water watch

Effective June 27, Governor Laura Kelly has approved updated drought declarations for Kansas counties with Executive Order #22-06. This drought declaration places all 105 Kansas counties either in watch, warning or emergency status. Sherman County is currently under emergency status.

For this reason it is strongly encouraged to follow water conservation tips for the City of Goodland.

Recommended Tips:

- Water yards/gardens between the hours of 6a.m.-9a.m. & 7p.m.-10p.m. And/or use grey water for watering.
- Wash vehicles at a car wash vs. at home
- Check for & fix any leaks inside and outside of home
- Opt for drought resistant plants and use mulch to lock in moisture
- Nozzle your hose
- Only run washing machine & dishwashers when full
