys, parking lots, bridges, ramps, tunnels, overpasses and underpasses, traffic signs and signals, utilities, pedestrian amenities, abandoned cemeteries, drainage systems, water systems, storm systems, sewer systems, lift stations, underground gas, heating and electrical services and connections located within or without the public right-of-way, water mains and extensions and other site improvements; parking garages; streetscape, lighting, street light fixtures, street light connections, street light facilities, benches or other seating furniture, trash receptacles, marquees, awnings, canopies, walls and barriers; parks, lawns, trees and other landscape; communication and information booths, bus stops and other shelters, stations, terminals, hangers, rest rooms and kiosks; paintings, murals, display cases, sculptures, fountains and other cultural amenities; airports, railroads, light rail and other mass transit facilities; and lakes, dams, docks, wharfs, lakes or river ports, channels and levies, waterways and drainage conduits; and to operate or to contract for the provision of music, news, child-care, or parking lots or garages, and buses, minibuses or other modes of improvement; provide or contract for the provision of security personnel, equipment or facilities for the protection of property and persons; to provide or contract for cleaning, maintenance and other services to public or private property; to produce and promote any tourism, recreational or cultural activity or special event, including, but not limited to, advertising, decoration of any public place in the district, promotion of such activity and special events and furnishing music in any public place; to support business activity and economic development including, but not limited to, the promotion

of business activity, development and retention and the recruitment of developers and business; to provide or support training programs for employees of businesses; and to contract for or conduct economic impact, planning, marketing or other studies (“Improvement Project”); and

**WHEREAS**, the Act gives discretion to governing bodies to approve Improvement Projects which are located within of the boundaries of Improvement Districts, and Improvement Projects which may include contracting for or conducting economic impact, planning, marketing or other studies; and

**WHEREAS**, the Act further authorizes governing bodies, in order to pay the costs of such Improvement Projects, to impose a Community Improvement District sales tax on the selling of tangible personal property at retail or rendering or furnishing services within Improvement Districts in any increment of .10% or .25% not to exceed 2.0% and/or the levy of special assessments upon property within such Improvement Districts and to issue special and or general obligation revenue bonds payable from such sales taxes and/or special assessments;

**NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF GOODLAND, KANSAS:**

**Section 1. Purpose and Background.** In 2009, the Kansas Legislature enacted the Community Improvement District Act (the “CID Act”), pursuant to which municipalities may create districts in which certain special taxes imposed and the revenue used to fund certain public and private improvements and the payment of certain ongoing operating costs within the geographic bounds of the specified district. The creation of a Community Improvement District (“CID”) is a particularly useful tool of economic development in that it can help facilitate beneficial private development and redevelopment without negativity impacting the tax base of the approving municipality.

It is the policy of the City of Goodland to utilize the provisions of the CID Act to assist private developers by providing financing for commercial, industrial and mixed-use projects that meet the local eligibility criteria outlined below, subject to certain special local policy limitations outlined below. A CID can exist for a maximum of 22 years.

**Section 2. Local Eligibility Criteria.** It shall be the policy of the City to create a CID if, in the opinion of the City Commission, the petition satisfies all statutory requirements of the CID Act and if creation of such CID would meet the following criteria:

- (1) The CID will attract development which would enhance the economic climate of the City or otherwise benefit the City or its residents.
- (2) The CID will result in the construction of public or private property improvements and infrastructure, or the provision of ongoing services, that would otherwise not be financially feasible.
- (3) The CID will promote redevelopment or rejuvenation of properties within the City which would otherwise be unlikely to happen. Special consideration will be given

to projects located in the Neighborhood Revitalization Area, the Central business District or an area for which a neighborhood plan, a corridor plan or a redevelopment plan have been adopted by the City of Goodland.

- (4) The CID will be used to assist the development of commercial, industrial and mixed-used projects, and for common area amenities in residential developments that are called for in the Parks, Recreations and Open Space (PROS) Plan.
- (5) The CID will not be used for projects in which construction has begun prior to approval by the City or that are incompatible or inconsistent with a neighborhood plan including any of the following: sexually oriented businesses, community correctional facilities, half-way houses, drug or alcohol rehabilitation facilities, new or used car lots, multi-game, casino-style gambling facilities, and commercial billboard siting.
- (6) The CID will support projects with total costs of not less than \$2,000,000 for bonded projects or \$500,000 for pay-as-you-go.

**Section 3. CID Petition Process.** A CID is formed by the petition of landowners within the proposed CID. According to the CID Act, a Petition to create a CID must be signed by the owners of at least 55% of the total land area and total assessed property value within the proposed district. Upon receipt of the petition, the City Commission may approve the CID. In cases in which no special sales tax is requested (i.e. only special property tax assessments are requested), the City Commission may create the requested CID without notice or a public hearing. If a special sales tax is requested, the City Commission must give notice and hold a public hearing pursuant to the CID Act.

A CID petition must contain:

1. The general nature of the proposed CID project;
2. A statement of the public purpose being served by the use of CID financing;
3. The estimated cost of the proposed CID project including maximum amount of CID funding to be paid prior to termination of CID, based on 125% of the total estimated amount of CID revenue during the 22-year term of the CID;
4. The proposed method of financing the project (special assessments or special sales tax);
5. The proposed amount and method of assessment;
6. The proposed method of financing (pay-as-you-go or special obligation bonds);
7. A map of the proposed CID; and
8. The legal description of the boundaries of the proposed CID.

**Section 4. Sources of Funding for CID Improvements.** Landowners or developers seeking to form a CID may request to draw upon one of the following two revenue sources, or a combination of both, to fund eligible improvements:

- (1) Special property tax assessments on the property within the district, or

- (2) A special sales tax of up to 2% on all taxable sales within the district.

Upon the creation of a CID by the City Commission, revenue generated by these sources is available to pay for eligible improvements and costs. This can occur in one of two ways: a bond issuance or a pay-as-you-go dedicated account.

Bond Issuance – In cases in which a bond issuance is requested, the City’s Economic Development Office will work with the landowners within the CID to calculate how much revenue will be raised from the CID revenues (the special property tax and/or special sales tax levied within the CID) and the principal amount of bonds that can be issued based on the CID revenue stream and a minimum 1.2 debt service coverage ratio. The City may then issue bonds in that amount and use the CID revenue to retire the debt. The proceeds from the sale of the bonds will be used on eligible improvements and costs pursuant to the development agreement. While the CID Act permits the issuance of either full-faith and credit general obligation bonds or special obligations bonds, payable solely from the CID revenue, it is the policy of the City of Goodland to issue only special obligation CID bonds.

Pay-As-You-Go Account – As an alternative to a bond issuance, the landowners within the CID may request the establishment of a pay-as-you-go account. This account will be a dedicated account into which the CID revenues will be deposited and will be available to be used as funds accrue to pay eligible costs.

Funds used to pay eligible CID costs, whether from bond proceeds or a pay-as-you-go account, will be held by the City or a third-party trustee, and disbursed to pay actual costs pursuant to a development agreement. Preference will be given to projects that use pay-as-you-go financing.

**Section 5. Eligible CID Costs.** The CID Act provides an exclusive list of eligible improvements and costs that may be paid for with CID funding. CID funds may be used to acquire, plan, design, engineer, improve, construct, demolish, remove, renovate, reconstruct, rehabilitate, maintain, restore, replace, renew, repair, install, relocate, furnish, equip, extend or finance:

- (1) Buildings, structures, and facilities;
- (2) Site improvements, including without limit sidewalks, streets, roads, interchanges, highway access roads, intersections, alleys, parking lots, bridges, ramps, tunnels, overpasses and underpasses, traffic signs and signals, utilities, pedestrian amenities, abandoned cemeteries, drainage systems, water systems, storm systems, sewer systems, lift stations, underground gas, heating and electrical services and connections located within or without the public right-of-way, and water mains and extensions;
- (3) Parking garages;
- (4) Streetscape, lighting, street light fixtures, street light connections, street light facilities, benches or other seating furniture, trash receptacles, marquees, awnings, canopies, walls and barriers;
- (5) Parks, lawns, trees and other landscaping;
- (6) Communication and information booths, bus stops and other shelters, stations, terminals, hangars, rest rooms and kiosks;

- (7) Paintings, murals, display cases sculptures, fountains and other cultural amenities;
- (8) Airports, railroads, light rail and other mass transit facilities; and
- (9) Lakes, dams, docks, wharfs, lakes or river ports, channels and levies, waterways and drainage conduits.

The CID Act also permits the use of CID funds to pay ongoing operating expenses, including security, entertainment, public events, business promotion, employee training, and market studies; however, it is the policy of the City of Goodland that CID funds may only be used to pay eligible operating costs up to the maximum amount identified in the petition and may not be used for operating costs in residential developments. CID funds may be used to reimburse capital costs incurred not earlier than one year prior to City Commission action initiating the establishment of a CID, and City administrative costs and costs of issuance.

**Section 6. Process for Creating a CID.** All of the projects will be subject to the notice and hearing process.

- Approval Process
  - The City Commission shall adopt a resolution giving notice of a public hearing to consider the advisability of creating the CID.
    - Such resolution shall be published once each week for two consecutive weeks in the City’s official newspaper and shall be sent by certified mail to all owners and occupants of property within the proposed district.
    - The second publication of such resolution shall occur at least seven (7) days prior to the date of the hearing and the certified mailed notice shall be sent at least ten (10) days prior to the hearing.
    - Such resolution shall contain the following information:
      - Time and place of the hearing;
      - General nature of the proposed district;
      - Estimated cost of the project;
      - Proposed method of financing the project, including, if applicable, the issuance of full-faith and credit bonds;
      - The proposed amount of the CID sales tax, if any;
      - The proposed amount and method of assessment, if any;
      - A map of the proposed district; and
      - A legal description of the proposed district.
  - Following the hearing, the City Commission may by majority vote approve the CID by ordinance.
    - The ordinance shall:
      - Authorize the project;
      - Approve the estimated costs of the project;
      - Contain a legal description and map of the proposed district;
      - Levy the CID sales tax, if any;
      - Approve the maximum amount and method of assessment, if any; and
      - Approve the method of financing.

- Such ordinance shall become effective upon publication once in the newspaper.
- The ordinance shall also be submitted for recording in the office of the register of deeds of the county in which the district is located.

**Section 7. Preliminary Review Meeting.** Prior to consideration by the City Commission, parties intending to request the creation of a CID must submit a draft version of the intended petition to the City Manager, the Economic Development Director and any other City Staff designated by the City Manager. Such draft petition need not be signed by any landowners within the proposed district until such time as it is formally submitted for consideration by the City Commission. Within ten (10) days after the submission of any such draft petition, the City Manager, Economic Development Director of and other City Staff designated by the City Manager, shall hold a pre-petition meeting with the party submitting such petition to evaluate the sufficiency thereof and gather information needed to determine the eligibility of the project.

**Section 8. Development Agreement Required.** Concurrently with, or prior to, the creation of a CID by the City Commission, the City and the petitioner shall enter into a Development Agreement governing the conduct of the respective parties in relation to the proposed CID. The Development Agreement will include a site plan and elevation drawings or renderings of the CID project, and a Sources and Uses of Funds table that identifies the various sources of public and private project funds and how they will be used.

Among all other provisions, the Development Agreement will set forth the method and manner for disbursement of CID funds by the City, including the proceeds of bonds paid with CID funds, to pay for eligible project costs pursuant to acceptable documentation that such costs have been incurred. The assignment of Development Agreement rights shall be limited to a collateral assignment of all rights to a lender with written notice to the City, or assignment of all rights to any third party assignee with the written consent of the City or City Representative, at the discretion of the City. The assignment of rights shall not impair the City's right to determine the eligibility of CID costs nor require the City to subdivide any CID funds due to the developer.

In addition, the agreement shall provide for rapid repayment of the bonds and termination of the tax. City administrative fees and costs of issuance shall be paid from CID funds. For "pay-as-you-go" CID projects, the agreement will set forth the method and manner of disbursement of CID funds to the developers and shall include provisions for the termination of the CID taxes when developers have been fully reimbursed for eligible CID costs.

**Section 9. "GAP" Financing Requirement.** CID projects financed with special obligation bonds will not be approved without a financial analysis that demonstrates that the project would not otherwise be possible without the use of CID funding ("gap" analysis). CID projects financed on a "pay-as-you-go" basis do not require a "gap" analysis. Any applicant requesting use of special obligation bonds will be required to provide City Staff with pro forma cash flow analyses and sources and uses of funds in sufficient detail to demonstrate that reasonably available conventional debt and equity financing sources will not fund the entire cost of the project and still provide the applicant a reasonable market rate of return on investment. "GAP" financing, including CID and any other public financing, should not exceed 30% of the total project cost.

**Section 10. Background Check.** The City will conduct a background check on all CID applicants and applicants' project partners. Applicants are required to furnish City Staff the personal and business information needed to carry out such a background check. Such information will be treated as confidential information to the maximum extent allowed by the KORA.

**Section 11. Project Management and Development Fees.** CID funds may not be used to pay development fees. Project management fees may be financed through CID revenues only if the need for such financing is established through analysis of financial information showing that private funding is not available to pay such costs based on a market rate of return on investment. If allowed, project management fees paid through CID revenues must be documented as actual costs incurred.

**Section 12. City Administrative Fees.** The City shall be paid a non-refundable application fee of \$2,000 with the formal submittal of any CID petition. For any approved CID, the City shall be paid an on-going administrative service fee, in an amount equal to 5% of the total CID revenues received by the City. The \$2,000 application fee shall serve as a credit against the 5% on-going administrative service fee.

**Section 13. Standard Design Guidelines Govern.** All property improvements commenced under an approved CID shall be subject to City regulations, standards, and policies, including, but not limited to: zoning and subdivision regulations, buildings codes, the City code, and any applicable design guidelines currently in place or hereafter approved. In addition, project plans and rendering shall be reviewed by the City's Staff and any suggestions provided by that body will be incorporated into the design of the project unless expressly overruled by the City Manager.

**Section 14. Financial Reporting.** Developer will provide a certified annual accounting to the City on the amount and use of CID funds used to pay CID costs, by June 1 of the following year. City reserves the right to audit the use of the CID financing at its discretion and expense.

**Section 15. Public Disclosure.** The City shall establish and maintain a special website, linked to the City's official website, which lists all approved CID's existing within the City and provides a description of the CID, including a map of its location, the amount of CID taxes and the intended use of CID funding.

In addition, developers will be responsible for signs being posted adjacent to the main entrance of every retail establishment within the CID where a special sales tax is charged. The signs must be at least 24 square inches in size and contain the words: "THIS PROJECT MADE POSSIBLE BY COMMUNITY IMPROVEMENT DISTRICT FINANCING" using type face of at least 18 points in size, and "FOR MORE INFORMATION GO ["https://goodlandks.gov/about-goodland/cid/"](https://goodlandks.gov/about-goodland/cid/)" using type face of at least 12 points in size. Continuing failure to comply with the requirement will result in termination of CID reimbursement payments.

**Section 16. Termination of CIDs.** Subject to provisions contained in development agreements, the City shall take appropriate action to terminate CIDs when all eligible project costs

have been fully paid, including the principal and interest on any special obligation CID bonds or in the case of pay-as-you-go projects, the maximum CID funding amount provided in the petition.

**Section 17. Waiver of Policy.** Should the City Commission determine the terms of this policy inappropriate to evaluate a particular CID application, it may, by majority vote, waive the binding effect of this policy in regard to that application.

**Section 18. Authority of Governing Body.** The Governing Body reserves the right to deviate from any policy, but not any procedure set forth in this Resolution or any other procedural requirements of state law, when it considers such action to be exceptional benefit to the City or extraordinary circumstances prevail that are in the best interests of the City.

**Section 19. Termination Date.** Unless the justification and necessity for creation of Improvement Development Districts is lessened as the local economy moves towards its goals of balance and diversification and the City's improvement needs are satisfied, this policy shall remain in full force and effect until it is repealed or its terms are amended by separate resolution. No such Improvement Project shall be granted following such expiration, unless a new policy is approved and adopted by the Goodland City Commission.

**Section 20. Effective Date.** This Resolution shall take effect upon approval by the Goodland City Commission.

**ADOPTED** by the Governing Body of the City of Goodland, Kansas on this 18<sup>th</sup> day of October, 2021.

## CITY COMMISSION COMMUNICATION FORM

---

**FROM:** Mary Volk, City Clerk

**DATE:** October 18, 2021

**ITEM:** Disclosure Compliance Service Proposal: Gilmore & Bell

**NEXT STEP:** Commission Motion

---

ORDINANCE  
 MOTION  
 INFORMATION

---

**I. REQUEST OR ISSUE:**

This proposal is to renew our engagement with Gilmore & Bell for annual disclosure services required for regulatory compliance with outstanding bond issues for the City. The recent agreement expired and Gilmore & Bell has proposed another five year proposal to ensure compliance. The proposal fee remains at \$1,200 per year as with previous engagement.

**SUMMARY AND ALTERNATIVES:**

Recommend the Commission approve continuing the engagement with Gilmore & Bell to ensure compliance with federal regulations with outstanding securities.

Commission may take one of the following actions:

1. Approve the proposal as requested.
2. Reject the proposal and move to deny the request.
3. Direct staff to pursue an alternative approach.

One Main Place - 100 North Main, Suite 800  
Wichita, Kansas 67202-1311

(316) 267-2091 / (316) 262-6523 FAX / gilmorebell.com

October 11, 2021

Mary Volk  
City Clerk  
City of Goodland, Kansas  
204 W. 11<sup>th</sup> Street  
PO Box 59  
Goodland, KS 67735

Re: Disclosure Compliance Services Proposal

Dear Ms. Volk:

Gilmore and Bell, P.C. (“**Gilmore & Bell**” or the “**Firm**”) is pleased to submit this post-issuance disclosure compliance services proposal (the “**Engagement**”) to the City of Goodland, Kansas (the “**City**”). Our existing engagement with the City to provide disclosure compliance services recently expired September 30, 2021 by its terms. The purpose of this Engagement is to extend the term for providing disclosure compliance services by Gilmore & Bell to assist the City in meeting its continuing disclosure obligations in accordance with federal securities laws. If the City accepts this Engagement, Gilmore & Bell will perform such services in consideration of the mutual covenants and terms of this Engagement.

### **SCOPE OF ENGAGEMENT**

It is our understanding that the municipal securities listed on **Exhibit A** are the outstanding municipal securities of the City subject to a continuing disclosure undertaking. Gilmore & Bell will assist the City in meeting its continuing disclosure obligations with respect to the municipal securities identified on **Exhibit A** and any municipal securities issued during the term of this Engagement with respect to which the City is an obligated person under a continuing disclosure undertaking (together, the “**Bonds**”) by providing the following services, beginning with the City’s fiscal year ending December 31, 2021:

- Review the continuing disclosure agreements/undertakings for the Bonds (the “Disclosure Agreements”) and determine the operating data and financial information required to be disclosed by the City on an annual basis;
- Provide the City with an annual reminder of the upcoming annual report filing date;
- Provide the City annually with a memorandum listing material events requiring additional disclosure;
- Draft the City’s annual report and assist the City in updating, as of the end of each fiscal year, the appropriate operating data and summary financial information;
- Submit the City’s annual report to the MSRB, via EMMA. If the City’s annual report is not available as of the report filing date, file the appropriate notice required under the Disclosure Agreements; and

- Provide the City confirmation that the annual report has been submitted to the MSRB.

By acceptance of the terms of this Engagement, the City is confirming Gilmore & Bell's appointment as a designated agent for the sole purpose of submitting to the MSRB, via EMMA, annual reports, event notices, and other materials furnished by the City.

The content of the financial information and operating data to be included in each annual report is solely the responsibility of the City. Gilmore & Bell is not responsible for the accuracy or completeness of the information contained in any annual report. Gilmore & Bell will not undertake a "due diligence" review of the City, its operations or its financial condition in connection with the performance of these services. Such a review is outside the scope of our limited Engagement described in this Engagement.

This Engagement does not include a review of the City's past continuing disclosure compliance or preparation or submission of any filings which may have been due prior to this Engagement.

In addition, this Engagement only relates to the City's annual reporting obligations pursuant to contractual obligations of the City. As such, it does not include analysis or advice related to whether an event notice is required to be filed pursuant to the Disclosure Agreements, including materiality analyses.

#### **POINT OF CONTACT**

Gilmore & Bell will provide the necessary attorneys, disclosure analysts, legal assistants and administrative support to perform the services under this Engagement. A Gilmore & Bell disclosure analyst will contact the City in advance of the annual filing deadline to begin the process of completing the annual report. Initially, Gilmore & Bell's primary point of contact at the City for this Engagement will be as follows:

Mary Volk  
Telephone: (785) 890-4500  
Email: mary.volk@goodlandks.gov

The City will notify Gilmore & Bell if it wishes to change the primary point of contact for this Engagement.

#### **FURNISHING OF INFORMATION**

Gilmore & Bell will request the information required by the Disclosure Agreement from the City within a reasonable time prior to the filing date and will work closely with the City to gather such information. The City hereby agrees to timely provide all information requested by Gilmore & Bell. In addition, the City acknowledges that if all information required to be included in the annual report is not provided to Gilmore & Bell at least three (3) business days before the filing date set in the Disclosure Agreement, we cannot guarantee that the annual report will be timely filed.

## **FEES**

Gilmore & Bell's fee for providing the services pursuant to this Engagement is \$1,200 per year (for an aggregate amount of \$6,000 for the five-year contract term). The City may pay the fee annually or may make an advance payment of the full or any remaining aggregate amount upon execution or at any time during the term of this agreement. If paid annually, the annual fee will be payable upon confirmation that the City's annual filing, or other appropriate notice, has been submitted to the MSRB. If the City pays the aggregate amount upon execution of the proposal, or any remaining aggregate amount at a later date during the contract term, the aggregate fee will be deposited to a special trust account maintained by Gilmore & Bell for client fees held as a retainer. The portion of the aggregate fee held as retainer will be earned and disbursed to Gilmore & Bell's general operating account upon confirmation that the City's annual filing, or other appropriate notice, has been submitted to the MSRB at a rate of \$1,200 per year, unless this Agreement is otherwise terminated by either party as described above. No interest will be paid on funds held in this special trust account. All earnings attributable to the investment of amounts within this account are disbursed to a charitable foundation as required by the State bar association. In addition, Gilmore & Bell expects to be reimbursed for all out-of-pocket third-party expenses made on the City's behalf.

## **TERM OF ENGAGEMENT; TERMINATION**

The initial term of this Engagement shall be from the date below through September 30, 2026. This agreement may be terminated at any time by either party with 30 days written notice to the other party. Upon termination of this agreement, the City will pay all unpaid fees and expenses for services performed prior to the time of termination.

## **ATTORNEY-CLIENT RELATIONSHIP; CONFLICTS**

Upon execution of this engagement letter, the Issuer will be our client and an attorney-client relationship will exist between us with respect to this Engagement. Our services pursuant to this Engagement are limited to those contracted for in this letter; the City's execution of this engagement letter will constitute an acknowledgment of those limitations. Gilmore & Bell does not provide investment advice, advice relating to any municipal financial products or financial advice relating to the issuance of municipal securities, and nothing contained in this Engagement or any services provided by Gilmore & Bell under this Engagement shall constitute advice to the City with respect to municipal financial products or the issuance of municipal securities (other than legal advice), all within the meaning of Section 15B(e) of the Securities Exchange Act of 1934, as amended.

Gilmore & Bell represents many political subdivisions, underwriters and others in public finance transactions. It is possible that during the time that we are representing the City under this Engagement, one or more of our present or future clients will have transactions with the City. We do not believe any such representation will adversely affect our ability to represent you as provided in this letter, either because such matters will be sufficiently different from the scope of this Engagement so as to make such representations not adverse or because the potential for such adversity is remote or minor and outweighed by the consideration that it is unlikely that advice given to the other client will be relevant to any aspect of this Engagement. Execution of this letter will signify the City's consent to our representation of others consistent with the circumstances described in this paragraph.

**CONCLUSION**

If the foregoing terms are acceptable to the City, please return a signed copy of this Engagement letter to me and retain a copy for your files. The offer to perform the services described in this Engagement expires 60 days from the date first shown above and no Engagement will commence unless and until we receive a copy signed by the City within such timeframe. Thank you again for your interest in our disclosure compliance services and we look forward to working with you.

Very truly yours,

Kevin M. Cowan

## CITY COMMISSION COMMUNICATION FORM

---

**FROM:** Kenton Keith

**DATE:** 10/18/2021

**ITEM:** Salt Sand Storage Building

**NEXT STEP:** Approve Purchase of Building Materials

---

ORDINANCE  
 MOTION  
 INFORMATION

- 
- I. REQUEST OR ISSUE:** Street dept. received two quotes one which is a wood frame steel siding building from Hoovers in Goodland Ks, for \$12,666.07. The other is all steel building from Miller Con. in Goodland Ks, for \$23,610.00. Both quotes are just for material costs and the employees are going to construct the building.
- II. RECOMMENDED ACTION / NEXT STEP:**  
Street Dept. recommends the purchase of Hoovers in Goodland Ks, for \$12,666.07.
- III. FISCAL IMPACTS:** Following the purchase of the excavator and the trailer, there is a remaining \$25,157 available in MERF to cover this expenditure.
- IV. BACKGROUND INFORMATION:**  
The previous canvas building didn't hold up to the wind and we are wanting to make something more permanent that will last for a long time.
- V. LEGAL ISSUES:** None

**AGENDA ITEM #**  
**CITY COMMISSION COMMUNICATION FORM**

---

**FROM:** Mary Volk, City Clerk

**DATE:** October 18, 2021

**ITEM:** Bids for Sale of Two Tracts of Land

**NEXT STEP:** Commission Motion

---

ORDINANCE  
 MOTION  
 INFORMATION

---

**I. REQUEST OR ISSUE:**

The bid received is for two tracts of land on 10<sup>th</sup> Street reverted back to the City when NW Kansas Housing was unable to get houses built on the land. The sale of land was advertised in the paper once a week for two weeks and we received one bid (attached). We are asking the Commission to decide if they want to sell the tracts and if they want to approve the bid received. Cherise asked me to inquire with bidder their purpose for purchase. Yesenia indicated one tract was for a large shop since they purchased the house on lots next to it. The other tract they were going to do landscaping of the property. They indicated they will be present at the meeting.

If the City keeps the tracts of land, we will have to continue mowing the lots and I want to ensure the Commission is aware, the City mower had to mow the lots this summer because they became part of the nuisance process. NW Kansas did not pay their mowing bill. When the lots became City property, I filed for a tax exemption on the tracts as vacant lots. The County Appraiser submitted the request to the State but does not believe we will qualify for the exemption for vacant lots.

**SUMMARY AND ALTERNATIVES:**

Commission may take one of the following actions:

1. Approve the proposal as requested.
2. Reject the proposal and move to deny the request.
3. Direct staff to pursue an alternative approach.

Jesus E Diaz Morales  
Yesenia Diaz  
Jesus A Diaz Castillo  
304 E. 13<sup>th</sup>  
Goodland, KS 67735  
Phone: 785-728-7115

City of Goodland  
204 W. 11<sup>th</sup> St  
Goodland, KS 67735

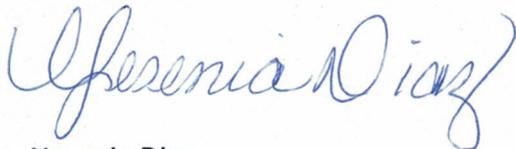

To Whom It May Concern:

Our property is located at 925 W. 10<sup>th</sup> and this lots are next to our property and we will like to build a garage in the near future.

With the respect to your invitation for the sealed bid, I am pleased to bid the sum of **\$3500.00 in cash for track #2** lots four (4), Five (5), and Six (6), block seventeen (17).

The offer on this track #1 is only if I can buy the track #2. I am pleased to bid the of **\$1500.00 in cash for track #1** lots one (1), Two (2), and Three (3), Block Seventeen (17)

Thank you so much,

Yesenia Diaz

ENVIRONMENTAL REVIEW RECORD (ERR)

Grantee Name & Project Number: City of Goodland #21-CV-131

Project Location: Jacque's Hallmark - 1124 Main Ave., Goodland, KS 67735

Project Description: CV funds to be used for working capital expenses for August, 2020 to September, 2021 (insurance and payroll). The project will retain 1 FT job and 1 PT job. Amount of CV funds: \$30,000.00.

The subject project has been reviewed pursuant to HUD regulations 24 CFR Part 58, "Environmental Review Procedures for Entities Assuming HUD Environmental Responsibilities," and the following determination with respect to the project is made:

- Exempt from NEPA review requirements per 24 CFR 58.34(a)(\_\_\_)
- Categorical Exclusion NOT Subject to §58.5 authorities per 24 CFR 58.35(b)(4)
- Categorical Exclusion SUBJECT to §58.5 authorities per 24 CFR 58.35(a)(\_\_\_)
- An Environmental Assessment (EA) is required to be performed.
- An Environmental Impact Statement (EIS) is required to be performed.

The ERR (see §58.38) must contain all the environmental review documents, public notices and written determinations or environmental findings required by Part 58 as evidence of review, decision making and actions pertaining to a particular project. Include additional information including checklists, studies, analyses and documentation as appropriate.

## CITY COMMISSION COMMUNICATION FORM

---

**FROM:** Cherise Tieben, Interim City Manager

**DATE:** October 15, 2021

**ITEM:** Unfit structures discussion

**NEXT STEP:**

---

ORDINANCE  
 MOTION  
 INFORMATION

- 
- I. REQUEST OR ISSUE:** Staff is requesting direction regarding the utilization of the unfit structure budget of \$40,000.
- II. RECOMMENDED ACTION / NEXT STEP:** A couple options would be to utilize the funds for:
1. Dead tree removal program. As we quickly approach the end of the year, if this is an option that you are interested in pursuing, we suggest that you accept proposals from licensed arborists and issue a contract for the acceptable proposal.
  2. Due to the availability of these one time funds, you could work with SCCD to establish a program that allows a contractor to rehab a residential or commercial building that would qualify for condemnation. You would want to tie the incentive to a certain increase in the assessed value of the renovated building with a return of funds if the work is not completed and the assessed value is not met.
  3. Provide the funds to the Park Department for purchase of additional pre-emergent chemicals that could be applied now, to prevent weeds next year.
  4. I can work with the Department Heads to identify any structures owned by the City that may need substantial maintenance renovations.
- III. FISCAL IMPACTS:** There is \$40,000 available in this line item. Due to budgetary constraints we would recommend only expending \$30,000 in case something comes up before the end of the year.
- IV. BACKGROUND INFORMATION:** The funds were allocated for demo of unsafe structures. However, with the changes in the Building Department, there have not been any condemnations done this year. Commissioner Brumbaugh suggested that we try to get these funds utilized by the end of the year.
- V. LEGAL ISSUES:** None at this time.
