SIDEWALK DISPLAY FORM

*The City of Goodland requires that citizens obtain a permit before conducting any activity that would require the interruption of the regular function of the City (i.e. blocking streets or sidewalks). A permit is also required for any large assembly that may block streets or sidewalks. The purpose of this permit requirement is to ensure that the City is able to accommodate requests for assistance that you will need to make your event a success. By completing this process, we will be able to ensure that all necessary City Departments know what you need from us and when you need it.
