### Goodland Kiwanis Club

#### Egg My Yard Event

Kiwanis "Egg My Yard" is an annual event where Goodland Kiwanis Club volunteers hide Easter eggs in the front yard on Easter Eve (Saturday, April 16th, 6p.m.) for all of those who sign up! Donations are welcome. After expenses, profits are donated to a worthy cause.

For more information and/or to sign up please visit the Goodland Kiwanis website at:

[www.goodlandkiwanisclub.org](http://www.goodlandkiwanisclub.org)

### Online Payment Announcement:

We are now offering the benefit for clients to pay all their yard waste bills online. To participate please go to [inthecantrash.com](http://inthecantrash.com), and click the Online Payment Button in the upper right hand corner.

To Login, you will need your account number and password (last four digits of phone number). You also have the option to request automatic billing for future services. If you have any questions or concerns, please give our office a call during normal business hours and we will be happy to assist you!

## Recycling Facts

- If everyone in the U.S. recycled just 10% of their newsprint, we would save 25 million trees a year!
- Recycling one aluminum can saves enough energy to run a TV set for 3 hours or a light bulb for 20 hours!
- It takes the same amount of energy to make one new can or to make twenty recycled cans!
- Aluminum can be recycled from cans, bicycles, computers, cookware, wires, cars, planes and other sources.
- Recycling old aluminum uses only 5% of the energy that is needed to make new aluminum.
- Recycling 1 ton of paper saves 17 trees, 7,000 gallons of water, and 4,000 hours of electricity.
