Kansas Begins Here!

High Plains Museum News

The exhibit *Toys Through Time* will extend its run into June, if you haven't made it in to see the toys and scale models from the Northwest Kansas Scale Modelers Society, hurry in to catch it before its gone.

Starting in mid-June we will feature a local agriculture exhibit with partners Sherman County Farm Bureau. This exhibit will explore agriculture in Sherman County and feature several collaborations from throughout the community.

On June 24th from 9-12, we will host a come and go Ag. Science Day, which will allow you and your family to learn all about agriculture through hands-on science experiments. We ask that all children be accompanied by an adult or babysitter.

Ready for another scavenger hunt to explore the hidden history of Goodland? Stop by the museum or check out our Facebook page for the latest scavenger hunt on June 10th - once completed come by the museum and be entered into a grand prize drawing.

On June 18th at 6:00 PM at Terra Bona we will hosting our first trivia night. This event is open to all age groups and no sign-up is necessary. Keep your eyes out for an upcoming Weather Night at the Museum, hosted by the National Weather Service at Goodland - dates coming soon!

The first Saturday of each month a *Grab Bag* full of fun things will available at the museum, so mark your calendars to stop by and get yours.

We look forward to seeing you at the High Plains Museum this summer!
