Annual Water Quality Report

You are now able to view the City of Goodland's
annual water quality report online at

www.cityofgoodland.org

>City Departments

>Public Works.

This report contains important information about the
source and quality of your drinking water.

Please call 785-890-4500, if you would like a paper
report mailed to your home.

Water conservation is everyone's job!

A dripping faucet on average wastes 3000 gallons of water a year!

Annual Cemetery Tour

May 6 @ 10 am

Meet at the front gates of the cemetery at 10:00 to learn about four influential medical people to our community.

High Plains Museum News

Our latest exhibit *Toys Through Time* with partner The Northwest Kansas Scale Modelers Society is currently showing at the museum. This exhibit showcases some wonderful older toys as well as some amazing models. May is the last month for this exhibit so hurry in and catch it!

May 8th at 5:30 PM the North Star Singers will be entertaining us with several pieces for a Museum After Hours, come by and support this amazing youth choir.

May 13th we are excited to partner with the Goodland DAR chapter to bring Diana Staresinic-Deane to the museum at **2:00** for her Humanities Kansas program *Researching Your Home and the People Who Lived There*.

Join us in May for some great programs and an old fashioned fun exhibit!

TORNADOES AND ROAD SAFETY

WHAT TO DO

Get off the road. The best option is to drive to a designated shelter, basement or safe room.

The next best option is a small, windowless room or hallway on the lowest floor of a sturdy building.

WHAT NOT TO DO

Do not seek refuge in a vehicle, outside or under an overpass. A highway overpass does not provide safety from a tornado.

DO NOT seek shelter under an overpass or a tree. This puts you at greater risk of being killed or seriously injured by flying debris from the powerful tornadic winds.

Know Where to Go When Sheltering from a Tornado

Quickly move to your basement and bring your emergency supply kit.

TORNADO TERMINOLOGY

Tornado Watch

Weather conditions could lead to the formation of severe storms and tornadoes. **BE PREPARED:** Know your safe location. Be ready to act quickly if a Warning is issued or you suspect a tornado is approaching.

Tornado Warning

A tornado has been spotted or indicated by weather radar, meaning a tornado is occurring or expected soon. **TAKE ACTION:** There is imminent danger to life and property. Immediately seek refuge in the safest location possible.

Tornado Emergency

An exceedingly rare situation with a severe threat to human life and catastrophic damage due to a confirmed violent tornado. **TAKE ACTION:** There is imminent danger to life and property. Immediately seek refuge in the safest location possible.
