PUBLIC COMMENT

CONSENT AGENDA

- A. 12/06/21 Commission Meeting Minutes
- **B.** Appropriation Ordinances: 2021-24, 2021-24A, and 2021-P24 ON A MOTION by Commissioner Thompson to approve Consent Agenda seconded by Commissioner Farris. MOTION carried on a VOTE of 5-0.

FORMAL ACTIONS

- A. Museum Renovation –Sami stated, last year we were one of the museums selected to receive a Dane Hansen Grant for the services of textile preservationist, Jennifer Tracz. We feel we will benefit with improvements to the back gallery and show exhibits in a chronological manner. The metal is beginning to separate and we need to repair some cracks in the floor that can cause slips. Mayor Garcia asked, does the bid from Almanza's Interior Services include the floor repair? Sami stated, it is for the dry wall and Kenton agreed to fix floor cracks with college students painting floor. ON A MOTION by Commissioner Thompson to approve the museum renovations, including the bid from bid for dry wall from Almanza's Interior Services in the amount of \$5,800 seconded by Commissioner Howard. MOTION carried on a VOTE of 5-0.
- **B.** ADA Pool Lift Kent stated, staff was informed our pool needs a second accessible means of entering water. We have the zero entry but need second entry. Our pool manager contacted another facility for recommendations. They use Aqua Creek Ranger Lift. We also spoke with Associated Supply Company, where we get our equipment and supplies, and they carry both lifts we are looking at. Staff recommends the Aqua Creek Ranger Lift for \$4,601.11. Commissioner Thompson stated, the more expensive lift might be better quality but price does not justify. Where do funds come from? Mary stated, Capital Improvement Reserve Fund. Mayor Garcia asked, what is weight limit on lift? Kent stated, 350 pound limit. Commissioner Howard asked, why battery operated? Kent stated, this model is used by Derby because they can remove equipment when not in use to charge battery. Commissioner Howard asked, what is battery life? Kent stated, I am uncertain, but Derby has had lift for a number or years and not replaced batteries. This is a newer model used by many pools. Another reason for battery operated lift is to prevent trip

I wish Commission completing terms will be at next meeting. 5. This past week the Electric Department did a good job with wind storm Wednesday. They addressed ten to fifteen incidents involving electrical issues. Chief Hayes said Shop with a Cop program was a success. Frank stated, we invited nine children, seven responded. The officers and children had a good time. This gave them the opportunity to have a Christmas. I was amazed that children shopped for their family, not themselves.
