City of Goodland
204 W. 11th Street
Goodland, KS 67735

MEMORANDUM

TO: Mayor Showalter and City Commissioners
FROM: Kent Brown, City Manager
DATE: September 8, 2026
SUBJECT: Agenda Report

2. Public Hearings

A. 2027 Budget to Exceed Revenue Neutral Rate

Mayor will open hearing. Staff will discuss what is RNR and why hearing is needed. Public opinion is permitted during this time pertaining to the City publishing the 2027 budget at 55.470, which exceeds the RNR of 54.511 mills as provided by the County Clerk. Per KSA 79-2929, Resolution 2026-17: resolution to exceed the RNR must be approved at the conclusion of public comment BEFORE the RNR hearing is closed AND prior to budget adoption. Resolution must be approved by roll call vote.

1. Resolution 2026-17: Levy a Property Tax Rate Exceeding the Revenue Neutral Rate

After public comment is received and the Resolution is approved or not approved, Mayor will close the public hearing.

B. 2027 Budget Hearing

Mayor will open public hearing for the 2027 City budget as published in the newspaper. Public comment is permitted during this time pertaining to the City budget publication. Mayor will close public hearing.

3. Approve 2027 Budget

See PUBLISHED notice of budget hearing as originally set which shows the total budget of 13,930,056, amount of 2026 ad valorem tax at 2,447,590 and an estimated tax rate of 55.740 mills. Then see the budget certificate pdf and the notice of budget hearing which were included in the packet. Because of the discussions by the City Commission at the August 3 and August 17 City Commission meetings, the budget was revised further and resulted in different numbers for the proposed 2027 budget. City Clerk Volk revised the Notice of Hearing to reflect the result of those discussions. The revised notice of hearing shows a 2027 total budget of 19,925,056, an amount of 2026 Ad Valorem Tax at 2,413,590 and an estimated tax rate of 54.966 mills. If budget is approved as presented in the budget summary, this will set the 2027 budget for the City of Goodland as well as the revenue needed from property taxes. The County Clerk will set the actual mill levy rate to generate the revenue set by this budget approval following the finalization of the total valuation for properties in the city by November.

4. Appointment of Commissioner by Governing Body to fill vacancy on City Commission

A. Appointment of City Commissioner

Per city code section 1-206: "The vacancy of any elected office shall be filled until the next annual election by appointment of the governing body." Mayor Showalter will ask for a motion to appoint a person to fill the vacancy of former City Commissioner Artzer's term until the November 2027 election. Sandra Dumler and Rachelle Standley, both came to public comment at the August 17, 2026 meeting to put their names forward as a candidate for consideration by the Commission.

B. Oath of Office and Installation of newly appointed City Commissioner

After the appointment of the City Commissioner, City Clerk Mary Volk will swear in the new City Commissioner, and then the City Commissioner will take their seat on the Commission.

5. Public Comment

6. Consent Agenda:

A. 8-17-2026 Commission Meeting Minutes

B. Appropriation Ordinances 2026-17; 2026-17A; 2026-P17.

RECOMMENDED MOTION: "I move that we approve Consent Agenda items A and B."

7. PRESENTATIONS & PROCLAMATIONS

None this meeting.

8. ORDINANCES AND RESOLUTIONS

A. **Resolution 2026-18 – Set Public Hearing, Unfit Structure at 1710 Syracuse Av.**

Building Official Zach Hildebrand is presenting information regarding the unfit structure which is an accessory structure at 1710 Syracuse Avenue on September 8, 2026. By Resolution 2026-18, the governing body will set a time and place for a public hearing to be held on November 2, 2026.

RECOMMENDED MOTION: "*I move that we not approve Resolution 2026-18, a RESOLUTION fixing a time and place and providing for notice of a hearing before the Governing Body of the City of Goodland, Kansas, at which the owner, his or her agent, lienholders of record, occupants and other parties in interest of structures located within said city and described herein may appear and show cause why such structure should not be condemned and ordered repaired or demolished as an unsafe or dangerous structure*."

B. **Resolution 2026-19 – Set Public Hearing, Unfit Structure at 608 W. 16th St.**

Building Official Zach Hildebrand is presenting information regarding the unfit structure which is an accessory structure at 608 W. 16th St. on September 8, 2026. By Resolution 2026-19, the governing body will set a time and place for a public hearing to be held on November 2, 2026.

RECOMMENDED MOTION: "*I move that we not approve Resolution 2026-19, a RESOLUTION fixing a time and place and providing for notice of a hearing before the Governing Body of the City of Goodland, Kansas, at which the owner, his or her agent, lienholders of record, occupants and other parties in interest of structures located within said city and described herein may appear and show cause why such structure should not be condemned and ordered repaired or demolished as an unsafe or dangerous structure*."

9. Formal Actions

A. Temporary Community Event Permit Application

This is the completed application per the ordinance requirements. Police Chief Erhart has reviewed the application and recommends approval.

RECOMMENDED MOTION: "*I move that we approve the application for the Temporary Community Event Permit for September 26, 2026 from Stasser Enterprises LLC as presented.*"

B. Airport Fixed Base Operator Contract

Contract renewal with Butterfly Aviation for the Fixed Base Operator position at the Goodland Airport / Renner Field.

RECOMMENDED MOTION: "*I move that we approve the contract renewal with Butterfly Aviation for the Fixed Base Operator (FBO) position as presented*."

C. Amendment to Interlocal Agreement for SCCD – Modification Proposed by Sherman County

Questions have been raised with respect to the audit language in the interlocal agreement entered into in 2021 between Sherman County and the City of Goodland. Sherman County Attorney Bret Mangan has provided a proposed change to clarify the language. County Commissioners have approved the amendment and is now presented to the City Commission for consideration. If approved, it is then submitted to the State Attorney General for approval.

RECOMMENDED MOTION: "*I move that we approve the amendment to the Interlocal Agreement with the Sherman County Commission regarding Sherman County Community Development as presented*."

7. DISCUSSION ITEMS

A. 8th St Project – Follow Up

Andrew Brunner, EBH Engineer, will review plans and specifications on the 8th St. Project with the City Commission and the questions asked at the last meeting.

8. Reports:

A. City Manager

- Manager Memo
- August Month End Fund Balance Report
- Police Monthly Activity Report
- EDA Grant Follow Up
- Big Easel Project
- Waterslide Follow Up
- Water Tank Painting Project

B. City Commissioners

The Mayor will ask each City Commissioner for their comments or questions for staff on any other topic not on the agenda at this time.

C. Mayor

Mayor will present any comments or questions for staff at this time.

AGENDA ITEM

CITY COMMISSION COMMUNICATION FORM

FROM: **Mary Volk, City Clerk**
Kent Brown, City Manager

DATE: **August 20, 2026**

ITEM: **RNR and 2027 Budget Hearing**

NEXT STEP: Public Hearing

_____ORDINANCE
_____ MOTION
__X__INFORMATION

I. **REQUEST OR ISSUE:**

This is a 5-step process to get to the approval of the budget.

1.) Mayor will open public hearing for the City to exceed the RNR for the 2027 Budget. Kent will discuss what is RNR and why hearing is needed. Public opinion is permitted during this time pertaining to the City publishing the 2027 budget at 55.740 mills, exceeding the RNR of 54.511 as provided by the County Clerk. Through many discussions, the commission decided at the August 17th meeting to adopt a rate of 54.966, similar to the rate last year of 54.996.

2.) Per KSA 79-2929, **Resolution 2026-17: resolution to exceed the RNR must be approved at the conclusion of public comment BEFORE the RNR hearing is closed AND prior to budget adoption**. Resolution must be approved by roll call vote. If the Commission would want to change any of the numbers that are included in Resolution 2026-17, then the Commission would need to agree on the changes and still pass the Resolution BEFORE the RNR hearing is closed and prior to budget adoption.

3.) Mayor will close public hearing to exceed the RNR for the 2027 Budget.

4.) Mayor will open public hearing for the 2027 City budget as published in the newspaper. Kent will provide a short review of the budget documentation discussed at recent meetings. Public comment is permitted during this time pertaining to the budget publication. Mayor will close public hearing.

5.) Following the hearing the commission is required to approve 2027 budget. The approved budget must be at or below the published tax rate of 55.740 mills.

II. RECOMMENDED ACTION / NEXT STEP:

Staff recommends the commission approve the budget as recommended by the commission through discussions at recent meetings.

III. FISCAL IMPACTS:

The published budget is 55.740 mills for $2,447,590 in tax dollars. Total budget expenditures published are $13,930,056 for 2027. At the August 17th commission meeting, the commission determined to approve a rate of 54.966 for $2,413,590 in tax dollars. Total budget expenditures at 54.966 are $13,925,056. This rate is similar to last year and lower than the published rate. RNR provided to the City was 54.511 mills. Keep in mind all rates and numbers at this time are based on estimated assessed valuation. Final valuation is set in late October to early November.

IV. BACKGROUND INFORMATION:

As discussed during budget, the legislature adopted the Revenue Neutral Rate (RNR) requirement for Cities to follow during the budget process. The legislature believed that any valuation growth should be utilized to lower the mill levy and to improve transparency to the public. City's RNR was set at 54.511 mills by the County Clerk based on estimated valuation.

After the budget discussions, the Commission agreed to publish 2027 budget at 55.740 mills and requested to conduct the RNR hearing set for September 8th. The RNR hearing is for any public comment on the city's budget exceeding the published RNR. Notice of RNR intent was provided to Sherman County with Resolution 2026-14.

Staff discussed the budget during the last several Commission meetings. At the July 6th meeting the Commission approved Resolution 2026-13 approving the budget to be published at 55.740 mills as the property tax rate. Then held a special meeting on July 13th to reschedule the hearing date for the budget publication, to comply with state regulation. During subsequent commission meetings, the commission continued discussions for the rate at which to approve for the 2027 budget. During the August 17th meeting, staff provided options for the commission to review to decrease budget rate. The estimated revenue to the City for each mill in 2027 is $43,910.61, based on the estimated assessed valuation from the County Clerk of 43,910,610. The Commission reviewed the budget presented by staff during regular meetings and a special meeting in June, July and August. The Commission is aware all items the City purchases have increased in cost over the year with the economic situation of our country. We continue to be concerned with increased prices and delivery of supplies. Included in the budget summaries for each department and fund are a section that states – Any action taken to control costs or mitigate rising costs in the department. Staff makes every effort to make smart decisions for the City; however, many of the materials and equipment that the city uses continues to rise at a much higher rate than the stated inflation rate by the federal government.

AGENDA ITEM

CITY COMMISSION COMMUNICATION FORM

FROM: **Mary Volk, City Clerk**
Kent Brown, City Manager

DATE: **August 20, 2026**

ITEM: **Resolution 2026-17: Levy a Property Tax Rate Exceeding the Revenue Neutral Rate (RNR)**

NEXT STEP: Commission Motion

_____ORDINANCE
__X__MOTION
_____INFORMATION

I. REQUEST OR ISSUE:

Per KSA 79-2929, **Resolution 2026-17: resolution to exceed the RNR must be approved at the conclusion of public comment BEFORE the RNR hearing is closed AND prior to budget adoption.** Resolution must be approved by roll call vote. A copy of the resolution to exceed the RNR and a certified copy of the roll call vote must be included with the adopted budget forms that are filed with the county clerk and director of accounts and reports and will be published on the website of the State of Kansas Department of Administration. During the 2027 budget work sessions, the commission approved publishing a budget at the proposed estimated tax rate of 55.740 which exceeds the rate for 2026 and the RNR of 54.511, as provided by the County Clerk.

II. RECOMMENDED ACTION / NEXT STEP:

Staff recommends approving Resolution 2026-17 for the City to approve a levy of property tax rate to exceed the RNR. If the resolution is approved then the Commission has approved the budget as set forth by the commission for publication with Resolution 2026-13 at the July 6th Commission meeting.

III. FISCAL IMPACTS:

The published budget is 55.740 mills for $2,447,590 in tax dollars. The RNR provided the City was 54.511 mills. Total budget expenditures published are $13,930,056 for 2027. Keep in mind all rates and numbers at this time are based on estimated assessed valuation. Through many discussions, the commission decided at the August 17th meeting to adopt a rate of 54.966 or total expenditures of $13,925,056. Final valuation is set in late October to early November.

IV. **BACKGROUND INFORMATION:**

Staff discussed the budget at the June, July and August meetings. At the July 6th meeting the Commission approved Resolution 2026-13 approving the budget to be published at 55.740 mills as the property tax rate. Notice of RNR intent was provided to Sherman County with Resolution 2026-13. The published rate is the maximum allowed for the 2027 budget. During the August meetings the commission discussed decreasing the rate closer to 2026 rate.

RESOLUTION NO. 2026-17

A RESOLUTION OF THE CITY OF GOODLAND, KANSAS TO LEVY A PROPERTY TAX RATE EXCEEDING THE REVENUE NEUTRAL RATE;

WHEREAS, the Revenue Neutral Rate for the City of Goodland was calculated as 54.511 mills by the Sherman County Clerk; and

WHEREAS, the Governing Body approved to publish budget at a rate 54.740; then through further discussion reduced proposed estimated tax rate to 54.966, which is a slight decrease to previous year's rate of 54.996.

WHEREAS, the budget proposed by the Governing Body of the City of Goodland will require the levy of a property tax rate exceeding the Revenue Neutral Rate; and

WHEREAS, the Governing Body held a hearing on September 8, 2026 allowing all interested taxpayers desiring to be heard an opportunity to give oral testimony; and

WHEREAS, the Governing Body of the City of Goodland, having heard testimony, still finds it necessary to exceed the Revenue Neutral Rate.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF GOODLAND:

The City of Goodland shall levy a property tax rate exceeding the Revenue Neutral Rate of 54.511 mills. The Roll Call Vote of the Governing Body is as follows:

Governing Body Member	YES	NO	No Vote
Vacancy			
Commissioner Cloyd			
Commissioner Redlin			
Vice-Mayor Howard			
Mayor Showalter			
TOTAL			

This resolution shall take effect and be in force immediately upon its adoption and shall remain in effect until future action is taken by the Governing Body.

ADOPTED this 8th day of September, 2026.

ATTEST:

____
Jason Showalter, Mayor

____
Shauna Johnson, Deputy City Clerk

2027 – Dept 02 – ADMINISTRATION
GENERAL FUND SUMMARY

FUNCTION

Expenses for the City Commission, City Attorney and general administrative staff in part are tracked through this department fund. The Goodland City Commission consists of five Commissioners who are the governing body of the city. The City Commission establishes policy, enacts ordinances, holds public hearings, approves contracts and authorizes all public improvements.

The City Manager is the chief administrative officer of the city and is responsible for the administration of all departments. The City Manager informs and advises the City Commission as required on policy implementation.

The City Clerk oversees services in finance, utility billing, human resources, payroll, records management and customer service to support every other city department and the citizens of Goodland.

OBJECTIVES FOR THIS BUDGET

- Provide payroll and overtime for the Mayor and City Commission, City Manager, City Clerk, ¼ of the IT position, part time building maintenance and in 1/3 Administrative Assistant.
  $270,510 *Line item 11-02-1010-1060 Salaries and Overtime*
- Provide funding for city's portion of election expenses. This occurs when the City requests an election be held.
  $2,000 *Line item 11-02-2030 Election Expense*
- Payment to USD 352 for dedicated sales tax for school improvement bond.
  $425,000 *Line item 11-02-2050 School District Sales Tax*
- Provide funding for general fund expenses on property, vehicle, casualty and liability insurance.
  $165,000 *Line item 11-02-2060 Insurance*
- Funding for professional services for the administration in the City of Goodland.
  $103,400 *Line item 11-02-2140 Professional Services*
  City Attorney $66,000, Law Office expenses $8,400, Elevator maintenance (City bldg. and Art Center) $5,000, IT subscriptions/renewals $3,000, Surveys, other legal $4,000, Grant writer consultant $7,500, Planning consultant fees (offset planning fees revenue) $5,000, other professional services like update city codes $4,500
- Funding for donations approved by the Commission.
  $7,000 *Line item 11-02-2200 Other*
  Freedom festival $1,500, NW Kansas Technical College Endowment $1,200, Sherman County Community Foundation $1,000, Western KS Child Advocacy Center $1,500, Options $1,800.
- Funding for property taxes for general properties of City.
  $2,000 *Line item 11-02-2500 Property Taxes*
- Funding for maintenance at the City Building and Art Center.
  $5,000 *Line item 11-02-3030 Building Maintenance/Repair*
- Funding for maintenance of City Building and generator maintenance. Generator annual inspection alone is $2,500 annually.

$8,200 *Line item 11-02-3060 Equipment Maintenance/Repair*

- Funding for operating supplies for City Building, receptions, Christmas Party.
  $12,500 *Line item 11-02-3120 Operating Supplies*
- Funding for Capital Maintenance Projects, this is repaint Van Gogh painting.
  $15,000 *Line item 11-02-4070 Capital Maintenance*
- Transfer to Capital Improvement Reserve Fund.
  $8,000 *Line item 11-02-7100 Transfer to CIRF*

CIRF	**Expected Cost**	**Balance Remaining**	**Current Balance**	**Transfer 2026**	**2027**

Roof City Building			000	00	5,000
County Sales Tax Rd Imp	Ongoing		1,389,688.50		

- Transfer to Municipal Equipment Reserve Fund.
  $1,000 *Line item 11-02-7200 Transfer to MERF*

MERF	**Expected Cost**	**Balance Remaining**	**Current Balance**	**Transfer 2026**	**2027**
IT Backbone	Share all Dept			1,000	1,000
City Travel Car	25,000	10,300	14,700	000	000

- Matching funds for grants awarded the City.
  $20,000 *Line item 11-02-7300 Transfer to Grant Imp. Fund*

Number of staff (full time & part time paid and any volunteers)

In this fund there are two full time employees, the City Manager and City Clerk. In 2026, the Administrative Assistant is paid 1/3 from this fund, Building Inspection and Municipal Court. This also funds ¼ of IT Director, part time maintenance employee, Mayor and Commission.

Funding and explain source

General fund revenues from property taxes, sales taxes and other general fund revenues. Indirectly there are transfers from water, sewer, electric and health and sanitation utilities (franchise fees) when available to pay for other city services.

Any actions taken to control costs or mitigate rising costs in the departments

Utilize city staff for maintenance and projects when possible.

Continue seeking alternate methods to communicate with customers to reduce postage costs and ensure positive customer relations.

Utilize grants when available to assist with projects for the city.

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

More transparency and communication in financial matters, which includes communication to public in a number of avenues – venues – generations.

Inflation of cost and supply of supplies.

The city needs to consider an updated comprehensive plan to assist with future plans for the city. The current plan is over twenty years old and outdated so difficult to use for planning the future.

2027 – Dept 03 - POLICE
GENERAL FUND SUMMARY

FUNCTION

To provide professional and comprehensive law enforcement services for the City of Goodland.

OBJECTIVES FOR THIS BUDGET

- Provide salaries for four Officers, two corporals, two Sergeants, an Assistant Chief, a Records/Evidence Administrative Assistant, and a Police Chief. We also employ three part-time officer positions and a part-time records clerk on an as needed basis.
  $694,639.00 *Line item 11-03-1010-1060 Salaries and overtime*
- Provide funds for additional support services for the department, such as Enterpol (share cost with County at $6,359 each) and additional maintenance updates as needed. Digi Ticket's annual maintenance cost is $3,890, and the annual CAD interface for Digi Ticket, supported by Enterpol, is $805.00. We also use M-Files for the archiving of case files, which costs $500.00 per year.
  $12,500.00 *Line item 11-03-2050 Software Contractual*
- Provide membership fees for the Kansas Peace Officer Association (for all officers), the Kansas Association of Chiefs of Police, the Mid States Organization (for all officers), and the International Chiefs of Police. We also pay the Kansas Board of Pharmacy for the license for our live narcotics to train our K9.
  $1,000 Line item 11-03-2080 Membership Dues
- Provide funding for natural gas at the police station.
  $6,000 *Line item 11-03-2100 Other Utilities*
- Provides any funds needed for advertisement purposes
  $600 Line item 11-03-2130 Printing/Advertising
- Provides funding for pest services, IMA Inc., employee testing (including $550.00 for psychological testing), pre-employment screening, fire extinguisher compliance, blood draws for suspects (DUIs), paper shredding service, and medical bills related to suspect injuries. The **quarterly** payments for IMA Inc. are 850.00. There is an additional shared cost of $400.00 for gas tank inspection by Dupree Testing and annual subscription for M-Files.
  $7,000 Line item 11-03-2140 Professional Services
- Provides funding for KMU quarterly training.
  $2,500 Line item 11-03-2170
- Provide funding for telephones, internet, and mobile Wi-Fi service for our in-car computers. The in-car Wi-Fi also supports our fingerprint scanner, KCJIS access, Taser uploads/updates, and Axon uploads/updates. We are in the process of negotiating services to switch cell phone and related services to First Net Cell Service which appears to be more efficient services. We will not adjust until negotiations are complete.
  $13,000 *Line item 11-03-2180 Telephone*
- Provide funding for fuel, lodging, and meals related to training, meetings, graduations, and other events.

$5,000 Line item 11-03-2190

- Provide funding for prisoner care at Sherman County. In 2023, 2024, and 2025 YTD, they have not provided the billing for services. In 2025, we started transferring the amount to reserve in the event we do get a large bill.
  $2,500 Line item 11-03-2230
- Provide funding for building maintenance at our facility.
  $6,000 Line item 11-03-3030 Building Maintenance/Repair
- Provide funding for the maintenance, repair, and replacement of duty items, such as less-lethal items, handcuffs, OC spray, and everyday officer equipment.
  $2,500 Line item 11-03-3050 Duty equipment Main/Repair
- Provide funding for the maintenance of police equipment and computers. This also includes LET's, our confidential informant surveillance annual cost, at $3,000.00.
  $6,000 Line item 11-03-3060 Equipment Maintenance/Repair
- Funding for gas and oil for the vehicles. This is a significant expense, as the vehicles provide 24-hour police services to the City of Goodland.
  $28,000 *Line item 11-03-3070 Gasoline/Oil*
- Funding for office supplies, paper, Scheopners Water Service, cleaning supplies, employee of the quarter ($100 quarterly), employee of the year ($200 yearly), patrol parking/abandoned/evidence labels, nitrile gloves, STO/UPC Public offense codes, supplemental session laws, illegal narcotics testing, and supplies for community events.
  $6,500 *Line item 11-03-3120 Operating Supplies –*
- Funding for postage sent (Including certified letters for property pickup), mainly to the KBI for evidence.
  $300 Line item 11-03-3130 Postage
- Funding for uniform supplies for both new officers and current officers.
  $3,000 Line item 11-03-3160
- Funding for vehicle maintenance, tires, and repairs.
  $10,000 Line item 11-03-3170 Vehicle Maintenance
- Funding for the K9 program, which includes food and supplies.
  $2,000 Line item 11-03-3250 Canine Expenses
- Funding for the yearly payment of the new AXON Dash/Body Camera Program is $58,448, and the final annual payment for our Taser Program contract $6,088.
  $64,536 Line item 11-03-4020 New Equipment
- Transfer of funds to Capital Improvement Reserve Fund.
  $10,000 Line item 11-03-7100 Transfer to CIRF

  $84,500 Line item 11-03-7200 Transfer to MERF

slowed down, as when we book classes, we do not get enough attendance for the vendor to come. A majority of the vendors require departments to be within so many miles of a major Airport, which we are quite far away from.

State contract pricing is requested on vehicles, tires, and equipment when possible.

We have partnered with the Patrick Leahy Bulletproof Vest Partnership Program, a government grant that pays half the cost of officer vests.

We continue to work with vendors for bulk pricing.

GSA/LESO program—This program allows us to use Federal Government-issued patrol rifles. We do own four M-16 rifles and two Mini-14s, as one of the GSA programs shut down and donated them.

In 2026, KDOT has changed the campaign programs (Click or ticket, DUI, etc.) We must run all campaigns on overtime; however, KDOT reimburses us for all overtime. The theory behind this change is that officers will focus solely on campaigns during the overtime period; they cannot take calls for service unless an emergency arises that requires them to assist the officer on duty. This is in the very early stages of this change. I will have to get with Mary and Crystal to get an estimated overtime budget to submit to KDOT. In addition to KDOT paying for overtime, they will now also supply $2,000.00 in free equipment (I think it is $2,000.00; don't quote me yet). Basically, the city is not out of any money and gains free equipment.

At the February 2nd commission meeting, the commission approved the purchase of a new Canine Unit to replace our 2018 Ford Interceptor, which was causing major budgetary constraints. The new unit is scheduled to be here in June of 2026. We are still paying on the loan from Western State Bank for three 2025 Ford Interceptors. The list of vehicles and mileage is listed below. We will need replacements over the next several years to avoid unnecessary maintenance costs and keep equipment up to date.

<u>What they see as their biggest challenges over the next 3 to 5 years within their department include facilities, equipment, staffing, costs, and lost funding.</u>

Staffing and maintaining highly trained officers. Work incentives, such as the following, encourage officers to stay with the department.

1. Employee of the quarter/year program
2. Ensure they have the equipment to do their job efficiently
3. Department get-togethers
4. Empowerment (Openly take suggestions and implement ideas that benefit the department)
5. Continued administration support
6. Include the employees in events that involve the public.

7. Include the employees in purchases (Not all) and equipment that directly impacts their operations in the field.
8. Employees have the opportunity to pick their training during the year. The training is generally approved as long as it benefits the department and the employee.

We will continue to do our best to keep equipment up to date to assist officers in the field. Old or worn-out equipment is replaced as the budget allows. Safety is and will be a top priority when replacing equipment and making officers' jobs safer in any way possible.

Inflation and tariffs remain major concerns for day-to-day purchases. We will continue to explore alternative ways to purchase while still buying long-lasting, high-quality equipment. Buying quality equipment will also benefit the budget, as it lasts longer and requires fewer replacements.

We will continue to work with the community and attend community events. We have attended many events this year and will continue to do so. We will also generate community involvement through the bicycle rodeo, picnic in the park, county fair, touch-a-truck, trunk-or-treat, etc.

GOODLAND'S POLICE VEHICLES

Unit 3 - In service - 2018 Ford Explorer Interceptor Unmarked Police Chief vehicle, 86,000 miles
Unit 2 - In Service – 2017 Ford Explorer Police Interceptor Unmarked Asst. Police Chief 82,000 miles (Purchased used in 2024)
Unit 4 – In service 2025 Ford Explorer Police Interceptor 7,000 miles
Unit 5 – In service 2018 Ford Explorer Police Interceptor **117,000 miles**
Unit 6 – In service 2017 Ford Explorer Police Interceptor - **Replacement coming in June**
Unit 7 – In service 2022 Ford Explorer Police Interceptor 33,146 miles
Unit 8 – In service 2022 Ford Explorer Police Interceptor 56,000 miles
Unit 9—In service 2025 Ford Explorer Police Interceptor 7,206 miles
Unit 10- In service 2016 Ford Explorer Police Interceptor 7,338 miles
Unit 11 – In service 2019 Ford Explorer Police Interceptor 58,000 miles. (Purchased used in 2024)

NOTE: Vehicle mileage is as of April 8th, 2025.

2027 – Dept 04 – MUNICIPAL COURT
GENERAL FUND SUMMARY

FUNCTION

To provide municipal court services for misdemeanor traffic and city ordinance violations as governed by Title 12, Article 41 of the Kansas Statutes Annotated

OBJECTIVES FOR THIS BUDGET

- Provide the salaries and overtime for Municipal Court Clerk (split 1/3)
  $15,969 *Line item 11-04-1010-1060 Salaries and Overtime*
- Provide funding for professional services.
  $28,000 *Line item 11-04-2140 Professional Services*
  Municipal Court Judge $25,000, Special prosecutor $750, System maintenance $1,250, IT subscriptions/license renewal $500, IMA and EAP $500
- Provide funding for housing of prisoners as a result of municipal court action.
  $5,000 *Line item 11-04-2230 Prisoner Care*
- Provide funding for court appointed defense counsel as mandated. We have been able to remain under budget on this line item for many years. We do not see any drastic changes with the retention of the current City Attorney.
  $5,000 *Line item 11-04-2240 Indigent Defense*
- Transfer funds to Municipal Equipment Reserve Fund.
  $1,000 *Line item 11-04-7200 Transfer to MERF*

MERF	**Expected Cost**	**Balance Remaining**	**Current Balance**	**Transfer 2026**	**2027**
IT Backbone	Share all Dept			500	500
File Stamp	1,000	750	250	500	500

Number of staff (full time & part time paid and any volunteers)

1 - Municipal Court Judge/Clerk

Municipalities will normally have this as two positions, court clerk and contracted judge. Goodland combined this position into one in February 2004, and LeAnn performed both clerk and judge duties until retirement December 31, 2025. Starting in 2026, we utilized current staff for the court clerk position. The court clerk salary was paid one-third from General Government, Municipal Court, Building Inspection and Electric C & G. In July 2026, it will be paid one-third each from General Govt, Municipal Court and Building Inspection.

Funding and explain source

Funds collected from fines, court costs, attorney fees and restitution remitted to the general fund, property and sales taxes. Other fees are collected as per state statutes and remitted to the state on a monthly basis. Funds collected for Diversion and Administrative fees are allocated for equipment and training for the Municipal Court and the Police Department in the Diversion Fund.

Any actions taken to control costs or mitigate rising costs in the departments

Court attempts to collect all fines assessed to defendants through payment(s) by defendant. Municipal Court strives to accommodate the defendant by setting up payment plans. If they fail to adhere to the plan, then court may do one or more of the following to attempt to collect the fees due: summon them back to court for a "show cause" hearing, suspend driving privileges on traffic cases, issue a bench warrant, submit unpaid fees to Kansas Setoff program, and submit unpaid fees to a collection agency.

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

Barring any unforeseen developments, the municipal court has withstood the budget cuts fairly well. However, commission is advised every year, prisoner care and indigent defense fund could see more activity with more arrests for crimes that require jail time, a change in the city prosecutor and/or judge their philosophies on punishments, and the general activity of the police department in enforcement practices.

2027 – Dept 05 – ANIMAL CONTROL
GENERAL FUND SUMMARY

FUNCTION

Provide accounting of contracted animal control services to the City of Goodland. In 2022, Sherman County entered into their own agreement for animal control services in the county.

OBJECTIVES FOR THIS BUDGET

- Contract for professional services such as animal control ($1,700/mo) and impound ($2,100/mo) contract, euthanasia services, etc. We have a new vet opening clinic when complete school but may see increase if have to utilize out-of-town veterinary services
  $53,000 Line item 11-05-2140 Professional Services
- Operating supplies: animal tags
  $250 Line item 11-05-3120 Operating Supplies
- Transfer of funds to Capital Improvement Reserve Fund.
  $10,000 Line item 11-05-7100 Transfer to CIRF

CIRF	Expected Cost	Balance Remaining	Current Balance	Transfer 2026	2027
Build Animal Pound			5,000	10,000	10,000

As discussed with Kent, I would like to start saving for a "Dog Pound" area at the Police Department. Our current animal control is on private property, so we must have something in place once she retires. The best area for this would be west of the Goodland Police Department. We would need to have the following for the structure;

- Concrete flooring for indoor and outdoor kennels
- Water access
- A structure over the kennels that can be locked.
- Heavy-duty fencing for each kennel
- A drain in each kennel for cleaning and maintenance of the kennels
- Security cameras in place

Depending on budgetary constraints, a transfer of $5,000 into CIRF each year would be a good start, or an alternative amount in the Animal Control budget.

Number of staff (full time & part time paid and any volunteers)

None – contract with Kathy Schermerhorn.

Funding and explain source

General fund revenues from dog tags, impound fees sales and property taxes.

Any actions taken to control costs or mitigate rising costs in the departments

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

A new contract for services was approved in 2026. In discussion with Jason, she plans to retire in about three years. When this occurs, the city will have to have a plan for personnel with animal control services and an impound facility.

2027 – Dept 06 – VAN TRANSPORTATION
GENERAL FUND SUMMARY

FUNCTION

Fund to account for items related to van transportation program. The program provides point to point transportation service for a fee of $1.50/trip to anyone within the City limits weekdays from 8 am to 3 pm.

OBJECTIVES FOR THIS BUDGET

- Payroll for two part time van drivers.
  $28,970 *Line item 11-06-1010 Salaries*
- General advertising of services with Goodland Star News as required by van grant and advertising for employees if needed.
  $1,000 *Line item 11-06-2130 Printing and Advertising*
- Random drug testing and DOT physicals are required by federal funding regulations for the drivers.
  $1,000 *Line item 11-06-2140 Professional Services*
- Telephone for dispatching riders, internet for IPAD used to schedule riders, cell phone to contact drivers & GPS on vehicle for emergency use only.
  $1,700 *Line item 11-06-2180 Telephone*
- Gas and oil used in the van.
  $5,000 *Line item 11-06-3070 Gasoline/Oil*
- Vehicle and tire maintenance on the van and equipment. Had a major expenditure in '26 – transmission – which was paid out of MERF.
  $3,000 *Line item 11-06-3170 Vehicle Maintenance*
- Transfer funds to Municipal Equipment Reserve Fund.
  $1,000 *Line item 11-06-7200 Transfer to MERF*

MERF	**Expected Cost**	**Balance Remaining**	**Current Balance**	**Transfer 2026**	**2027**
IT Backbone	Share all Dept			500	500
Van(city Share)/Main	20,000	7,803.07	12,196.93	500	500

Number of staff (full time & part time paid and any volunteers)

2 part time van drivers then two substitute van drivers, City mechanic and dispatchers who are current employees of the city so wages are paid from respective department.

Funding and explain source

The van grant is an 80/20 split with the State of Kansas. Other revenues come from passenger fees for riding the van. Fees are currently set at $1.50/trip. General fund revenues are estimate at $20,000 per year which includes van revenue and grant reimbursement.

Any actions taken to control costs or mitigate rising costs in the departments

Extent of support for these activities. Citizens utilizing the service continue to be on the increase.

City was able to acquire a low mileage decent van after the accident in 2022 at no additional cost. This helps delay purchase of a new van.

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

This is a good part time job for retired individuals, but becomes taxing when you have to load and unload wheelchair or disabled riders.

Increased usage with gas costs and other inflation effects, which in turn will increase our costs.

We are seeing an increase in citizens utilizing services but we also see the increase of citizens becoming impatient or understanding the policies of the services. We have had to implement disciplinary policy on some citizens, which concerns this could be a trend for the future.

Last two years the State decreased funding for entities providing services. If this continues, we will have to address our cost for citizens.

City share in the cost of a new van with inflation. There are conversations on utilizing EV charging vehicles in the future.

2027 – Dept 07 – FIRE DEPARTMENT FUND
GENERAL FUND SUMMARY

FUNCTION

City Fire was merged with Sherman County Fire based on approval from the Attorney General in memo dated 09-10-2021 and Inter-local Agreement approved 06-07-2021 by the City Commission. Due to the delay in approval by the Attorney General, City and County staff, with legal guidance made the decision for merger to be effective 01-01-2022.

OBJECTIVES FOR THIS BUDGET

Dedicated expenditure for city's portion of fire department services as stated in inter-local agreement. The agreement states "The Fire Department budget as approved and adopted shall be funded at 51.8% by Sherman County and at 48.2% by the City of Goodland, which is based on each municipality's budget for fire protection for the 2020 year." For 2027 budget, the Sherman County Fire Board is requesting a 3% increase from the City of Goodland to help offset the rising costs of fire personnel, equipment, and maintenance.

Number of staff (full time & part time paid and any volunteers)

27

Funding and explain source

General fund revenues of sales and property taxes.

Any actions taken to control costs or mitigate rising costs in the departments

In the fire service, as is almost anywhere, it is very difficult to prevent the control of rising costs. Each year, fire equipment and apparatus costs go up 3% to 7% and that does not include this years and possibly next year's inflation prices. These price increases are out of the control of the fire department, and we are at the mercy of the fire equipment industry since we must purchase equipment designed for the fire service.

As a department we will strive to do our best of taking care of our equipment and apparatus by doing preventive maintenance on fire apparatus, pumps, SCBA's and extrication equipment to help keep the costs down. We already have an annual test and service program of these items, and if anything is found to be damaged, it is fixed by the service technician extending the life of that piece of equipment or apparatus. With that being said, these preventative maintenance programs too are rising in cost, and again this is out of the control of the fire department.

In the nineteen years as Chief of the department, we have already invested in equipment to help with ISO points and to keep our ISO points the same or to get better. We are currently replacing all our 1 ½" fire hose with 1 ¾" hose to provide better fire control fire streams. Unless a piece of equipment is unrepairable, there is no need to purchase equipment that we already have or don't need. We will strive to maintain the level of what we have. To spend money just to spend money is not good business. Wants and needs are two different things, if you don't need it, don't purchase it!

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

Volunteerism is a dying breed. In the nineteen years as Fire Chief, I have seen a huge decline in people wanting to do this job, and I do not see it getting any better. This is happening across the entire US. To help try to make firefighting more enticing for people to join, the Sherman County Fire Board may need to look at increasing the wage for fire personnel. With the state looking at possibly increasing the minimum wage to $15.00, this will force the Fire Board to increase the current wage for fire personnel. In 2025 Goodland ran 195 fire/rescue calls, held 24 regular trainings, and conducted a National level Firefighter 1 class. With the possibility of increasing fire wages will cause more strain on the salary line item and preparing for this by increasing this line item is imperative.

Bunker gear is a Capital Outlay project item that we must replace every 10 years due to the National Fire Protection Agency or NFPA regulations. This is a heavy cost that will have to be looked at and saved for every year. A firefighter cannot safely fight fires with gear that is over 10 years old per NFPA. If the department allows this, and if a firefighter gets hurt due to his/her aging gear, the fire department could be held liable. The Fire Board has agreed to continue putting $5,000 from City funds annually in a capital outlay project for new bunker gear. Unfortunately, ten or fifteen years ago, a complete set of bunker gear would cost $2,500. Currently to outfit a firefighter with new bunker gear will cost $4,000 to $4,500. This again shows the rising cost in firefighting safety equipment and the department has to prepare for these costs.

Fire apparatus in general is another Capital Outlay project that will need support every year. Fire apparatus is only getting more and more expensive. City's Engine 1 was purchased in 2007 at the cost of $280,000. In today's market, City's Engine 1 will now cost the tax payer over $500,000. This is something that will need to be seriously looked at since all the City's fire apparatus are becoming an aging fleet. The Rural Department has purchased some apparatus that is used and in very good shape, saving the taxpayer hundreds of thousands of dollars, but the department needs to be smart about over buying used apparatus. As we all know, when you buy used items, you may inherit major and or costly problems. The purchase of buying new occasionally, should help deter that. The City also purchased a used Ladder Truck back in 2013 at the cost of $130,000, saving the tax payer over $600,000 and gaining the department more ISO points helping the department go to an ISO class 3. Lowering our ISO points helped the tax payer save money on their fire insurance premiums. Ladder 1 is an aging apparatus (1997) and is a costly apparatus to fix if anything breaks on it, but it's a valuable piece of equipment that makes the department more versatile in fighting structure fires.

With the depletion of this City capital outlay project fund by purchasing a new fire engine in 2025, the Sherman County Fire Board has approved to allocate $35,000 annually from City funds to start saving for a new fire apparatus for Goodland.

The training grounds located at 1006 Armory Rd. has made huge progress with the help of Dane Hansen Foundation. Currently, the department is now looking at expanding the current training building to allow for more advanced types of trainings with the help of funding from Dane Hansen Foundation.

In the next ten years, the department will need to look at updating our SCBA's. At the moment we are under the 2013 NFPA standard on SCBA's. Before the SCBA's were updated to the 2013 standard, the SCBA's were under the 2002 NFPA standard. At the time of purchase of the 2013 SCBA standard, each unit cost the City $5,000. The City purchased eighteen units over a three to four-year span.

The fire service is not a money-making service. We are funded 100% by the tax payer and in return we strive to provide the best fire service between Denver and Kansas City. With striving to provide the best fire service, we may have to invest a little more in the future to help keep it the best trained and equipped department it can be. The Goodland tax payer deserves nothing but the best!

2027 – Dept 09 - BUILDING INSPECTION
GENERAL FUND SUMMARY

FUNCTION

This fund provides funding for the services of building inspection, code enforcement and land use review.

OBJECTIVES FOR THIS BUDGET

- Provide salary and overtime for the Building Inspector/Code Enforcement and 1/3 of the administrative assistant.
  $81,327 *Line item 11-09-1010-1060 Salaries and Overtime*
- Provide for printing and advertising expense in the newspaper for code changes, advertisements for bid, nuisance notices, etc. Depending on changes being made this line item could balloon one year from another.
  $5,000 *Line item 11-09-2130 Printing and Advertising*
- Provide funds for professional services on nuisance properties.
  $55,000 *Line item 11-09-2140 Professional Services*
  Weed and Nuisance Control $7,000, Building Demo/Nuisance Abatement/Tree Removal $45,500, Legal Opinion/Service/Property Descriptions $1,000, Computer subscriptions/license renewal $1,500
- Provide funds for schooling to certify official and keep certifications current plus KMU monthly safety meetings. This will also increase travel line item.
  $4,500 *Line item 11-09-2170 Schooling*
- Transfer of funds to Capital Improvement Reserve Fund.
  15,000 *Line item 11-09-7100 Transfer to CIRF*

IT Backbone	Share all Dept			1,000	1,000
Pickup	23,000	11,912.51	11,087.49	00	1,000

Number of staff (full time & part time paid and any volunteers)

The Building Inspector/Code Enforcement Official and beginning in 2023, 1/3 the Administrative Assistant.

Funding and explain source

General fund revenues from occupational licensing, building permits and property taxes. Properties that have not paid for nuisance violations are submitted to Sherman County per code toward the taxes on such property.

Any actions taken to control costs or mitigate rising costs in the departments

We have eliminated the permit technician position at the current time, utilizing the Administrative Assistant in this position.

Trying to work with the citizens to allow them the chance to abate nuisance issues. If they keep consistent communication and follow an established timeline to prevent extra costs for the city from having to take care of it.

There are a number of dilapidated properties that have been abandoned and need addressed. We are prioritizing these to meet budget needs.

Moving towards a more online approach for permitting. Looking into a remote inspection process as well to allow projects to continue moving forward without dealing with delays.

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

With the rising cost of labor and materials for contract work that the city needs, we will need to raise the budget to allow removing these properties and keeping the weeds and vegetation maintained. There are a couple larger commercial structures that will need to be addressed as well, for example 17th and Main, OYO Motel, Motel 6 and Diner, which will take multiple years to fund demolition of even one of them.

Prioritizing the needs of the community regarding housing as well as available lots for businesses to be attracted to.

2027 – Dept 11 – STREET AND ALLEY FUND
GENERAL FUND SUMMARY

FUNCTION

The expenditures are dedicated to the ongoing repair and maintenance of the streets within Goodland city limits, including snow plowing and removal. Included within these activities are major maintenance and repair items, such as crack sealing, chip sealing, milling and filling, and other items related to our long-term street maintenance plan.

OBJECTIVES FOR THIS BUDGET

- Provide the salaries and overtime for superintendent, seven full-time and two seasonal employees for the Street and alley Department.
  $431,058 *Line item 11-11-1010-1060Salaries and Overtime*
- Provide for diesel fuel storage full for all city vehicles and Equipment.
  $55,000 *Line item 11-11-2020 Bulk Fuel Purchases*
- Provide for telephone, internet and gas utilities at City Shop.
  $13,000 *Line item 11-11-2100 Other Utilities*
- Provide repair for 26 pieces of large equipment and small hand-held equipment.
  $55,000 *Line item 11-11-3060 Equipment Maintenance and Repair*
- Provide for fuel in equipment, vehicles, and oil purchase.
  $40,000 *Line item 11-11-3070 Gasoline/Oil*
- Provide for operating supplies for road maintenance and shop.
  $65,000 *Line item 11-11-3120 Operating Supplies*
  Right of Way Maintenance $2,000, Shop Supplies $1,500, Project Supplies $3,000, Concrete $15,000, Crack seal and Poly Patch $18,000, Sanding material for winter $5,000, Cold mix for patching $8,000, Snow Removal $5,000, Pavement Marking Paint $2,000, Street Signs $5,500
- Replace concrete in allies off Main Street and valley gutter repair.
  $32,500 *Line item 11-11-4050 Building and Land*
  Valley Gutter $9,500, Alley repair $23,000
- Transfer funds to Capital Improvement Reserve Fund.
  $ 85,000 *Line item 11-11-7100 Transfer to CIRF*

CIRF	**Expected Cost**	**Balance Remaining**	**Current Balance**	**Transfer 2026**	**2027**

Bulk Fuel reserve (per commission)			101,048.87	only if money left in budget	

Number of staff (full time & part time paid and any volunteers)

Seven full time employees, Superintendent and two seasonal employees to handle street and alley maintenance.

Funding and explain source

General fund revenues through sales and property tax. Please note that the chip seal project is paid with gas tax in Special Highway. In this budget we transfer additional money to assist with expenses for more streets if necessary.

Any actions taken to control costs or mitigate rising costs in the departments

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

The street department still has been seeing increases in material costs, but there has been a few items that have leveled off or decreased.

Examples:
Concrete: Was $198, Now $203
Gas: In 2025 was $2.36, Now $3.25
Diesel: In 2025 was $2.79, Now $4.27
Cold Patch: Was $115/ton, Now $113/ton
Poly patch: Was $1,185 a pallet, Now $1,131 a pallet
Crack Seal: Was $1,665 a pallet, Now $1665 a pallet
Paint: Was $100/5gal., Now $112/5gal.
Chip Oil: Was $2.81 a gal., Now $3.17
These items are just a few of the normal items that are purchased every year to complete jobs; however, these are some of the bigger purchases. Everything else stayed pretty even with some little increases and some decrease in pricing. Overall, I think that the budget we have should cover all the necessary needs for the community. I did add chip oil this year, because it did take a pretty good jump in price.

Majority of the equipment is in good shape have a few items that will need replaced in the future. These items are being used every year and helping the city to achieve project goals along with their everyday operations. The need for keeping good equipment is essential for being efficient along with keeping us from having down time for fixes.

2027 –Dept 13 AIRPORT FUND
GENERAL FUND SUMMARY

FUNCTION

This fund accounts for the expenses related to the maintenance of the airport facility (specifically the terminal and hangars for which the city is responsible) and the property taxes thereof.

OBJECTIVES FOR THIS BUDGET

- Because we receive revenue from the T-Hangars and other City hangars at the airport we are required to pay property taxes on hangars.
  $20,000 *Line item 11-13-2500 Property Taxes*
- Provide maintenance for the airport terminal building, T-Hangars and other hangars owned by the city.
  $5,000 *Line item 11-13-3030 Building Maintenance*
- Provide maintenance to airport equipment ie. Loader repairs, heater, air conditioning, etc.
  $8,000 *Line item 11-13-3060 Equipment Maintenance/Repair*
- Purchase additional equipment needed if beyond maintenance line items.
  $3,000 *Line item 11-13-4020 New Equipment*
- Provide maintenance for airport property.
  $4,000 *Line item 11-13-4050 Building and Land*
- Transfer of funds to Capital Improvement Reserve Fund.
  $5,000 Line item 11-13-7100 Transfer to CIRF

CIRF	Expected Cost	Balance Remaining	Current Balance	Transfer 2026	2027
Imp-EagleMed/Bank Hgr			2,500	5,000	3,500
Main terminal bldg.			0	000	1,500

Number of staff (full time & part time paid and any volunteers)

City contracts the services with Butterfly Aviation as the FBO.

Funding and explain source

Funded by office and land lease rent, sale of crops harvested on airport property, sales tax and the City is authorized to levy property taxes for improvements.

Any actions taken to control costs or mitigate rising costs in the departments

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

Rising cost of natural gas prices and property taxes.

Concern of the age and condition of the T-Hangars at the airport. At the current time we continue to have a waitlist of eligible renters.

The EagleMed hangar needs insulation and improvements. We need to keep this service in Goodland so we need to ensure hanger is adequate for business.

2027 – Dept 15 – PARKS
GENERAL FUND SUMMARY

FUNCTION

To acquire, develop, operate, and maintain our parks and outdoor environment which enriches the quality of life for residents and visitors alike, and preserves it for future generations.

OBJECTIVES FOR THIS BUDGET

- Provide salaries and overtime for two employees, superintendent and two seasonal employees responsible for the care and maintenance of our parks and right-of-ways.
  $167,112 *Line item 11-15-1010-1060*
- Continuing budgeting amounts for utilities/repairs/maintenance to buildings, equipment, landscaping, infrastructure and vehicles. Amounts may differ in each category depending on the year, but total is not exceeded.
  $3,300 *Line item 11-15-2100 Other Utilities*
  $5,000 *Line item 11-15-3040 Chemicals*
  $5,000 *Line item 11-15-3060 Equipment Maintenance*
  $7,000 *Line item 11-15-3070 Gas/Oil*
  $6,000 *Line item 11-15-3120 Operating Supplies*
- Transfer of funds to Capital Improvement Reserve Fund.
  $000 *Line item 11-15-7100 Transfer to CIRF*

2 Zero Turn Mowers	25,000 each		12,532.86	5,500	5,500
IT Backbone	Share all Depts			1,000	1,000

Number of staff (full time & part time paid and any volunteers)

Two full time employees, Superintendent and two seasonal employees.

Funding and explain source

General fund revenues including sales and property taxes

Any actions taken to control costs or mitigate rising costs in the departments

We have installed LED lighting to help cut electricity costs.

We watch costs to purchase supplies on sale. We also try to repair everything we can or construct/build parts when feasible to help save money.

Employees work hard to eliminate overtime costs.

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

The park equipment and vehicles are getting older and needing more maintenance.

Some park buildings are in need of painting and maintenance.

Continue facing 30-60% increase in costs with fertilizer, chemicals, equipment and fuel.

We have a lot of projects on the list utilizing money from Special Parks Fund, but we do not receive a lot of money in the fund a year.

Currently maintain 7 park areas (with Steever and Pioneer Park having 2 areas count toward 1 park). The 7 parks comprise a total of 26.49 acres. There are 5 sets of bathrooms, playgrounds in 5 parks, a dog park, frisbee golf course, skate park, tennis courts, pickleball courts, sand volleyball court and additional shelters in 6 of the 7 parks. This doesn't even count the walking trail.

In addition, parks staff maintains the grounds of city hall, arts center, immediate area next to airport terminal building, welcome center, historical museum, power plant that isn't part of Steever Park, inside the water park fence, area around basketball court next to West Elementary and police station/armory building property.

The walking trail is an asset to the community. However, the more projects the committee installs (even from grant money), requires more maintenance and expense on behalf of the city.

A list of vehicles/equipment is listed on next page:

2027 – Dept 17 –MUSEUM
GENERAL FUND SUMMARY

FUNCTION

The mission of the High Plains Museum is to promote, educate, and instill an appreciation of our Western Kansas High Plains heritage through the collection, preservation, exhibition, and educational interpretation of the objects, culture, and ideas representative of Goodland and Sherman County history.

OBJECTIVES FOR THIS BUDGET

- Provides salaries and overtime for Museum Director and three part time staff. In 2027 consideration for reorganization of staff.
  $83,000 *Line item 11-17-1010-1060 Salaries and Overtime*
- Insurance for artifacts.
  $6,000 *Line item 11-17-2060 Insurance*
- Natural gas charges for the museum.
  $5,000 *Line item 11-17-2100 Other Utilities*
- Professional Services for EAP, programming, fire extinguishers, computer subs/license renewal and alarm monitoring ($800 annually).
  $3,300 *Line item 11-17-2140 Professional Services*
- Building maintenance on the museum and school house.
  $2,000 *Line item 11-17-3030 Building Maintenance*
- Maintenance and updates on software and computer equipment. Updated new computer and laptop to be compatible with Windows 365 in 2024.
  $3,000 *Line item 11-17-3060 Equipment Maintenance*
- Cleaning and office supplies, gift store inventory, light bulbs, museum quality supplies (archival boxes, tissue paper, etc.) for general day to day operations.
  $5,500 *Line item 11-17-3120 Operating Supplies*
- Expenses for exhibits (traveling & in-house produced), summer camp supplies, speaker costs, hands-on exhibit components, film rights, costumes.
  $7,000 *Line item 11-17-3130 Education/Programming*
- Transfer of funds to Capital Improvement Reserve Fund.
  $10,000 *Line item 11-17-7100 Transfer to CIRF*

CIRF	**Expected Cost**	**Balance Remaining**	**Current Balance**	**Transfer 2026**	**2027**

- Transfer to Municipal Equipment Reserve Fund.
  $1,500 *Line item 11-17-7200 Transfer to MERF*

MERF	**Expected Cost**	**Balance Remaining**	**Current Balance**	**Transfer 2026**	**2027**
Exhibits			150	00	00
New Alarm System	6,500	4,000	2,500	1,000	1,000
It Backbone	Share all Dept.			500	500

Number of staff (full time & part time paid and any volunteers)
1 full time director and 3 part time employees.

Funding and explain source
General fund sales and property taxes.

Any actions taken to control costs or mitigate rising costs in the departments
If the work can be done by museum/city staff it is, reducing the cost of labor.

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.
One of the biggest challenges I see is that we really need another full time employee. The museum is open 5-6 days a week, and as a destination for a lot of interstate traffic it does need to be open when we say it will be. One full time person to ensure that the museum is always open is difficult, plus another full time person could help move the museum forward in ways part-time employees cannot. It is also becoming harder to find quality people willing to work part-time.

Another challenge will be finding traveling exhibits and creating new local exhibits that fit within the "education/programming" budget while also trying to bring interesting programs to the public.

Dept 19 - GENERAL CEMETERY FUND
FUNCTION

This is the Cemetery Fund setup and budgeted in the City 's General Fund where expenses are dedicated to general maintenance and care of the Goodland Cemetery. Items listed below reflect the BUDGET amount for 2027. Please keep in mind, when we work on the 2027 budget, 2026 line items are REVISED in the budget to reflect the best estimate of actual expenses for 2026, (so amounts **may** change).

OBJECTIVES FOR THIS BUDGET

- Expenses for natural gas bill to Black Hills Energy.
  $2,500 *Line item 11-19-2100 Other Utilities*
- Expenses for printing information or advertising in paper.
  $100 *Line item 11-19-2130 Printing/Advertising*
- Contracted position for cemetery operations/maintenance Contract and other contractual services as needed. (In the past, updates to Kiosk were expensed in this line item.
  $51,336 *Line item 11-19-2140 Professional Services*
  Maintenance Contract $50,836, Other Contractual Services $500
- Building and Maintenance expenses in cemetery (chapel or shop).
  $2,000 *Line item 11-19-3030 Building/Maintenance Repair*
- Chemicals for weed and stickers in cemetery.
  $2,500 *Line item 11-19-3040 Chemicals*
- Expenses for operating supplies in the cemetery (hoses, flowers, etc.)
  $1,000 *Line item 11-19-3120 Operating Supplies*
- Transfer of funds - Expenses for these line items reflect capital expenditures paid from the cemetery general fund that require savings over multiple years to complete funding for project (CIRF) or equipment (MERF). The projects or equipment are approved by the commission annually as these are part of the general fund and directly affect property taxes and city mill levy. The financial information below lists amount approved by commission for the project or equipment in recent years. Fund transfers are made quarterly
  $ 1,500 *Line item 11-19-7100 Transfer to CIRF*

CIRF	**Expected Cost**	**Balance Remaining**	**Current Balance**	**Transfer 2026**	**2027**
Main of Bldgs			0	00	1,500

$500 *Line item 11-19-7200 Transfer to MERF*

MERF	**Expected Cost**	**Balance Remaining**	**Current Balance**	**Transfer 2026**	**2027**
IT Backbone (WIFI)	Share all Dept.			500	500

Number of staff (full time & part time paid and any volunteers)

Services for cemetery maintenance are under contract with Joni Guyer. Current contract amount of $50,836 was approved effective March 1, 2026. Budget for

2026 includes two months at the former contract amount and ten months at current contract amount, as renewed contract started **March 1, 2026**.

Funding and explain source

General fund property taxes, sales taxes and the County pays annually an amount for services, which has been around $33,000, but it fluctuates based on value of county mill.

Any actions taken to control costs or mitigate rising costs in the departments

City staff assists Joni with projects in cemetery to avoid additional labor costs.

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

Building maintenance expenses continue to escalate on old buildings. The chapel was vandalized in late 2022 and repaired in 2023, but the roof is still in need of repair. Only minor repairs have been made to other buildings. Roof on maintenance shed is leaking, made minor repairs, but still see leaks.

Chemical expenses to keep stickers and weeds under control continue to escalate. To cover the chemical expense, the costs are paid both from here and cemetery improvement fund.

The city is limited on remaining spaces available and needs to purchase additional land. In the 2024 budget, Commission started the transfer from the cemetery improvement fund.

Dept 05 - CEMETERY IMPROVEMENT FUND
FUNCTION

Funds in the cemetery improvement fund are dedicated for improvements in the cemetery. As noted above, when we work on the 2027 budget, 2026 line items may be REVISED to reflect the best estimate of actual expenses for 2026, (so amounts **may** change).

Funding and explain source

Revenue for this fund comes are sales of ossuarium niches, cemetery lots and burial permits. Periodically citizens will donate money towards trees which is also deposited in this fund. Interest revenue is from five CD's the cemetery board invested in the 1990's, of which interest is paid bi-annually. In addition, remaining cemetery funds are invested in 90-day CD's, similar to remaining city monies. All interest from cemetery monies are revenue deposits to this fund.

Expenses are those beyond general maintenance from the General Fund Cemetery Fund and pertain to improvements to the cemetery, such as trees, fence, building, grass, etc. Expenditures are budgeted in the fund with the possibility that some of the long-term CD's may need to be drawn against. For example, the fence fund line item is a CD for fence improvements. If we determine we are not expending money on the fence, the balance in the line item will be revised during following year budget process and monies roll forward as cash balance. The cemetery board has a list of capital improvements they have been discussing. All improvements require approval of the city manager or the city commission, as the cemetery board serves as an advisory board.

OBJECTIVES FOR THIS BUDGET

- Expenses for professional services other than contract for cemetery care.
  $1,000 *Line item 05-01-2140 Professional Services*
- Operating expenses not covered in the general fund (additional flowers, etc.)
  $150 *Line item 05-01-3120 Operating Supplies*
- Expenses are for building and land in the cemetery.
  $36,500 *Line item 05-01-4050 Building and Land*
  Buffalo Grass $1,500, Herbicide $6,000, Fence & bldg. imp. $14,000, Quarterly transfer to CIRF(reserve fund) to purchase additional cemetery land $15,000. The following represents cemetery funding in reserve fund.

CIRF	**Expected Cost**	**Balance Remaining**	**Current Balance**	**Transfer 2026**	**2027**
Cemetery Land	150,000	102,500	47,500	15,000	15,000
VFW Aux Cem Markers			300.26		

- Expenses for trees – a portion of this is one of the long-term CD's budgeted in case need to cash in CD.
  $2,000 *Line item 05-01-4200 Tree Fund*
- Expenses for fence - balance is a CD at the bank where interest is capitalized. If expense is paid we may need to cash in CD.
  $36,800 *Line item 05-01-4300 Fence Fund*

<u>Capital Projects from Cemetery Board for Strategic Planning</u>

Less than 1 year

- Replace railing behind chapel
- Remove dead trees/grind stumps
- Plant new trees (done on annual basis)
- Establish grass on bare graves (continue on annual basis)
- Paint fencing across front of cemetery
- Replace Flagpoles for "flag row" – Joni looking into grant
- Basic maintenance repairs to chapel
- Memorial/flower bed for Unknown soldiers – 2026 complete.

Intermediate (1-5 years)

- Repairs to shop
- Urn Table and/or Lectern to Match Ossuaruim
- Temporary Marker Replacements for Baby Section
- Repair Culverts

LONG TERM PROJECTS (FIVE OR MORE YEARS)

- Cemetery Expansion/Land Acquisition
- Upgrade Kiosk
- Map Water System to include shutoff valves

2027 - Dept 21- ECONOMIC DEVELOPMENT
GENERAL FUND SUMMARY

FUNCTION

City share dedicated to Sherman County Community Development per inter-local agreement with Sherman County. Minor expenses for the Welcome Center building maintenance on Highway 24 are accounted for as well.

OBJECTIVES FOR THIS BUDGET

- Continue providing funding with Sherman County to SCCD.
  $92,880 *Line item 11-21-2140 Professional Services*
  SCCD $90,000, Pest Control $180, Other Professional $2,700
- Remaining expenses are for building maintenance, other professional services and utilities.
- Transfer of funds to Capital Improvement Reserve Fund.
  $000 *Line item 11-21-7100 Transfer to CIRF*

CIRF	Expected Cost	Balance Remaining	Current Balance	Transfer 2026	2027
ED Signs(using for Industrial Park sign)			000	00	00
Santa School House			263.03	00	00
Topside Trail Pioneer Park (committee)			10,062.35	00	00
Main St. Planters (fund also @ SCCF)			8,895.52	00	00
Sale lots-Rodriguez			29,500		

Number of staff (full time & part time paid and any volunteers)

Services are by contract with SCCD.

Funding and explain source

General fund property taxes, sales taxes and other general fund revenues.

Any actions taken to control costs or mitigate rising costs in the departments

Economic development and incentives come at a cost. Finding affordable incentives that benefit all interests has been difficult. A committee from SCCD is currently working on affordable incentives.

The city was awarded the BASE grant which was a joint effort of the City, SCCD and NWKTC for streets, water and sewer in the Industrial Park. Currently working on EDA grant for project to extend electricity/power to Industrial Park in coordination with grain mill/ commercial bakery that will be constructed and operated by 2028. This will also provide an additional utility for businesses wanting to locate in Goodland in the remaining spaces at the Industrial Park.

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

Increase in businesses relocating to rural locations because of remote operations.

Addressing current issues for the community, such as housing, will come at a cost. SCCD and the City are working together to incorporate programs that will work for our community and the requests we are receiving.

The building on Highway 24 is aging and additional maintenance may be needed.

2027 Dept 23 – RECREATION
GENERAL FUND SUMMARY

FUNCTION

Expenses for operations and maintenance of baseball/softball complex in agreement with Goodland Activities Center management are accounted for in this department fund. Majority of expenses is directed to GAC in professional services line item.

OBJECTIVES FOR THIS BUDGET

- Provide funds for professional services of the GAC per contract, fire extinguisher maintenance and pest control.
  $53,400 *Line item 11-23-2140 Professional Services*
- Continue budgeting small amounts for building maintenance, equipment maintenance, operating supplies and field crew expenses.
- Transfer to Capital Improvement Reserve Fund
  $2,000 *Line items 11-23-7100 Transfer to CIRF*

CIRF	**Expected Cost**	**Balance Remaining**	**Current Balance**	**Transfer 2026**	**2027**

Rep Tractor w/ scoop	40,000	5,290.99	34,709.01	00	000

Number of staff (full time & part time paid and any volunteers)

City parks staff provide some maintenance at softball and baseball complex.

Funding and explain source

General fund revenue from property, sales taxes and other gen fund revenues.

Any actions taken to control costs or mitigate rising costs in the departments

We continue to install LED lighting to help cut electricity costs.
We are updating electrical out at the complexes.
We watch costs to purchase supplies on sale. We also try to repair everything we can or construct/build parts when feasible to help save money.
Added security cameras – vandalism and graffiti occurring.

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

Will need to replace big net over playground equipment in the next couple years.
Buildings at softball fields and baseball field will both need roof repairs and other maintenance in near future.
Setting aside enough funds for tennis courts.

2027 Dept 25 – STEEVER WATER PARK
GENERAL FUND SUMMARY

FUNCTION

Expenses for operations and maintenance of Steever Water Park are accounted for in this department fund.

OBJECTIVES FOR THIS BUDGET

- Provide salaries for the pool manager, assistant manager, lifeguards and concession workers.
  $94,000 *Line item 11-25-1010 Salaries*
- Insurance costs for structures around the pool area.
  $8,000 *Line item 11-25-2060 Insurance*
- Continue budgeting small amounts for building and equipment maintenance for the pool.
  $10,000 *Line items 11-25-3030/3060 Building and Equipment Maintenance*
- Daily operating and cleaning supplies for the pool.
  $4,000 *Line item 11-25-3120 Operating Supplies*
- Supplies needed to operate and sell concessions at the pool.
  $8,000 *Line item 11-25-3130 Concession Supplies*
- Supplies and equipment maintenance for larger items needed to run the pool on a daily basis.
  $12,000 *Line item 11-25-3150 Water Park Supplies/Maintenance*
- Transfers to Capital Improvement Reserve Fund.
  $8,000 *Line item 11-25-7100 Transfer to CIRF*

CIRF	Expected Cost	Balance Remaining	Current Balance	Transfer 2026	2027

IT Backbone	Share all Depts			500	500

- Staff may request project to restore/repair slides – gelcoat resurfacing – between 2026 and 2027 pool seasons.

Number of staff (full time & part time paid and any volunteers)

City staff depends on availability of seasonal employees. With the pool and slide pool, there are numerous stations that require coverage at all times, in addition to concession and front desk workers. Staff numbers average thirty employees.

Funding and explain source
General fund from admission fees, concession sales, property taxes, sales taxes and other general fund revenues.

Any actions taken to control costs or mitigate rising costs in the departments
City crews assist in maintenance at the pools when possible to assist with labor and maintenance costs. The street, water and park departments work together to find and fix leaks, and replace concrete at the pool after deficiencies are addressed. Staff has also been reviewing expenses to determine items that can be purchased more efficiently in bulk. A new policy has also been discussed to ensure purchasing at Walmart is responsible and organized with fewer trips to keep costs down.

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.
Wage of staff at the pool is low because they are seasonal employees. It is getting hard to hire staff.

Admission costs to the pool were adjusted slightly in 2025. They remain very low compared to other pools.

We received pump impellers replaced spring 2024. These are high dollar items and delivery longer than anticipated. We pulled the slide pump to inspect the impeller, the impeller is in good shape and should last for 2-3 more seasons. The new filter baskets and seals are here and already installed.

Have concerns putting chemicals in the balance tank instead of directly in the water at end of day. Putting chemicals directly in the balance tank is a strong concentration of chemicals in the tank that damages components and filters.

The pool is over twenty years old and we are seeing maintenance issues. We have had a number of leaks over the last few years, it is very costly due to the hours looking for leaks, tearing out concrete and replacing it. Is it cost effective to keep putting money into an aging facility, should we look into updating the facility or look for funding for a new facility?

2027 ELECTRIC PRODUCTION FUND
SUMMARY

FUNCTION

The City's power plant is manned Monday – Friday from 7 A.M. to 4 P.M. by five employees. The City of Goodland owns and operates its own electric utility. This enables the City to generate electricity for the entire City if the need arises. Under normal conditions the City purchases electric power from outside sources. However, with the ability to generate its own power the City maintains the ability to provide electric power to our citizens when supply is not available or when cost of production is more advantageous than purchasing power.

OBJECTIVES FOR THIS BUDGET

- Improve the reliability and maintain the capacity of the power plant
- Provide the salaries and benefits for five employees and ½ Director of Electric Utilities with the power plant production. (One vacancy eliminated in 2023, as no longer needed.)
  $509,107 *Line item 15-40-1010-1060 Salaries, OASI, Retirement, Insurance and Overtime*
- Provide funds for power purchased through our current power contract effective 01/01/2027 with KMEA. If do not expend line item, transfer excess to Electric Reserve. With new KMEA contract, want to ensure we are covered with expense.
  $3,400,000 *Line item 15-40-2120 Power Purchased*
- Provide funds for maintenance and repair to engines, computer and other equipment in the plant, which are large cost items.
  $80,000 *Line item 15-40-3060 Equipment Maintenance/Repair*
- Funds for oil for the engines at the plant.
  $15,000 *Line item 15-40-3090 Lubricating Oil*
- Provide funds for office supplies, computer paper, cleaning supplies, bolts, gaskets, etc. for the power plant.
  $9,000 *Line item 15-40-3120 Operating Supplies*
- *Line item 15-40-4020 New Equipment.*
- Transfer of funds to Capital Improvement Reserve Fund.
  $8,000 *Line item 15-40-7100 Transfer to CIRF*

CIRF	**Expected Cost**	**Balance Remaining**	**Current Balance**	**Transfer 2026**	**2027**

- Transfer to Electric Reserve Fund.
  $25,000 *Line item 15-40-7300 Transfer to Electric Reserve*

Number of staff (full time & part time paid and any volunteers)

There are five employees and ½ the Director of Electric Utilities in the power plant. During summers 2021, 2022 and 2023 we have been asked to assist with an intern apprentice.

Funding and explain source
Electric fund is a fee for service through electric sales, penalties, connections, and other items accounted for separately.

Any actions taken to control costs or mitigate rising costs in the departments
We are monitoring costs of supplies need to maintain power plant operations. Increasing costs of gas has warranted us to reconsider frequency of maintenance runs on engines at the plant.

Continue changing lights to LED to save on energy costs.

With increased costs the plant will have to consider maintenance mode more often than new projects to keep costs down. The plant is an asset to the city that provides a good negotiating tool.

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.
The Mill/Bakery and the added load and capacity needs will be our biggest concern in the next couple of years.

The rising costs and ability to get machine parts for our older generators will be a huge concern.

Being able to maintain trained staff, competing with wage increases in the private sector

After KMEA 101, consideration of an Electric Master Plan. In process of pursuing the South Loop project with the request of additional businesses using power. Also need to look at Diesel CAT units for capacity.

List of Vehicles/Equipment for Electric Distribution and Production are below:

Year	Make	Model	Miles/Hrs.	Condition
2019	TOYOTA	8FGU30 FORKLIFT	184 hours	GOOD

2027 ELECTRIC DISTRIBUTION FUND
SUMMARY

FUNCTION

The Electric Distribution division employs six employees and ½ Electric Superintendent. Primary responsibility of the Distribution System is to maintain existing lines and equipment in good working condition. Maintenance programs have been established to clean traffic lights, checking pole line hardware, keeping street light working and maintaining OSHA clearances of trees in and around City power lines and secondary services and other duties.

OBJECTIVES FOR THIS BUDGET

- Improve the reliability and maintain the power distribution and service lines throughout the City of Goodland's service area.
- Provide the salaries and benefits for six employees and ½ Electric Superintendent associated with electric distribution.
  $710,827 *Line item 15-42-1010-1060 Salaries, OASI, Retirement, Insurance and Overtime*
- Set aside funds for bulk gas fuel purchases for the City
  $47,000. *Line item 15-42-2020 Bulk Fuel Purchases*
- Set aside funds for the property, vehicle, liability and casualty insurance for electric.
  $140,000 *Line item 15-42-2060 Insurance*
- Provide funds for professional services such as random testing, annual testing of our equipment, etc. Increase in 2027 is for Master Plan of distribution system.
  $30,000 *Line item 15-42-2140 Professional Services*
- Funds to purchase bulbs and fixtures.
  $12,000 *Line item 15-42-3010 Lighting Supplies*
- Provide funding for poles, wire, and related hardware to construct power lines.
  $180,000 *Line item 15-42-3050 Construction Materials/Supplies*
- Funds for maintenance and repairs on equipment.
  $50,000 *Line item 15-42-3060 Equipment Maintenance/Supplies*
- Provide funds for gas and diesel for department equipment.
  $12,000 *Line item 15-42-3070 Gasoline/Oil*
- Continue replacing old meters.
  $15,000 *Line item 15-42-4020 New Equipment*
- Transfer of funds to Capital Improvement Reserve Fund.
  $175,000 *Line item 15-42-7100 Transfer to CIRF*

Number of staff (full time & part time paid and any volunteers)

There are six employees and ½ the Director of Electric Utilities in electric distribution.

Funding and explain source

Electric fund is a fee for service through electric sales, penalties, connections, and other items accounted for separately.

Any actions taken to control costs or mitigate rising costs in the departments

We are currently looking at ways to control supply chain issues. Whether it be through cooperation through other municipalities or Co-ops. We have been in conversations about becoming a member of a KMEA member utility warehouse. Current delivery for bucket trucks is two years. The cost of the trucks has also been affected by inflation.

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

It is tough to manage the budget through these tough times. Maintaining our infrastructure will be most important. With costs and supply chain issues, any future growth will have to be planned out. The days of getting material in 2 weeks are in the past. We are currently looking at months and years.

Ordering new equipment is an issue. Vendors are quoting trucks with delivery up to two years. Each year the cost rises so we will have to look at our budget and determine if the amount we budgeted for in the past will even come close to purchasing the units in the future. We increased to $300,000 for the Digger Truck and $325,000 for unit 20. The smaller service truck increased to $230,000.

Maintaining our current trained staff will be key.

We need to have an electric master plan completed of the system. Last year commission approved participating in the large-scale solar project for 2 MW. In the plan we need to assess the benefit of purchasing diesel CAT units to assist with our future capacity.

2027 ELECTRIC COMMERCIAL AND GENERAL FUND SUMMARY

FUNCTION

Expenses for the services in finance, utility billing, human resources/payroll and customer service to support all city departments and citizens of Goodland. The City Clerk oversees employees servicing this department.

OBJECTIVES FOR THIS BUDGET

- Provide the payroll, overtime, taxes and benefits for Office Clerk, Human Resources/Payroll Clerk/Treasurer, Accounts Payable/Receivable Clerk, Utility Billing/Deputy City Clerk and ¼ of the IT position.
  $370,569 *Line item 15-44-1010-1060 Salaries, OASI, Retirement, Insurance and Overtime*
- Provide funding for share of a portion of the liability, property, casualty and auto insurance expenses.
  $25,000 *Line item 15-44-2060 Insurance*
- Provide funding for professional service supporting the department such as software systems support (Itron meter reading, Tantalus electronic metering and Financial software), collection expenses, share of audit fees, Folder/Postage machines, credit card fees, share of IMA fees, share of Consortium Services and IT subscriptions/licenses.
  $95,000 *Line item 15-44-2140 Professional Services*
  IMA $1,400, Postal Sub. $1,450, KMEA/Tantalus $20,000, Financial Software $45,000, Midwest Connect $5,000, Itron $10,000, M-files $3,000, credit card transactions $1,500, collections $2,500, Consortium $150, Audit $5,000
- Provide telephone and internet to offices.
  $3,000 *Line item 15-44-2180 Telephone*
- Interest expense for deposits applied to customer utility bills. Prior to December 2024, process was manual, applying as credit to customer account. Now electronic process and system recognizes expense.
  $7,500 *Line Item 15-44-2350 Interest Expense*
- Maintenance to equipment in office.
  $4,000 *Line item 15-44-3060 Equipment Maintenance*
- Provide operating supplies for offices of the city.
  $10,000 *Line item 15-44-3120 Operating Supplies*
- Provide postage services for the postage machine in City office and the postage permit for bulk mailing. Changing that the customer pays fees for electronic transactions has resulted in citizens requesting bills be mailed.
  $15,000 *Line item 15-44-3130 Postage*
- Transfer of funds to Capital Improvement Reserve Fund
  $00 *Line item 15-44-7100 Transfer to CIRF*

CIRF	Expected Cost	Balance Remaining	Current Balance	Transfer 2026	2027
Homeserv Ins Rebate			6,252.27	00	00
SAFE Program (JR Commission)			1,964.94	00	00

- Transfer of Funds to Municipal Equipment Reserve Fund
  $8,500 total *Line item 15-44-7200 Transfer to MERF*

MERF	Expected Cost	Balance Remaining	Current Balance	Transfer 2026	2027
Upgr Comp	Ongoing		2,147.43	2,000	2,000
Upd Christ Dec	Ongoing		27,169.72	10,000	5,000
IT Backbone	Share all Depts			1,500	1,500

Number of staff (full time & part time paid and any volunteers)

Department employees are the Utility Billing/Deputy City Clerk, HR/Payroll/Treasurer, AP/AR Clerk, Office/Front desk Clerk and ¼ IT Director.

Funding and explain source

Electric fund is a fee for service through electric sales, penalties, connections, and other items accounted for separately. When permitted in other budgets, transfers from water, sewer and health and sanitation are budgeted to pay share of services.

Any actions taken to control costs or mitigate rising costs in the departments

Beginning May 1, 2026, commission changed policy so customers pay fees for electronic transactions instead of the city absorbing the fees. The city is still responsible for fees when customers update cards or insufficient items (which we in turn charge the customer). Traffic at the front desk has picked up with this transition but we continue to promote use of Front Desk services where customers have bill information and the bills are emailed. However, many customers have switched back to their bill being mailed despite the delay with mail service delivering their bill. This has increased postage costs. We are hoping this will change with the transition to Edmunds at the end of the year.

In 2023 utility information on Tantalus is housed on server at KMEA. All fees for service are divided among utilities utilizing KMEA. As more cities provide the service, fees decrease as cost is spread among more cities.

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

We are beginning transition to Edmonds Gov. We were able to get Parks and Rec running for the pool. The finance is scheduled for October and Utility Billing is December, unless they determine their schedule changes and we can be moved up in line.

With transition to Edmonds, we will have the ability to submit ACH files to the bank for customer payments at no charge, like the city previously did with utilities. We plan to offer this service two to three times a month to help customers because the 15th does not work for everyone.

With the state of the economy, it is getting more difficult for people to pay their utility bills. We work with them to get back on track but it is difficult for some customers with all costs rising.

We are hoping with services being moved to Edmunds we will be able to cross train all employees for the office.

K.S.A. 12-825d authorizes surplus funds derived from the sale and consumption of electricity may be transferred to a reserve fund for future maintenance and operation of the electric utility and for the construction of improvements and expansion thereto. Resolution No. 1171 authorizes the fund per K.S.A. 12-825d. Expenditures in this fund are not subject to budget law.

2027 WATER ENTERPRISE FUND
FUND 21/40 PRODUCTION AND 21/42 DISTRIBUTION SUMMARY

FUNCTION

Provide clean, safe drinking water for the use and benefit of the citizens of Goodland and maintain sufficient flow and availability of water for fire protection.

OBJECTIVES FOR THIS BUDGET

- Improve the reliability and maintain the capacity of the production and distribution systems.
- Continue to work with the fire department on a continuing program of flushing fire hydrants and exercising valves as part of system maintenance.
- Continue to develop a program to limit and account for water loss.
- Continue to budget adequate funding for the replacement of media at the water treatment plant.

PRODUCTION

- Provide the salaries and benefits for half Superintendent of water and sewer utilities and ¼ of the IT Director. Superintendent is now paid ½ water and ½ sewer. Previous budgets were entirely water.
  $87,427 *Line item 21-40-1010-1060 Salaries, OASI, Retirement, Insurance and Overtime*
- Provide funding for liability, casualty, vehicle and property insurance for water production.
  $15,000 *Line item 21-40-2060 Insurance*
- Provide professional services on the wells, IT subscriptions/licenses, and water lines.
  $40,000 *Line item 21-40-2140 Professional Services*
- Provide funds for chlorine and salt for use at the treatment plant.
  $50,000 *Line item 21-40-3040 Chemicals*
- Provide funds for maintenance and repairs on the wells and towers.
  $40,000 *Line item 21-40-3060 Equipment Maintenance/Repair*
- Transfer of funds to Capital Improvement Reserve Fund.

DISTRIBUTION

- Provide the salaries and benefits for three employees of the water utility system and one seasonal employee.
  $232,798 *Line item 21-42-1010-1060 Salaries, OASI, Retirement, Insurance and Overtime*
- Provide funding for liability, casualty, vehicle and property insurance for water distribution.
  $14,000 *Line item 21-42-2060 Insurance*
- Provide professional services on the contracts and maintenance of water towers. The tower maintenance contract has been paid every other year. Next maintenance payment due 2027.
  $45,000 *Line item 21-42-2140 Professional Services*
- Purchase materials and supplies to construct and repair water lines and towers through City.
  $62,000 *Line item 21-42-3050 Construction Materials/Supplies*
- Funds to purchase meters to replace old, outdated and non-radio read meters.
  $24,000 *Line item 21-42-4020 New Equipment*
- Transfer of funds to Capital Improvement Reserve Fund.
  $369,238 *Line item 21-42-7100 Transfer to CIRF*

  $50,000 *Line item 21-42-7310 Transfer to Water Reserve*

Number of staff (full time & part time paid and any volunteers)

We have three full time employees and half the water/sewer utility supervisor that share the water production and distribution systems. The fund also pays for ¼ of the IT Director's salary and benefits.

Funding and explain source

Water fund is a fee for service through water sales, penalties, connections, water taps, and other items accounted for separately.

Any actions taken to control costs or mitigate rising costs in the departments

Water rates were recently reviewed with a slight increase. Rates need to be reviewed annually.

Continue maintenance on equipment. Equipment is aged.

<u>What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.</u>

We have been doing maintenance to the stand pipe, North tower and the power plant tower to stay in compliance with KDHE. We continue working with Viking to get a plan in place. Work is complete on the power plant tower except for the sand blasting and painting. We are working on getting bids for the painting on the south tower, inside and out. It has not had any maintenance on it besides inspections since it was new in 1999.

Training of staff for certifications required to meet State requirements.

Crew is still fairly new to the system and training is required to get familiar with the water systems.

Purchase well rights near City limits or build new well sites, then resize raw water lines for water well expansion.

We are currently working on a plan to replace the media at the water treatment plant.

The 8th street project is almost complete.

Rehab current wells on a continual basis. Wells are old and need regular maintenance.

Expanding water lines for community growth and a waterline project for updates to our infrastructure. We are currently working on a in house water project to replace an old dead end 2" steel water main.

New EPA Lead and Copper regulations require additional sampling beginning in 2025. In addition, they require replacement of 3% percent of your water lines that are lead annually. The city is fortunate not to have any lead lines in our system. However, we do have some smaller lines around the city that need replaced due to age.

Develop and maintain a backflow/cross-connection control program to comply with State regulations.

Get a plan in place to insert valves in the system to prevent shutting down a larger area than needed when working on water lines.

We need to complete a water master plan of the system to assist with future projects and priorities.

Working on replacing remaining water meters to radio read. ERT and meter pricing has risen in the last couple of years.

Prices for chemicals to treat the water continue to rise.

K.S.A. 12-825d and City Resolution No. 1172 authorizes the City to establish a Reserve Fund for the Water Utility Fund which shall be used by the City to finance improvements set forth in the City's Improvement Plan for the Water Utility Fund. Funds are budgeted in the Water Utility fund to be transferred into this fund. Expenditures in this fund are not subject to budget laws.

2027 SEWER ENTERPRISE FUND
FUND 23/41 TREATMENT AND 23/43 COLLECTION - SUMMARY

FUNCTION

Provide sanitary sewer services for the health and safety of the citizens of the sewer system in Goodland. It is split into Treatment (41), Collection (43) AND Miscellaneous/transfers & Reserves.

OBJECTIVES FOR THIS BUDGET

REVENUES

- The current rate schedule for residential sewer service within the City is a base charge in the amount of $15.20 per month. Beginning January 1, 2020 and continuing each year thereafter, the base charge for residential and nonresidential contributors shall increase by $0.20 annually. For nonresidential customers, the base charge per month is $9.20. In addition, each contributor shall pay a usage rate for operation and maintenance including replacement and reserve of $1.75 per 100 cubic feet of water used each month. To balance the 2027 budget, we added an increase of $1.00 to the base rate for ALL customers beginning January 1, 2027.
  $515,000 *Line item 23-00-0567 Sales & Service Collection*

EXPENDITURES: TREATMENT

- Provide the salaries and benefits for the one employee and half of the water/sewer supervisor of the sewer treatment, ¼ of the IT Director and one seasonal employee.
  $165,094 *Line item 23-41-1010-1060 Salaries, OASI, Retirement, Insurance and Overtime*
- Provide funding for liability, casualty, vehicle and property insurance for sewer treatment.
  $13,500 *Line item 23-41-2060 Insurance*
- Funds to test sludge and effluent quarterly.
  $3,000 *Line item 2070 Lab Fees/Tests*
- Funds for professional services such as surveys, soil testing, IMA, pest control and IT license renewal.
  $4,800 *Line item 23-41-2140* Professional Services
- Provide funding for degreaser, weed control and lab chemicals.
  $8,000 *Line item 23-41-3040 Chemicals*
- Funding for equipment maintenance such as pumps, motors, clarifier, tractor, mowers, grinders, lab equipment, bar screen, pista-grip, blowers, honey wagon, backhoe, drop tubes and diffuser.
  $25,000 *Line item 23-41-3060 Equipment Maintenance/Repair*
- Provide funding for gas, diesel and oil at the sewer plant.
  $3,000 *Line item 23-41-3070 Gasoline/Oil*
- Funding for lab equipment, office supplies, etc.
  $2,500 *Line item 23-41-3120 Operating Supplies*
- Funding to camera sewer lines for maintenance and clean head-works.
  $45,000 *Line Item 23-41-4050 Building & Land*

Camera sewer lines $25,000, clean head-works $20,000

- Transfer of funds to Municipal Equipment Reserve Fund.
  $6,000 *Line item 23-41-7200 Transfer to MERF*

MERF	**Expected Cost**	**Balance Remaining**	**Current Balance**	**Transfer 2026**	**2027**

EXPENDITURES: COLLECTION

- Provide the salaries and benefits for the one employee of the sewer collection.
  $70,813 *Line item 23-43-1010-1060 Salaries, OASI, Retirement, Insurance and Overtime*
- Provide funding for liability, casualty, vehicle and property insurance for sewer collection.
  $13,500 *Line item 23-43-2060 Insurance*
- Provide funding to purchase materials used to construct and repair sewer mains.
  $6,000 *Line item 23-43-3050 Construction Materials/Supplies*
- Funding to repair manholes, manhole covers, lift-stations, pumps, packing, lift-station controls, motors, rodding machine.
  $24,500 *Line item 23-43-3060 Equipment Maintenance/Repair*
- Funding to repair broken or leaking sewer lines that cannot be done by slip-lining the pipe and have to be excavated to repair. In 2024, added to CIRF Transfer for recommendations from camera inspection.
  $00 *Line item 23-43-4050 Building & Land*
- Funding for additional maintenance on sewer lines and lift-stations.
  $000 *Line item 23-43-4070 Capital Maintenance*
- Transfer to Capital Improvement Reserve Fund.
  $50,000 *Line item 23-43-7100 Transfer to CIRF*

Shoring/Tools	5,000	151.78	4,848.22	00	00

<u>Number of staff (full time & part time paid and any volunteers)</u>

There are two employees and half the water/sewer supervisor for the sewer utility. The fund also pays for ¼ of the IT Director's salary and benefits.

<u>Funding and explain source</u>

Sewer fund is a fee for service based on residential or nonresidential charges, sewer taps, penalties and other items.

Any actions taken to control costs or mitigate rising costs in the departments

Continue maintenance on equipment and facilities to keep large expenditures to a minimum. Sewer has been neglected for a number of years which resulted in unanticipated expenditures beginning in 2022. We had a impeller failure on the pista grit, which is now back in operation

The sewer rate has a minimal increase built into the rate annually, but the rates need to be reviewed annually.

Sewer tap fees have not been reviewed in many years, the rate needs increased.

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

With employee turnover, current employees need to learn the system and get the system and sampling back on track. It will be a cost to catch up from past negligence. Everyone on the department has a good working knowledge of the waste water plant. One employee has a class I waste water operators license and will be taking his class II in May, which will put him in compliance for our system. Our staff has passed all quarterly samples for the last two years.

Getting the proper training and certifications for new staff at the wastewater treatment facility.

Maintenance on plant, lines and lift-stations has been minimal the last number of years and needs to get caught up and continue to maintain them.

Keeping up with the sewer line deficiencies in the system discovered after the camera and cleaning projects. We had a sewer lining project completed in 2023 and a lining and manhole project in 2025.

We are in need of additional improvements at the treatment plant such as VFD's for the blowers, DO probe and SCADA computer for the reaeration zone. I have reviewed costs and they continue to rise.

2027 HEALTH & SANITATION FUND
FUND 30 SUMMARY

FUNCTION

Provide trash and recycle services through a franchise agreement for the City of Goodland and its citizens.

OBJECTIVES FOR THIS BUDGET

- Continue to ensure funds from rate structure are adequate to pay for trash and recycle operations according to the franchise agreement. Current franchise agreement is with In the Can. The agreement was revised in 2022 where the City increased pay to In the Can to $18.00 per residential and $28.00 per commercial customer beginning March 1, 2023, based on customer count January and July 1 of each year. Beginning January 2023, any fuel adjustment due per contract for diesel costs are also charged to the customer.

Number of staff (full time & part time paid and any volunteers)

None – other than a portion of time for utility billing staff. Small transfer to general fund to cover these personnel expenses. Also covers town staffing during cleanup days in the spring and fall.

Funding and explain source

Fee for service that is included on the city's utility bill.

Any actions taken to control costs or mitigate rising costs in the departments

The agreement is in effect with final option to renew January 1, 2028.

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

The increase cost of diesel fuel, which as outlined in our contract, increases the fee paid for the franchise. Base price for diesel is $3.50. For every $.50 increase in the six-month average cost of diesel fuel, based on pump price at Frontier Ag Station in Sherman County, our fee increases $.25. If it is decreased below the $.50 increase, rates will return to contract prices.

Contractor asking for an increase in contract, while the City has the electric, water and sewer utility rates that need to be addressed.

Next franchise agreement with final option to renew January 1, 2028.

Per ordinance 1284, this fund is for the purpose of paying the City's share of social security, worker's compensation, unemployment insurance, health care costs, employee benefit plans, and employee retirement and pension programs for employees paid out of the City General Fund.

2027 Fund 45 – EMPLOYEE BENEFIT FUND SUMMARY

FUNCTION

Per ordinance 1284, this fund is for the purpose of paying the City's share of social security, worker's compensation, unemployment insurance, health care costs, employee benefit plans, and employee retirement and pension programs for employees paid out of the City General Fund.

OBJECTIVES FOR THIS BUDGET

- Collect / assign sufficient funds from ad valorem tax less amount for neighborhood revitalization plan to present a balanced budget.
  $759,918 *Line items 45-00-0101 Ad valorem tax*
- Collect remainders of taxes, fees and grant that apply
- Budget appropriate amount of health insurance estimated 8% increase
  $544,783 *Line items 45-01-1050*
- Workman's comp – We have been advised we will experience a 14 - 15% increase based on experience.
  $38,000 *Line item 45-01-2060 Remittance to Workman Comp*
- Remittance to Unemployment.
  $10,231 *Line item 45-01-5040 Remittance to Unemployment*
- Social Security
  $145,000 *Line item 45-01-5090 Remittance to Social Security*
- KPERS
  $179,000 *Line item 45-01-5110 Remittance to KPERS*

Number of staff (full time & part time paid and any volunteers)

Benefits are for staff identified in general fund, which include all employees outside utility funds.

Funding and explain source

Separate amount dedicated to ad valorem tax. Also have smaller amounts from vehicle taxes.

Any actions taken to control costs or mitigate rising costs in the departments

Directly related to number of personnel and state or federal requirements for work comp, unemployment, social security and KPERS. Not much room for adjustment.

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

Keeping pace without eliminating positions.

In February, 2016 the Commission voted to change to a partial self funded health insurance plan. City premiums include fixed costs that are paid to BCBS then a monthly expected claim amount that is transferred into the Self Insurance Fund from the individual funds, ie. Employee Benefits, Electric Utility, Water Utility, Sewer Utility and Economic Development. Revenues are the group's expected claims up to a maximum of $30,000 per plan.

2027 Fund 07 – SELF INSURANCE FUND SUMMARY

FUNCTION

In February, 2016 the City Commission voted to change health insurance to a partial self-funded insurance plan. City premiums include fixed costs that are paid to BCBS then a monthly expected claim amount that is transferred into the Self Insurance Fund from the individual funds, ie. Employee Benefits, Electric Utility, Water Utility, Sewer Utility and Economic Development. Revenues are the group's expected claims up to a maximum of $30,000 per plan.

OBJECTIVES FOR THIS BUDGET

- Collect / assign sufficient funds from transfers from Utility funds and the Employee Benefit fund to meet the set amount for self-insurance and present a balanced budget.
  $499,919 – current cash balance expected for fund
  $1,124,366 – expected total revenues plus unencumbered cash balance
- Payments toward stop-loss
  $625,000 – *Line item 07-01-5030*

Number of staff (full time & part time paid and any volunteers)

None for this fund.

Funding and explain source

Transfers into fund from utility funds and employee benefit fund.

Any actions taken to control costs or mitigate rising costs in the departments

Directly related to health insurance contract.

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

Maintaining stop loss if significant situations develop among health insurance group plan.

2027 Fund 09 – AIRPORT FUND AND
FUND 31 – AIRPORT IMPROVEMENT

FUNCTION:

09: AIRPORT FUND

K.S.A.3-113 authorizes the use of property taxes for improvements to the airport. The City utilizes this fund for local match on KDOT and FAA grants at the airport. The Commission may levy property tax in this fund as one source of revenue for improvements. Other revenue sources in the fund are T-Hangar rent, investment income and gas royalties from Lobo Gas. Expenditures in this fund are only transfers of local match money to fund 31 for grants.

31: AIRPORT_IMPROVEMENT

This is a non-budgeted fund used to account for the expenditures and reimbursements on airport projects awarded the City through KDOT aviation and FAA grants. Revenue sources in this fund are reimbursements from the State or FAA and a fund transfer from the 09_Airport Fund for local match of grant funds. All project expenditures are recorded in this account.

OBJECTIVES FOR AIRPORT BUDGET

- The City must ensure local funds are available in fund 09 when the City signs a grant agreement with KDOT aviation or the FAA. FAA grants are awarded at a 90/10 split for design and construction engineering, construction and close-out. KDOT grants are 90/10 split for construction and construction engineering. Design engineering is 100% local share.
- In FY24 and FY25, municipalities were awarded BIL allocation, in addition to annual funding allocation, to assist with projects. [During COVID until FAA grants awarded in FY24, the federal government funded FAA grants 100%. However, change orders approved for these grants may be subject to funding at the 95/5 or 90/10 funding level for amounts exceeding original grant award.]

Current & Upcoming Projects	Total Proj.	Fed. Share	Local Share
21 Rehab/Extend RW 5-23	3,310,225	3,294,784	15,441

26 Construct SRE Bldg FAA/BIL	304,444	274,000	30,444
27 Fuel Tanks	797,000	700,020	96,980

Number of staff (full time & part time paid and any volunteers)

The City has a Fixed Base Operator Contract with Butterfly Aviation for the Airport. The airport board is active in moving forward with projects to improve the airport.

Any actions taken to control costs or mitigate rising costs in the departments

It is a balancing act to pursue projects reasonable for an airport of our size, yet maintaining the edge to be attractive to pilots.

What they see as their biggest challenges over the next 3 to 5 years within their department to include facilities, equipment, staff, costs, lost funding etc.

We continue to have citizens request hangar space and the T-Hangars are full. The waiting list continues for the citizens needing space for airplanes.

Cost to rent T-Hangars is $150 per month, very minimal cost for an airplane.

We continue to receive requests to lease land for hangars. The space for such hangars is minimal as it needs to align with access to the taxiways and runways.

K.S.A. 60-4101 et seq.
Revenues for this fund are received through drug forfeitures, vehicle impounded from seizures, and proceeds from hosting regional training classes. Expenditures must be used for law enforcement purposes only and appropriated to the police department by the governing body. **Specifically** K.S.A. 60-4117 B(d)(2) that states, "If the law enforcement agency is a city or county agency, the entire amount shall be deposited in such city or county treasury and credited to a special law enforcement trust fund. Each agency shall compile and submit annually a special law enforcement trust fund report to the entity which has budgetary authority over such agency and such report shall specify, for such period, the type and approximate value of the forfeited property received, the amount of any forfeiture proceeds received, and how any of those proceeds were expended."

2024 Legislature put into law that makes it difficult for agencies to continue collection of funds through forfeitures.

K.S.A. 79-3425c
Proceeds consist of motor vehicle fuel tax distributed by the state via the City and County Highway Fund. These funds are used for construction, reconstruction, alteration, repair and maintenance of the streets and highways of the city.

K.S.A. 79-3425g
This statute allows for the issuance of Revenue Bonds with repayment made by revenues from this fund.

The City typically uses fund as main source to chip seal streets in the City. The Commission has began a reserve from Street and Alley Fund in General Fund to assist with chip seal project to assist with continued increase in costs. This fund is state funded and cannot be certain how long we will continue to receive these monies. Each year depends upon legislative action for continued funding.

2024 Cost Share Grant project was tracked in this fund. Project included two driving lanes & full intersection repair on Caldwell Ave. Used gas tax money from the State as local share for grant. Cost Share Grant is 80/20 split for construction.

The City Police Department complete vehicle inspections for the State. All monies are deposited in this fund. Since 2018, the City is only required to purchase VIN books from the State of Kansas in lieu of paying the State a portion of each VIN as in previous years. Monies in this fund are retained for training and new equipment for the police department.

This fund is not budgeted, for accounting purposes only. The fund is used to monitor funds from the Efficiency Kansas Project. The State of KS pays the City monies to be used on Efficiency Kansas projects that were approved through an energy audit. This money is paid to vendors once the homeowners project is certified as complete. The property owner then pays the State back through payments on their utility bill and those payments to the State and the City's administration fee are funnelled through this fund.

This fund is comprised of gifts, visitor donations and bequests for the High Plains Museum. Because the monies are gifts, the fund is exempt from budget law. Any monies donated to the Museum are subject to any and all restrictions placed on the gifts. All visitor donations and gifts without restrictions are subject to be spent as approved by the Museum Board. All expenditures are presented to the City Commission. This fund includes funds invested in Ameriprise Funds that board approved in 2022.

GOODLAND CITY COMMISSION
Regular Meeting

August 17, 2026 **5:00 P.M.**

Mayor Jason Showalter called the meeting to order with Vice-Mayor J. J. Howard and Commissioner Brook Redlin responding to roll call. Commissioner Angie Cloyd was reported absent.

Also present were Dustin Bedore – Director of Electric Utilities, Jason Erhart –Chief of Police, Joshua Jordan – IT Director, Kenton Keith – Director of Streets and Facilities, Neal Thornburg – Director of Water and Wastewater, Danny Krayca – Director of Parks, Zach Hildebrand – Code Enforcement/Building Official, Jake Kling – City Attorney, Mary Volk - City Clerk and Kent Brown - City Manager.

Mayor Showalter led Pledge of Allegiance

PUBLIC COMMENT

CONSENT AGENDA

A. **08/03/26 Commission Meeting Minutes**
B. **Appropriation Ordinances: 2026-16, 2026-16A and 2026-P16**
ON A MOTION by Commissioner Redlin to approve Consent Agenda **seconded by** Vice-Mayor Howard. **MOTION carried on a VOTE of 3-0.**

CANDIDATES FOR COMMISSION VACANCY

A. **Applicants to request consideration to fill vacancy on City Commission –** Mayor Showalter opened floor to anyone willing to speak on behalf of becoming a candidate for the vacancy on commission. **1.** Rachelle Standley stated, I am interested in the position for city commission. Some things that are important to me are employee retention, being fiscally responsible, water conservation and building and maintaining relationships with legislatures. We have to continue to let legislatures know we are out here and that what they do matters to us. Mayor Showalter asked, can you provide information on your experience in government and what you can offer? Rachelle stated, I have worked in county and state government in nine different counties in the county appraiser's office. I started at entry level then moved to the appraiser, so I have seen all phases of it. I worked for Kansas Department of Revenue for seven years. I helped about seven counties implement the software used in the appraiser's office. In most of the counties I worked with the register of deeds, treasurer and clerk who wanted the same software. I have been on several boards over the years like economic development, helped with election audits and been on the executive board for our appraiser's association. I do a lot of work with legislators, focusing on those on tax committees because they are the ones I deal with most. I reach out mostly to eastern Kansas legislatures. I was recently contacted by Senator Karen Tyson to be on her brainstorming committee made up mostly of taxpayers, but also a few government officials. I feel it is important to get a voice to support western Kansas. Mayor Showalter asked, what do you like best about Goodland and what can the city improve? Rachelle stated, I have lived in western Kansas most of my life. I like the small-town atmosphere and like how everyone gets involved with things. I like the community get togethers, going to school events and recreation sports for my grandchildren. What the city can improve on? I think for all city, county and state governments there is always a way in your personal and business that you can sharpen your pencil and do what is best for your budget. I look at tax dollars like it is my own money. **2.** Jill Thomas stated, I am here on behalf of Sandra Dumler, who is interested in the position but had a prior commitment she needed to honor so is unable to be here. Sandra provided a letter of interest for me to read the commission. Goodland has been my home since age 1. I am an enrolled agent with more than 38 years of experience in accounting entity, estate planning and business consulting. I opened my own accounting firm in 2003. As business grew, I welcomed a partner in 2019. As a lifelong resident I have always been committed to the strength and growth of our community. I have served on numerous boards and worked closely with youth organizations, believing strongly in the importance of investing in future generations. The role of city commissioner requires dedication, integrity, and a clear understanding of local government. It also requires the ability to listen to the people of Goodland while upholding the guidelines and statutes that govern our city. I believe a commissioner must be willing to learn from the past while keeping a steady focus on the future. Making decisions that preserve, strengthen and benefit our community for years to come. I believe I possess the character, life experience and determination to fulfill this role. I also recognize commissioners will not always agree. Differences in perspective are natural, but respectful listening and collaboration are essential. It is important to me that all commissioners work together for the best solution to represent our community. While consensus may not always be possible, I will always strive for positive, constructive and non-confrontational resolutions. As a municipality, we must acknowledge funds are tight. Strong budgeting practices and transparent communication are vital for Goodland to thrive. A reliable police force and a dedicated municipal workforce are the backbone for our city. I would work hard to support employee retention and encourage open, respectful communication among staff, department heads, city manager and the commission. The people who live in Goodland and call it home in the future deserve leadership they can trust to protect our safety, infrastructure and long-term stability.

Mayor Showalter thanked both individuals for interest and stated, at next meeting commission we will take formal action to appoint an individual to fill vacancy.

ORDINANCES AND RESOLUTIONS

A. **Ordinance 1825: Code Additions for Electric Scooters –** Kent stated, Jason put together ordinance with changes discussed the last two meetings. Are there any questions with the ordinance? **ON A MOTION by** Commissioner Redlin to approve Ordinance 1825: Code Additions for Electric Scooters **seconded by** Vice-Mayor Howard. **MOTION carried on a VOTE of 3-0.**
B. **Resolution 2026-16: Resolution Authorizing Submission of an EDA Public Works and Economic Adjustment Assistance Grant Application –** Kent stated, the city submitted an EDA grant application under the Disaster Supplemental grants for 2025. Sherman County was not included in the list as a disaster area but felt with producers who are part of project it could fit category. However, after first review, it will not fit this category. EDA asked to move application into Public Works and Economic Adjustment Assistance grant application. This category is funded 60% federal funds and 40% local match. Our application passed first review. As part of curing letter, they indicated that the prior resolution on file for grant application does not match the category or requirements for the category that the grant application is being reviewed. EDA has stated the grant application will be considered for approval in the Public Works and Economic Adjustment Assistance category. This is still for electrical project to expand electricity to Industrial Park for the Grain Mill and Bakery and build a sub-station. Estimated cost of project is $6.5M to $6.8M. The city has additional work on our end, but it cannot occur until EDA makes a decision. Mayor Showalter stated, we have discussed this project many times and staff has put in a lot of time. It is a necessary project and we want to decrease the burden on tax payers. **ON A MOTION by** Vice-Mayor Howard to approve Resolution 2026-16: Resolution Authorizing Submission of an EDA Public Works and Economic Adjustment Assistance Grant Application **seconded by** Commissioner Redlin. **MOTION carried on a VOTE of 3-0.**

FORMAL ACTIONS

A. **FTA Drug and Alcohol Policy -** Kent stated, van operations are regulated by the Federal Transit Administration requirements for drug and alcohol. We work with Compliance One to ensure compliance with the program and policies. They updated the policy, customized for Goodland, outlining when we accept negative dilute results and on which type of test, and if a split specimen is requested, who will pay for it. **ON A MOTION by** Mayor Showalter to approve the FTA Drug and Alcohol Policy **seconded by** Commissioner Redlin. **MOTION carried on a VOTE of 3-0.**

DISCUSSION

A. **621 W. 17th St.: Final Steps and Timeline for Completion of Unfit Structure –** Zach stated, this will set final timeline on next process. This will require property owner to clean-up yard and fix windows by October 2nd. Bertha Aguilar, property owner was present and agreed to timeline.

B. **8th Street Project Review –**Andrew Brunner EBH Engineer stated, we will be completing project in phases. We will start with access at K27 to Cattletrail then go over to D’Lao Apartments to Main Street, without touching brick intersection. We will then proceed from Main Street to Caldwell Avenue, again not touching intersection, then Caldwell Avenue to Cherry. In past discussions we discussed reducing everything down to 42’ toe to toe, curb and gutter outside of that. The only places that will not be 42’ will be to widen street to tie into Main Street and match brick or pavement to tie into Caldwell Avenue. On the one block from Caldwell to Cherry Avenue, it does not make sense to come back out. I have been in conversation with city staff for phasing of the project. This project is a mile long and will take seven to nine months to complete. Phase I is access at K27 to Cattletrail and one of the accesses to D’Lao. We scheduled it like this because if we included all of D’Lao, everyone would have to figure out a way to drive two-way traffic through the alley between county shop and behind the houses. Then we will move to phase 2, which will open it up to east side Syracuse. We have same situation with Wheatridge to ensure we do not close both accesses off at same time. Phase 3 will go from Syracuse to Kansas. We want to make sure we always have an access for the ambulance on or off Kansas Avenue. The plan is to split Kansas two-thirds in one phase and one-third in a different phase. For the one-third they can still come north and have people heading south detour one block east and north one block back to 8th Street. When done with phase 3 we will go to phase 4. With the ambulance, we would still have two-way traffic. It just would not be the full intersection at that point. Phase 4 is a longer stretch to Main Street. Phase 5 is Main Street to Caldwell Avenue and final phase being Caldwell to Cherry Avenue. For phase 4 and 5, Main Street and Caldwell Avenue were good stopping points and everyone has access. Mayor Showalter asked, for those who have driveway that exits on 8th Street, during the construction process, how do they access property? Andrew stated, all but a couple properties have alley or side access. We will need to provide access if they do not have it. We are aware there are a couple properties we need to address. Mayor Showalter asked, when is earliest you will communicate with the public that the project is starting? Andrew stated, we have already started for access points. Our plan is bid project in late fall, then be ready to complete phase 1 this winter if possible. On the bigger stretches of the project, contractors cannot cover the concrete on those stretches during winter. Mayor Showalter stated, I am thinking if they have land scaping planned, we want to make sure they are aware of project. Andrew stated, we can put something together to distribute to property owners. On K27 access, KDOT will allow us to widen 10’ on each side similar to 12th Street. I just need to complete an access permit. On the concrete we will start about 10’ in to get a good tie in. Everywhere we tie into a side street we are going back to radius point of street, which is where the curve of the curb stops. Some places will go back a little further so we will be able to taper and have a nice cross section. We are redoing all curb and gutter. We will for sure do first 5’ of everyone's drive, then additional 5' to tie into existing driveway or accesses. We will end up redoing some of parking by GAC and Library to help address some of the drainage as best we can. There is an ADA ramp at Clark Street onto the sidewalk at the park. We are not planning on putting it back because we are not sure what it was for and it does not comply with regulations. With new ADA standards will have to bring curb into park. There are a couple other ADA ramps on 9th Street we have also discussed. Everywhere we put in ADA ramps we are required to put in pavement markings for crossing. For the sidewalk at Caldwell, it will be difficult to fit an ADA ramp on southwest corner with the two inlet pipes and box that brings everything together. There is not enough room and elevation cannot work. If you want an ADA ramp there, the only option is to shift it west, which will push stop sign back additional 20'. Not sure that is something you want to do. If you do not, it would require people to go up and around when crossing 8th Street, instead of having a straight crossing. Kent stated, that is reason we considered the ramp at Clark Street. Mayor Showalter asked, are we required to have one there? Andrew stated, not when one does not currently exist. On Cherry Street we are planning on redoing the hump and flattening out. We are still going to play with center line to get crown to come down where need it. Flow lines on each side match elevation. I am working with Dustin on a photo metric plan for lighting. Are you looking at industrial lighting like on Highway 24 for more decorative lighting, which is more costly? Vice-Mayor Howard stated, I would like to have bid options to look at cost and places we may need to scale back. I would like options with sidewalks also. Andrew asked, do you want sidewalks on both sides of 8th Street? We have it planned that if there is no sidewalk or sidewalk up against the back of the curb, we will put sidewalk back six feet wide. For a stretch to Cherry Street there is no sidewalk and we will put in 6'wide. If the sidewalk currently is off the roadway we are going back with 5'sidewalk. Between Clark and Broadway there is existing stretch of sidewalk that is broken up that we will put back at 5'. Still need to determine if want sidewalks on one or both sides. Based on what you do, Kent brought up that you may want a pedestrian light on the back side of light poles to direct light away from houses. How far west do you want sidewalk to go? There are not a lot of sidewalks on south side of 8th Street. The only place we do not currently show sidewalk is in front of county shop. Mayor Showalter asked, curious what sidewalks will cost. If it is a significant savings, we need to look at that. Andrew stated, we will have to come back with cost for both sides then cost for just one side. Mayor Showalter stated, if have options for sidewalk on one or both sides and need to save money, we need to know difference. Andrew stated, would the commission review information and let me know any concerns or thoughts you have on plans. Neal has water line in front of county shop complete.

C. **2027 Budget: Staff Direction –** Kent stated, the commission previously approved to publish a budget at 55.740 mills. The commission asked for options to reduce the rate to get close to 2026 budget or 54.996 mills. Staff put together three different options. It is important to note that in order to get to published rate of 55.740, staff had to cut budget $198,000. To meet 2026 mill it requires an additional $32,000 in cuts. We had a commissioner present some suggestions for items to cut from budget; however, some items were from utility funds and do not affect the mill rate. Additional items cut from budget with all three options are outlined in packet. Option 1 is a rate of 54.966 mills decreasing Ad Valorem Tax $34,000. Remember final valuation is set later this year. Option 2 is 54.915 mills decreasing $36,225. This one included multiple reserve transfers. As I indicated, there were additional recommendations to reduce reserve transfers for items in utility funds, which can occur, but does not affect property tax. I know Library made a good presentation, but they were asking for a total increase of $27,000 so option one and two reduce Library $4,000 to keep increase closer to $20,000 level. Option 3 is 54.966 mills for $34,000. You can also recommend a combination of the options. I have shown the mill levy formula for residential property and the effect with each option and RNR, based on the appraised value of your property. Keep in mind this is information pertaining only to city portion of taxes compared to the 2026 budget. We have discussed the revenue neutral rate for overall city valuation to express mills and receive same dollar amount. It is based on your property valuation. RNR information is included only for comparison. The same information is provided for commercial property which is more because it is assessed at higher rate than residential property. We need direction from commission to prepare information for hearing and to approve budget on September 8th. Mayor Showalter stated, I appreciate the work of staff to reduce the tax burden. I am more comfortable with option 1 and my next option would be 3. Consensus of commission is in agreement with Mayor Showalter with option 1. Kent stated, remember the published rate is the maximum amount allowed for commission approval, but can approve anything less than published rate. There will be two hearings required with two actions. You need to approve to levy a property tax rate exceeding the RNR, then approve the budget. Mayor Showalter stated, it is hard for some to understand we are still cutting taxes when do not meet RNR.

REPORTS

A. **City Manager - 1.** Manager memo and Police Monthly Activity Report are in the packet. **2**. Kenton stated, the chip seal project will be August 19th and 20th, weather permitting. We sent information to the paper but information was not in paper. It has been advertised on the radio. We will be handing out pamphlet to inform citizens along routes Tuesday and Wednesday. Kenton went over the map of streets scheduled for each day. Chip seal does not require street closure for extended period of time, but fog seal requires drying. It will be completed in September. **3.** Zach stated, property at 806 W. 15th had roof collapse on the garage. Owner is working with Mike Yarger to fix at this time. On West 16th Street there is another garage leaning which will be on agenda next meeting. Property at 1710 Syracuse has a building that was an original house in Goodland and has become a nuisance that will be on agenda next meeting. **4.** Dustin stated, last week we had a couple outages. The first was on Main Street where we had to shut off the entire block to change two transformers out on a three-phase bank. Later that day the fifth street sub-station center phase went out. We had to refuse it on the load side of the transformer. This is also a sub-station that we have had some gaskets replaced on the transformer. Several years ago, we started a reserve to replace the six sub-station transformers around town. This is one of the six. The cost is about \$15,000 to replace three gaskets. The new sub that we bought earlier this year was \$110,000. We have replaced gaskets in two of those sub-stations in last year. They are costly to replace, with labor the majority of the cost. We have six remote subs we are going to change out. As soon as this one is delivered, we will change out the worst DGA oil sampled tested transformer, send that carcass back in to have it rebuilt and keep cycle going. Hopefully the cost for next transformer will be less since we have the carcass. With cooler weather we are hoping outages decrease. We reached 12.6 megawatts last week which is big load. I hope with cooler weather it will decrease. Mayor Showalter asked, how does that compare to some of our higher days in history? Dustin stated, for commercial our numbers are down with some businesses being down but residential use is up. We have fewer numbers but our peak stays steady. People are plugging a lot more stuff in. Mayor Showalter stated, we appreciate your work out in the heat. **5.** We continue addressing items on curing letter with EDA grant. They requested 22 items. One item will require work at a small cost for the National Historic Preservation Act required for all federal funds dispersed in this manner. I reached out and estimate is \$3,000 to \$4,000 additional cost for review. Once award is complete, one item in letter requires an RFQ or RFB process for design and build engineering on project. We have been using KMEA Mid States who has done a number of these jobs across the state but grant will require them to go through the process like all engineers. **6.** SCCD is working with Cameron Cross to inspect big easel. A crane will be required for inspection so it will be on the property. He plans to be here August 31st through September 1st. Cameron is the original artist. He was here in 2012 to repaint easel and is coming back to inspect repairs need to complete next year. He will provide a report and estimate of repairs needed done. **7.** Transmission in van used for transportation services went out again. We are working with Hays for a temporary vehicle to use while our van is being repaired. We are hoping to be operating Wednesday but services will not be provided until get temporary vehicle. **8.** The League was planning to host a Summit Wednesday in Colby, but with attendance it will now be by zoom. After the League conference in October, they will host a summit for western third of the state to find ways to boost numbers from western part of state. **9**. Neal stated, we put a new meter in well 12 and hooked it up to system to read gallons pumped. We noticed gallons fell off pretty quickly. I had Western Sprinkler from Colby look at it and it was pumping itself dry. We slowed it down to almost in half. Then I increased it a little and will try to keep increasing to get as many gallons out of it as I can. Western Sprinkler indicated there have been a number of wells in western Kansas that have done same thing because of water usage. He indicated in fall we should be able to go back to volume we started at. It was caused by us pumping it so hard through the summer. On well 9 we are within 10 million gallons from exceeding well rights. I reduced usage, but continue with minimal use to give Well 11 a break since it is about 30 million gallons from its well rights. As much as well 11 pumps we could get close to over pumping it also. We are watching conditions for all three of these wells. Kent stated, we have rights to pump 700 million gallons for the year. We usually end up around 400 million gallons pumped. We are also limited by rights assigned each well and required to stay within those limits. Our system gets tasked, especially when a well goes down. Neal stated, we start monitoring usage in August to get to end of year. **10.** Next meeting is September 8th due to Labor Day Holiday.

B. **City Commissioners**
   Vice-Mayor Howard – 1. We had a decent turnout for BBQ and concert in the park.
   Commissioner Cloyd - 1. Absent, No Report
   Commissioner Redlin – 1. School is starting up, watch out for children as they go back.
C. **Mayor Showalter – 1.** Thank you to employees helping with the BBQ.

ADJOURNMENT WAS HAD ON A MOTION BY Commissioner Redlin **seconded by** Vice-Mayor Howard. **Motion carried by unanimous VOTE; meeting adjourned at 6:25 p.m. Next meeting is scheduled for September 8, 2026.**

ATTEST: ______________________________
Jason Showalter, Mayor

Statement of Enforcing Officer

To: Governing Body, City of Goodland, Kansas

Re: Statement of Unfit/Unsafe Structure

Date: 09/08/2026

Pictures from inspection at the end of statement.

The following described structure is in a dangerous or unsafe condition/nuisance:

(a) Description of structure**:** **Accessory Structure**

(b) Street Address: **1710 Syracuse Avenue**

(c) Legal Description: **SHARP'S ADDN TO GOODLAND, BLOCK 15, Lot 1 - 4**

(d) Owner(s): **AGUILAR, MANUEL S & ERLINDA V FAMILY TR**

(e) Resident Agent: **Daughter of Manuel & Erlinda & family**

(f) Occupant(s): **Daughter of Manuel & Erlinda & family**

(g) Lien holder(s) of Record: **TBD – upon receipt of title report**

(h) Description of dangerous or unsafe/nuisance conditions. The property is found to be dangerous and unsafe/nuisance because of the following conditions:

General dilapidation or improper maintenance – Accessory structure brings down the value of the neighborhood –-- Danger to property owner and the community – Providing a home for rodents and other nuisance animals – Inoperable vehicles – nuisance yard conditions.

April 13, 2023 – First official notice was issued. A few things were corrected at that time within the 30-day period.

2025 – A letter informing of the demo grant provided by the NCRPC. No response.

2026 – Bringing to the Governing body due to the yard conditions and the building conditions becoming worse and not improving.

Zach Hildebrand
Building Official / Code Enforcement Officer

RESOLUTION NO. 2026-18

A RESOLUTION FIXING A TIME AND PLACE AND PROVIDING FOR NOTICE OF A HEARING BEFORE THE GOVERNING BODY OF THE CITY OF GOODLAND, KANSAS, AT WHICH THE OWNER, HIS OR HER AGENT, LIENHOLDERS OF RECORD, OCCUPANTS AND OTHER PARTIES IN INTEREST OF STRUCTURES LOCATED WITHIN SAID CITY AND DESCRIBED HEREIN MAY APPEAR AND SHOW CAUSE WHY SUCH STRUCTURE SHOULD NOT BE CONDEMNED AND ORDERED REPAIRED OR DEMOLISHED AS AN UNSAFE OR DANGEROUS STRUCTURE.

WHEREAS, the enforcing officer of the City of Goodland, Kansas, did on the 8th day of September, 2026, file with the governing body of said city, a statement in writing that the structure, hereinafter described, is unsafe, dangerous and unfit for human habitation.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF GOODLAND, KANSAS:

That a hearing will be held on the **2nd day of November, 2026**, before the governing body of the city at **5:00 o'clock p.m. MST** at the City Commission Chambers, 204 W 11th, 2nd Floor; Goodland, Kansas, at which the owner, his or her agent, any lien holders of record, any occupant and any other parties in interest, as that term is defined by law, of the structure located at:

SHARP'S ADDN TO GOODLAND, BLOCK 15, Lot 1 - 4.

also known as **1710 Avenue**, may appear and show cause why such structure should not be condemned as an unsafe or dangerous structure and ordered repaired or demolished.

BE IT FURTHER RESOLVED, that the City Clerk shall cause this resolution to be published two consecutive weeks in the official city paper and shall give notice of the aforesaid hearing in the manner provided by law.

Adopted this 8th day of September, 2026.

____
Jason Showalter, Mayor

RESOLUTION NO. 2026-19

A RESOLUTION FIXING A TIME AND PLACE AND PROVIDING FOR NOTICE OF A HEARING BEFORE THE GOVERNING BODY OF THE CITY OF GOODLAND, KANSAS, AT WHICH THE OWNER, HIS OR HER AGENT, LIENHOLDERS OF RECORD, OCCUPANTS AND OTHER PARTIES IN INTEREST OF STRUCTURES LOCATED WITHIN SAID CITY AND DESCRIBED HEREIN MAY APPEAR AND SHOW CAUSE WHY SUCH STRUCTURE SHOULD NOT BE CONDEMNED AND ORDERED REPAIRED OR DEMOLISHED AS AN UNSAFE OR DANGEROUS STRUCTURE.

WHEREAS, the enforcing officer of the City of Goodland, Kansas, did on the 8th day of September, 2026, file with the governing body of said city, a statement in writing that the structure, hereinafter described, is unsafe, dangerous and unfit for human habitation.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF GOODLAND, KANSAS:

That a hearing will be held on the **2nd day of November, 2026**, before the governing body of the city at **5:00 o'clock p.m. MST** at the City Commission Chambers, 204 W 11th, 2nd Floor; Goodland, Kansas, at which the owner, his or her agent, any lien holders of record, any occupant and any other parties in interest, as that term is defined by law, of the structure located at:

SHARP'S ADDN TO GOODLAND , BLOCK 2 , Lot 7

also known as **608 W. 16th Street**, may appear and show cause why such structure should not be condemned as an unsafe or dangerous structure and ordered repaired or demolished.

BE IT FURTHER RESOLVED, that the City Clerk shall cause this resolution to be published two consecutive weeks in the official city paper and shall give notice of the aforesaid hearing in the manner provided by law.

Adopted this 8th day of September, 2026.

CITY COMMISSION COMMUNICATION FORM

FROM: **Jason Erhart, Police Chief,**
Mary Volk, City Clerk
Kent Brown, City Manager

DATE: **September 8, 2026**

ITEM: **Temporary Community Event Permit Application**

NEXT STEP: **Motion to approve**

_____ORDINANCE
__X__MOTION
_____INFORMATION

I. **REQUEST OR ISSUE:**

Stasser Enterprises, LLC (Justin Stasser) is requesting a Temporary Community Event Permit for beer (CMB) only for September 26, 2026. He has completed the application for three sites throughout the festival on Main Street. His application and map are attached in the packet and has been approved by Chief Erhart.

II. **RECOMMENDED ACTION / NEXT STEP:**

Approval of the Temporary Community Event Permit.

III. **FISCAL IMPACTS:**

There are no known fiscal impacts to the City. City Police already are present during the Flatlander Festival in the area described by the permit application.

IV. **BACKGROUND INFORMATION:**

Ordinance 1802 allows for Temporary Community Event Permits for alcohol or CMB's. The city received an application for such permit for Flatlander Festival.

City of Goodland
Temporary Community
Event Permit Application

Applicant Information:

Entity type: Corporation ☐ Individual ☐ Organization ☐ Partnership ☐ Other ☑

Not more than four (4) Temporary Community Event Permits may be issued to any one applicant in a calendar year.

Have you previously applied for a TCEP permit? If yes, how many permits this calendar year have been approved?

Yes ☑ No ☐

Applicant or Organization Name: Traditions

Permit Holder: Justin Stasser
Email: stasserenterprises@gmail.com

Phone Number: 785-821-0334
Address: 947 Centennial Dr Goodland KS 67735

Designated On-Site Supervisor

On-Site Supervisor: Justin Stasser
Phone Number: 785-821-0334

Date of Birth: 05/08/1974
Email: stasserenterprises@gmail.com

Alcoholic Liquor or Cereal Malt Beverage Type to be Dispensed:

Alcoholic Liquor: (Select one of more types) Beer: ☑ Wine: ☐ Spirits: ☐

State issued Temporary Liquor Permit must be received by the City prior to approval of the City Temporary Liquor Permit

Cereal Malt Beverage: (Select one or more types) Beer-CMB: ☑ Flavored-CMB: ☑

Permit Length: (Not to exceed 3 consecutive days) 1 Day permit: ☑ 2 Day permit: ☐ 3 Day permit: ☐

Means or method to be used to dispense or distribute alcohol or CMB:

Onsite sales one at a time.

Detailed Security Plan:

Include any company and/or individual providing professional security services, AND plan to prevent off-premise consumption and off-premise consumption by minors. **Additional pages may be attached.**

Please see attached Plan

City of Goodland
Temporary Community
Event Permit Application

Insurance:
The permit holder shall be required to obtain and maintain, for the duration of the permit, a policy of insurance issued by a company authorized to do business in the State of Kansas. Such policy shall name the City of Goodland, its officers, and agents as additional insureds. It shall provide general liability coverage in an amount not less than $1,000,000 General Aggregate, $500,000 Personal/Adverse Injury, and property damage coverage of no less than $500,000 General Aggregate. Proof of insurance shall be submitted to the City prior to the issuance of the permit. Maintenance of this insurance shall be a continuing condition of the permit.

Agreement:
The above-named applicant or organization does hereby make application for a Temporary Community Event Permit, alcoholic liquor or cereal malt beverage permit to sell alcoholic liquor or cereal malt beverage on the specified date(s) and location(s). In making this application, the above-named applicant agrees that:

1. The applicant has secured a temporary liquor permit issued by the Kansas Division of Alcoholic Beverage Control.
2. This local temporary permit application must be submitted to the Goodland City Clerk at least thirty (30) days prior to the event.
3. The completed local temporary permit application will be presented to the Goodland City Commission. Only the Goodland City Commission can authorize the temporary sale of alcoholic liquor or cereal malt beverage during community events.
4. The applicant will comply with applicable local and state laws relating to the sale, possession, consumption, and use of alcoholic liquor or cereal malt beverage.
5. The applicant will display in plain view the temporary permit at the event with the name of the agent of the organization who is in charge of the event.
6. Serving, mixing, or consumption of alcoholic liquor is not allowed between the hours of 2:00 a.m. and 9:00 a.m., for any period for which a temporary permit has been issued. Alcoholic beverages purchased from the permit holder cannot be removed from the permitted boundaries.
7. No person under 21 years of age shall obtain, use, consume, or be served any alcoholic liquor or cereal malt beverage.
8. Any anticipated need for additional police, fire, or other municipal services must be made with the local application.
9. Alcohol Beverage Control or other law enforcement offices will be allowed immediate entry to the event to inspect the premises for compliance with the permit and state and/or local ordinances.

Date of Application: April 8th 2026

Drivers License Number: K02-16-1509 State: KS

Flatlanders Fall Festival

Main Ave, Goodland, Kansas - Center Ave to Broadway Ave - 8th St to 17th St

Purpose

This packet outlines the security, perimeter control, alcohol service, and attendee identification controls for the Flatlanders Fall Festival beer service area. It incorporates the event map exactly as provided and uses the attached koozie and wristband reference to define the required alcohol handling rules for the event.

Core operating controls

- All persons consuming beer will be carded before receiving a wristband.
- Approved consumers must wear the festival wristband while possessing or consuming beer.
- Beer must remain in the festival koozie at all times while in the designated area.
- Beer will be sold in cans only to maintain safety and reduce spill and breakage risk.
- Perimeter staff in bright orange will monitor the festival boundary and keep beer inside the designated area only.
- Beer may be purchased only at the designated beer gardens located at 9th St, 11th St, and 15th St.

Quick reference

Beer garden sales points: 9th St, 11th St, and 15th St only

Attendee alcohol ID control: Carded + wristband required

Container rule: Beer in koozie at all times

Product type: Can sales only

Perimeter enforcement: Bright orange staff monitor boundaries

Business rule: Beer is not to be taken into business or brought out of any business

Packet contents

- Event scope and security approach
- Alcohol sales and identification controls
- Perimeter enforcement plan
- Beer garden operating rules
- Incident response and rule enforcement
- Appendix A - Map as provided
- Appendix B - Wristband and koozie reference with required wording

1. Event Scope and Security Approach

The operational security objective for Flatlanders Fall Festival is to maintain a clearly controlled beer service area, limit alcohol movement beyond designated boundaries, and provide visible staff oversight throughout the festival corridor.

This packet assumes that the festival footprint follows the attached Main Ave corridor map from 8th St through 17th St, bounded by Center Ave on the west side and Broadway Ave on the east side. Traffic and security sign locations remain as shown on the attached map.

Security priorities

- Prevent underage beer possession and consumption through mandatory carding and wristband issuance.
- Maintain a visible and enforced alcohol perimeter using bright orange staff and fixed sign locations.
- Restrict beer service to three controlled purchase points: 9th St, 11th St, and 15th St.
- Prevent beer movement into businesses and prevent beer from being brought out of businesses.
- Reduce safety risk by limiting beer sales to cans only and requiring the use of the festival koozie.

Operational assumptions

- Festival personnel assigned to alcohol control and perimeter monitoring will wear bright orange for easy identification.
- Beer may be possessed or consumed only by persons who have been carded and issued the approved festival wristband.
- Beer remains inside the designated festival area only; perimeter monitors will redirect or stop violations immediately.
- Businesses located within or adjoining the corridor will be treated as no-transfer zones for festival beer.
- Any intoxicated, disorderly, or noncompliant person may be denied service or removed from the controlled beer area.

Controlled beer purchase points

- Beer gardens will be positioned at 9th St, 11th St, and 15th St.
- These are the only locations where beer may be purchased during the event.
- All beer sales should occur through trained staff following the carding and wristband check process described in this packet.

2. Alcohol Sales, Carding, Wristband, and Koozie Controls

The following alcohol controls shall be enforced throughout the festival:

Required attendee controls

- All people who intend to consume beer will be carded.
- Only persons of legal age who have successfully completed the ID check may receive a festival wristband.
- The festival wristband must be worn while possessing or consuming beer.
- Beer must remain in the festival koozie at all times while in the designated area.
- Beer will only be sold in a can to maintain safety.
- Beer may be purchased only at the beer gardens on 9th St, 11th St, and 15th St.
- Beer is not to be taken into business or brought out of any business.

Enforcement statement for packet and signage

All persons consuming beer will be carded and must wear the festival wristband while having beer. Beer must remain in the festival koozie at all times. Beer will only be sold in cans. Perimeter staff wearing bright orange will monitor the boundary to keep beer in the designated area only. Beer may only be purchased at the beer gardens located at 9th St, 11th St, and 15th St. Beer is not to be taken into business or brought out of any business.

Beer sale process

Step	Required action	Responsible staff
1	Check photo identification before any alcohol sale or wristband issue.	Carding staff
2	Issue the approved festival wristband only after a successful ID check.	Carding staff
3	Confirm the wristband is on the attendee before completing the sale.	Beer garden seller
4	Sell beer in cans only and direct the attendee to keep the can inside the festival koozie.	Beer garden seller
5	Monitor the customer for compliance and stop transfer or perimeter violations immediately.	Perimeter / roaming staff

3. Security Staffing and Perimeter Enforcement

Festival personnel in bright orange should be easy to identify and assigned to fixed or roaming alcohol control posts. The primary enforcement objective is to keep beer inside the designated area and stop movement into businesses or beyond the marked boundary.

Role	Primary post	Core duty	Minimum focus area
Beer garden carding staff	9th, 11th, 15th beer gardens	Check IDs and issue wristbands only to approved attendees.	Age verification
Beer garden sales staff	9th, 11th, 15th beer gardens	Sell canned beer only and confirm wristband before every sale.	Point-of-sale compliance
Perimeter monitor	Boundary lines and sign points	Keep beer inside the designated area and redirect violations.	Boundary enforcement
Roaming supervisor	Entire festival corridor	Support staff, manage refusal issues, and coordinate incident response.	Escalations
Business interface / zone monitor	Business doorways and transfer points	Prevent beer from being taken into business or brought out of any business.	Business thresholds

Perimeter enforcement directions

- Monitor attendee movement at crossings, boundary edges, and business entrances.
- Stop any attempt to carry beer outside the designated area.
- Stop any attempt to take festival beer into a business.
- Stop any attempt to bring beer out of a business into the festival area.
- Escalate refusal, disorderly conduct, or suspected underage activity to the roaming supervisor immediately.

4. Incident Response, Refusal of Service, and Rule Enforcement

The event team should use a consistent response to alcohol violations so staff actions are predictable, documented, and easy to support.

Immediate staff response

- No wristband: stop possession or sale immediately and direct the person to the carding point.
- No koozie: instruct the attendee to place the beer inside the festival koozie immediately.
- Beer leaving boundary: redirect or stop the attendee before they cross the controlled perimeter.
- Beer at business doorway: intercept and remind the attendee that beer is not to be taken into business or brought out of any business.
- Intoxication or disorderly conduct: deny further service and notify the roaming supervisor.

Escalation and documentation

- Document notable incidents involving refusal of service, underage concerns, removal from area, injury, or police / EMS contact.
- Record date, time, location, staff involved, and a short objective summary of what occurred.
- If an attendee refuses to comply with perimeter or alcohol rules, involve the supervisor or law enforcement support as directed by festival leadership.
- Keep the incident log with the event command or security lead at all times during the event.

Recommended opening checklist

Before opening

- Verify perimeter / traffic-security signs are in place according to the map.
- Stock wristbands and koozies at the approved distribution points.
- Confirm canned beer inventory only; no alternative containers for sale.
- Brief staff wearing bright orange on boundary, businesses, and escalation process.

During operation

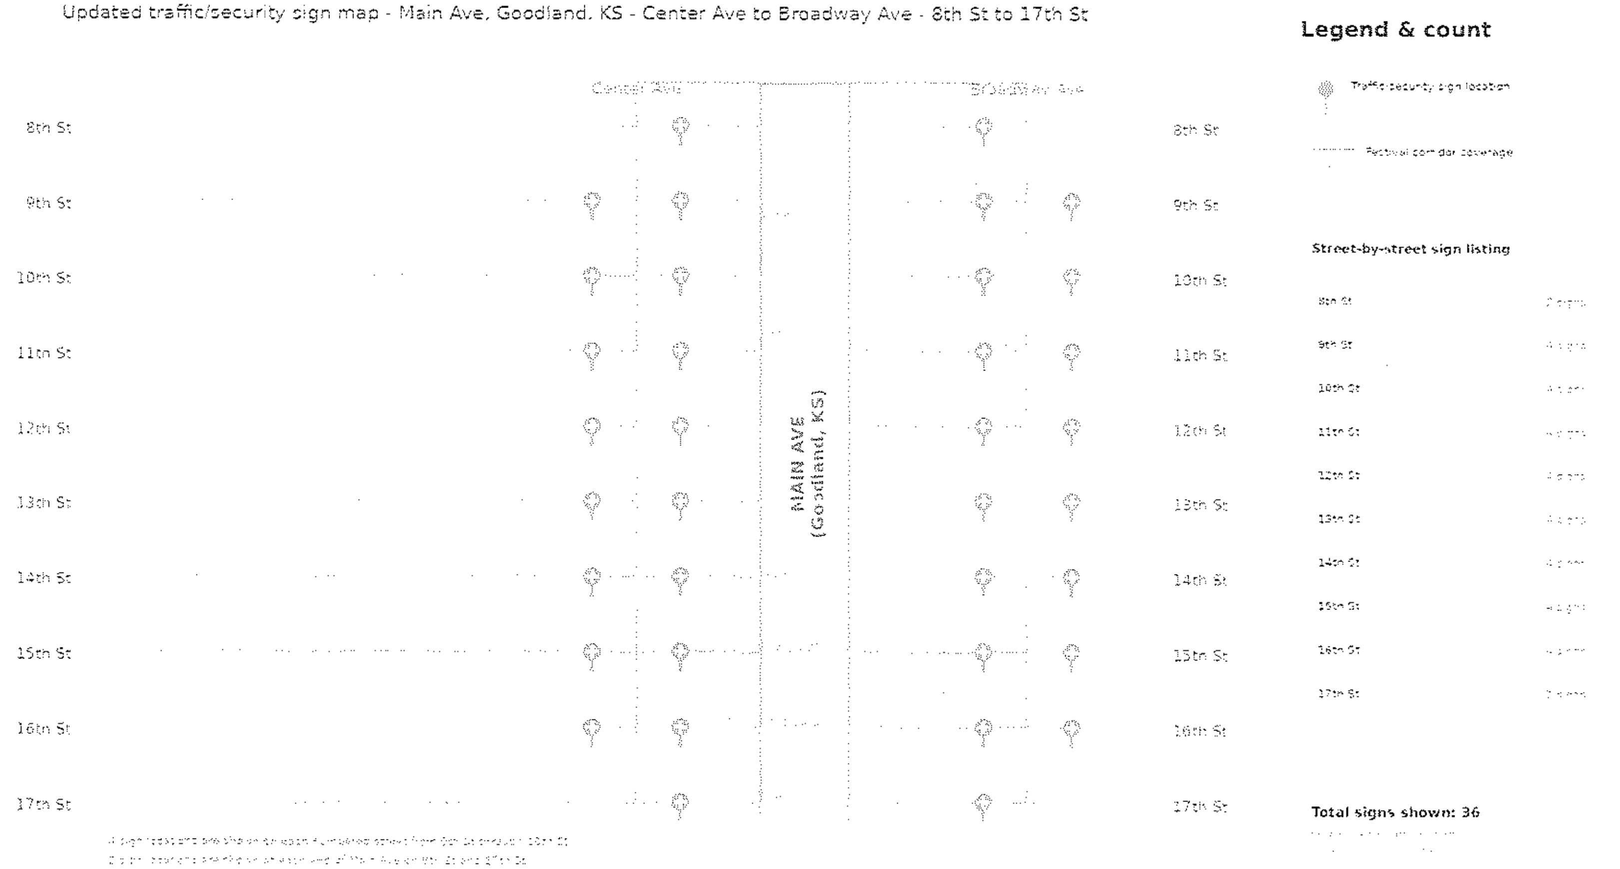
- Monitor the 9th St, 11th St, and 15th St beer gardens continuously.
- Rotate perimeter coverage so crossings and business thresholds remain visible.
- Log incidents and service refusals as they occur.
- Re-brief staff if noncompliance trends appear in one area of the corridor.

Appendix A - Traffic / Security Sign Map (as provided)

The following map is included exactly as provided for event use. Sign counts and placement remain as shown on the attached map.

Flatlanders Fall Festival

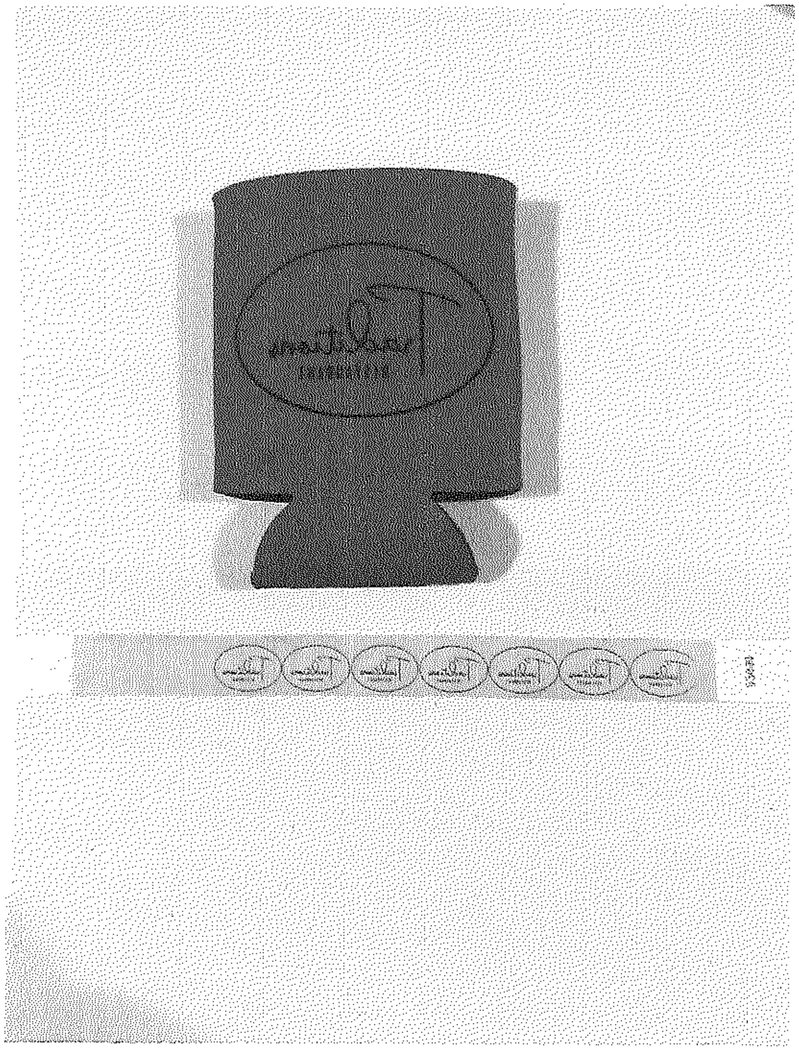
Updated traffic/security sign map - Main Ave, Goodland, KS - Center Ave to Broadway Ave - 8th St to 17th St



Festival corridor map - Main Ave, Goodland, KS - Center Ave to Broadway Ave - 8th St to 17th St

Appendix B - Wristband and Koozie Reference with Required Wording

The reference image below is included to support alcohol identification and handling controls for the event.



Festival wristband and koozie reference image

Required wording for attendee control and staff enforcement

- All people will be carded before they are permitted to consume beer.
- All approved consumers must wear the festival wristband while having beer.
- Beer must remain in the koozie at all times.
- There will be staff members policing the perimeter to help maintain beer in the designated area only.
- Festival personnel assigned to alcohol control will wear bright orange to help identify staff.
- Beer will only be sold in a can to maintain safety.
- Beer gardens will be located at 9th St, 11th St, and 15th St. This is the only place beer can be purchased.
- Beer is not to be taken into business or brought out of any business.

Suggested public-facing rule sign:

Beer Area Rules

1. All persons consuming beer will be carded.
2. Wristband required while possessing or consuming beer.
3. Beer must stay in the festival koozie.
4. Beer sold in cans only.
5. Beer may be purchased only at 9th St, 11th St, and 15th St beer gardens.
6. Beer must remain in the designated area only.
7. Beer is not to be taken into business or brought out of any business.

CITY COMMISSION COMMUNICATION FORM

FROM: Kent Brown – City Manager

DATE: 09/8/2026

ITEM: Airport Fixed Base Operator Contract

NEXT STEP: ____

_____ORDINANCE
__X__MOTION
_____INFORMATION

I. **REQUEST OR ISSUE:** The proposal is for a renewal of the contract with Butterfly Aviation for the Fixed Base Operator position at the Goodland Airport / Renner Field.

II. **RECOMMENDED ACTION / NEXT STEP:** Approve contract.

III. **FISCAL IMPACTS:** This contract increases the rental income percentage allowed and reduces the utility costs for the FBO in exchange for the grounds maintenance of the airfield that is a part of the contract as well as continue to employ at all times a licensed and qualified airframe and power plant mechanic.

IV. **BACKGROUND INFORMATION:** Butterfly Aviation requested additional compensation for the grounds maintenance as stated in Section 9.
OPERATOR shall keep mowed all weeds and grass and other vegetation on all of the AIRPORT areas including, but not limited to, those areas adjacent to the building, structures, runways, taxiway, ramps and aprons, except the lawn area at the front or west side of the administration building, and shall provide the rolling and mowing of all grass runways.

In response, city staff proposed increasing the percentage of rental income listed in Section 1(a) to 100% of the remaining 67% of the hangar space identified as follows:

OPERATOR shall be and is allowed five (5) rental spaces, approximately 33% of the hangar capacity. Operator is not required to pay rent to CITY for use of these five rental spaces. The remaining 67% of the hangar space shall be leased out by OPERATOR with OPERATOR receiving 100% of the proceeds of any rental fees and CITY receiving 0% of said fees. The hangar rent for 2025 was $1,187.50 (50%).

Section 2 remains in the contract which is critical for the Goodland Airport. Butterfly Aviation has fulfilled Section 2 for a number of years and is recognized as a key figure in the operations of Goodland Airport. Section 2 states the following:

OPERATOR further agrees to employ at all times a licensed and qualified airframe and power plant mechanic. Provided, however, that in the event of the vacancy of said mechanic, OPERATOR will not have more than sixty (60) days in which to obtain a qualified replacement for any such mechanic.

City staff also recommended that instead of the power and light bills for the FBO's operations that were paid by the Operator would in the proposed contract be paid by the City. See Section 13 which states the following.

13. All power and light bills occasioned by the use and operation of 602 Renner Field and 400 Airport Rd. N Hangar shall be paid by CITY. The utilities for 2025 were $6,185.26 total for 602 Renner Field. The utilities for 2025 were $664.07 total for 400 Airport Rd. N Hangar.

Scott Collett of Butterfly Aviation has agreed to the proposed contract.

V. <u>LEGAL ISSUES:</u> None.

VI. <u>CONFLICTS OR ENVIRONMENTAL ISSUES:</u> NA

VII. <u>SUMMARY AND ALTERNATIVES:</u>

Commission may take one of the following actions:

1. Approve the proposal as requested.
2. Reject the proposal and move to deny the request.
3. Direct staff to pursue an alternative approach.

THIS AGREEMENT is made and entered into this 8th day of September, 2026, by and between the City of Goodland, a municipal corporation, hereinafter called "CITY" and Butterfly Aviation, Inc., a Kansas corporation, hereinafter called "OPERATOR."

WITNESSETH, that for and in consideration of the payments to be made and the agreements to be performed by OPERATOR, hereinafter stated, CITY does hereby lease and grant to OPERATOR the following space, rights and privileges in, to and in connection with Renner Field-Goodland Municipal Airport, Goodland, Kansas, hereinafter called "AIRPORT" to-wit:

1. The following space, buildings, and are covered by this agreement and are further delineated by the exhibits attached hereto:

   (a) The use and occupancy of the community hangar, delineated as Item D on Exhibit 1. OPERATOR shall be responsible, when requested, to keep the premises outside and inside the hangar neat and clean at all times. Further, OPERATOR shall furnish hangar keepers liability insurance. Such policy shall be in the minimum amount of $1,000,000 and shall remain in force at all times during the times when this agreement is in effect, and shall cover all aircraft stored inside the hangar. The policy shall name CITY as a loss payee. OPERATOR shall pay any and all deductibles arising from claims made against such policy during the term of this agreement. OPERATOR shall be and is allowed five (5) rental spaces, approximately 33% of the hangar capacity. Operator is not required to pay rent to CITY for use of these five rental spaces. The remaining 67% of the hangar space shall be leased out by OPERATOR with OPERATOR receiving 100% of the proceeds of any rental fees and CITY receiving 0% of said fees. The hangar rent for 2025 was $1,187.50 (50%). Any persons, firms or corporations storing aircraft in a community hangar with a value in excess of $1,000,000 shall have the option of furnishing to CITY and OPERATOR a waiver of subrogation (neither the aircraft owner, his insurance carrier, nor lienholder will make claims against CITY or OPERATOR from any losses arising from the storage of the aircraft in excess of $1,000,000) or an insurance policy naming CITY and OPERATOR as named insured for any losses arising to the aircraft owner, his insurance carrier, or lienholder, in the event of a loss to the aircraft in excess of $1,000,000.

   (b) The use and occupancy of a tract of land depicted on Exhibit 1, and referred to as Item G. Said use shall be for underground fuel storage tanks for aircraft fuel. Said tanks and associated pumps are owned by OPERATOR, and shall be maintained by OPERATOR in a safe manner. OPERATOR shall furnish and pay for all electricity necessary to operate the pumps. Any additional pumps, which are installed hereafter either as replacements or new tanks, shall be placed in accordance with guidelines specified by the Environmental Protection Agency and the Federal Aviation Administration.

2. OPERATOR further agrees to employ at all times a licensed and qualified airframe and power plant mechanic. Provided, however, that in the event of the vacancy of said mechanic, OPERATOR will not have more than sixty (60) days in which to obtain a qualified replacement for any such mechanic.

3. CITY reserves the right, at the termination of this agreement, or in the event this agreement is cancelled or terminated for any cause, to purchase any improvements placed or constructed on said AIRPORT by OPERATOR, or any portion or part thereof which is described in this agreement, or the improvements at fair market value at the time of termination, if CITY shall so elect. If CITY shall elect not to purchase such improvements, OPERATOR may, with CITY's consent, assign said improvements to a third party for aviation purposes. If CITY does not purchase said improvements and OPERATOR does not assign said improvements, then OPERATOR may remove such improvements or parts of improvements as CITY may determine, at the sole expense of OPERATOR. Removal shall be within thirty (30) calendar days following the end of this agreement. If such improvements are removed by OPERATOR or his designee, all damage, repairs, or restoration to original condition which becomes necessary to undertake as the result of such removal shall be undertaken to the satisfaction of CITY at the sole expense of OPERATOR.

4. CITY reserves unto itself the exclusive right to grant any and all other airport privileges and use any regularly scheduled flying services including licensed airlines, governmental mail routes, and scheduled passenger services.

5. OPERATOR is granted the non-exclusive right to sell oil and aviation fuel and other aviation supplies and services on said AIRPORT, and the right to maintain and operate a service department for the commercial care of airplanes and aviation related equipment.

6. CITY will select and hire an airport manager on such terms and conditions as CITY shall deem advisable, and shall make general rules and regulations governing the use of said AIRPORT. OPERATOR agrees to cooperate with all such rules and regulations concerning the use and operations of the AIRPORT and aircraft.

7. It is understood that the above rights and privileges and no other rights or privileges are to be granted to OPERATOR, and nothing herein shall be construed to interfere with or prohibit the use of said AIRPORT by aircraft and pilots; however, all such aircraft and pilots must conform to such reasonable and proper rules and regulations as shall be made and promulgated by CITY to insure the impartial operation of said AIRPORT and the rendition of service and conveniences thereon on an equal basis to all users thereof.

8. Upon the breach of any of the provisions of this agreement by OPERATOR, CITY shall give written notice to OPERATOR of such breach and if such breach has not been rectified within thirty (30) calendar days after the delivery of said written notice to

operator, then CITY may at its option terminate the agreement, force compliance or seek judicial enforcement of such contract.

9. In consideration of the rights and privileges herein granted, CITY shall forego its collection of aviation fuel (previously 4 cents per gallon) and shall not charge any fee for each gallon of aviation fuel sold by OPERATOR. OPERATOR specifically agrees to make available to CITY its sales tickets, invoices and pump meters for the substantiation of all such amounts. It is agreed that OPERATOR shall, at its own expense, during the term of this agreement keep the premises and structures neat and clean; provided, however, that this agreement shall not be construed to require OPERATOR to paint or repair any of the structures on said AIRPORT and provided further that the responsibility for snow removal from the hard surface runways, taxiway and ramp areas shall be exclusively that of CITY. Provided, however, OPERATOR shall notify CITY when snow removal is necessary and shall operate in a supervisory capacity in order to facilitate snow removal from those areas hereinafter mentioned. OPERATOR shall keep mowed all weeds and grass and other vegetation on all of the AIRPORT areas including, but not limited to, those areas adjacent to the building, structures, runways, taxiway, ramps and aprons, except the lawn area at the front or west side of the administration building, and shall provide the rolling and mowing of all grass runways.

10. OPERATOR agrees to pay to CITY fifty percent (50%) of all tie down or landing fees established, said fees to be established by mutual agreement of the parties hereto and a record of all charges made thereunder shall be furnished to the office of the City Clerk and City Manager on a monthly basis. Further, should OPERATOR contemplate charges for new services not presently in existence nor provided for herein, OPERATOR agrees to notify CITY before such a charge for service is initiated. CITY and OPERATOR then agree to negotiation in good faith as to whether or not said charges should be made, and if so, the amount of the same and that portion of the charge which shall belong to CITY as further consideration for this agreement. CITY will pay all utilities on this hangar.

11. This agreement shall continue and remain in force and effect for a period of five years until the 1st day of January, 2031, subject to annual review of charges hereunder that shall be negotiated between CITY and OPERATOR in good faith, said negotiations to take place on or before the1st day of each succeeding year during the term of this agreement. The parties hereto understand and agree that if the good faith negotiations do not produce an agreement with regard to review of charges and any changes thereunder, then either party must give the other thirty (30) days of notice of termination of this agreement, or if a longer time is established, CITY shall establish such time at its discretion. Charges as referred to in this paragraph refer to Charges that are part of the agreement. The actual agreement will not be re-negotiated on a year-to-year basis.

12. It is specifically agreed that OPERATOR may not sublease nor sublet all or any part of the premises or buildings covered by this lease, without the prior written consent of CITY, and in the event, OPERATOR should seek to do so, CITY may at its option terminate

this agreement. This does not include lease of hangars made from time to time by OPERATOR.

13. All telephone and heat bills occasioned by the use and operation of said AIRPORT by OPERATOR shall be paid by OPERATOR. All power and light bills occasioned by the use and operation of 602 Renner Field and 400 Airport Rd. N Hangar shall be paid by CITY. The utilities for 2025 were $6,185.26 total for 602 Renner Field. The utilities for 2025 were $664.07 total for 400 Airport Rd. N Hangar.

14. The parties hereto agree that the City Manager or his/her designee has the authority and responsibility to inspect and review the facilities and if any discrepancies are found which might violate the terms of this agreement, then the same shall be brought to the attention of OPERATOR.

15. OPERATOR in the operation and use of the AIRPORT will not discriminate or permit discrimination against any person or group of persons on the grounds of race, creed, religion, sex, color or national origin in any manner prohibited by Part 15 of the Federal Aviation Regulations.

    CITY will include, or require the inclusion of, the foregoing covenant in every agreement or concession pursuant to which any person or persons, other than OPERATOR, operates or has the right to operate any facility on the AIRPORT providing services to the public, and a provision granting CITY the right to take such action as the Federal Government may direct to enforce such covenant.

16. OPERATOR shall furnish good, prompt and efficient service adequate to meet all the demands for service at the AIRPORT; to furnish such service on a fair, equal and nondiscriminatory basis to all users thereof; and to charge fair, reasonable, and nondiscriminatory prices for each unity of sale or service; provided that OPERATOR may make reasonable and nondiscriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

17. It is understood and agreed that nothing herein contained shall be construed to grant or authorize the granting of an exclusive right within the meaning of Section 308 of the Federal Aviation Act of 1958.

18. CITY reserves the right, but shall not be obligated to OPERATOR, to maintain and keep in repair the landing area of the AIRPORT and all publicly owned facilities of the AIRPORT, together with the right to direct and control all activities of OPERATOR in this regard.

19. CITY reserves the right further to develop or improve the landing area on all publicly owned air navigation facilities of the AIPRORT as it sees fit, regardless of the desire or views of OPERATOR and without interference or hindrance from OPERATOR.

20. CITY reserves the right to take any action it considers necessary to protect the aerial approaches of the AIRPORT against obstruction, together with the right to prevent OPERATOR from erecting or permitting to be erected any building or other structure on the AIRPORT which in the opinion of the CITY would limit the usefulness of the AIRPORT or constitute a hazard to aircraft.

21. During time of war or national emergency, CITY shall have the right to enter into an agreement with the United States Government for military or naval use of part or all of the landing area, the publicly owned air navigation facilities and/or other areas or facilities of the AIRPORT. If any such agreement is executed, the provisions of this instrument, insofar as they are inconsistent with the provisions of the agreement with the Government, shall be suspended.

22. This agreement shall be subordinate to the provisions of any existing or future agreement between CITY and the United States relative to the operation, maintenance or development of the AIRPORT.

23. OPERATOR shall not assign this agreement without the prior written permission of CITY. If OPERATOR does assign this agreement without consent, then CITY may, at any time, at its option, terminate this agreement. It is further agreed that OPERATOR is a Kansas corporation, of which the major stockholders and managing officers are Jonathan Collett and Scott Collett. Should Jonathan Collett or Scott Collett cease to serve as CEO and/or President of Butterfly Aviation, Inc., or cease to be controlling stockholder, then and in that event CITY at its option may terminate this agreement.

IN WITNESS WHEREOF, the parties hereto have set their hands the day and year first written above.

CITY COMMISSION COMMUNICATION FORM

FROM: **Jake Kling, City Attorney**
Kent Brown, City Manager

DATE: **09/08/2026**

ITEM: **Amendment to Interlocal Agreement - SCCD**

NEXT STEP:

_____ORDINANCE
_____RESOLUTION
___X_INFORMATION

I. <u>REQUEST OR ISSUE:</u> An amendment to the interlocal agreement that created the Sherman County Community Development organization to clarify the procedures on the submission of an annual audit at the request of either the City or County Commission.

II. <u>RECOMMENDED ACTION / NEXT STEP:</u> Approve the proposed amendment to be submitted to the State of Kansas Attorney General's office. The County Commission has approved the amendment and is awaiting City approval to forward to State.

III. <u>FISCAL IMPACTS:</u> N/A

IV. <u>BACKGROUND INFORMATION:</u> From the August 3, 2026 City Commission minutes:

A. **Interlocal Agreement on SCCD: Modification Proposed by Sherman County –** Kent stated, there was an issue brought up on the inter local agreement regarding the Sherman County Community Development Board. Current agreement states they shall be subject to an annual audit and results of said audit shall be submitted to the respective public agencies participating in the agreement. In order to clarify, County Attorney, Bret Mangan submitted a proposed change to agreement at the Sherman County Commission meeting and Jake asked for change to be presented to the City Commission. The proposed change is "The Sherman County Community Development Board shall be subject to an annual audit, at the request of any member to this Agreement, with the costs of the audit being assessed to the requesting party. When an audit is requested, the results of audit shall be submitted to the respective parties participating in this Agreement. Nothing in this Agreement shall be deemed as requiring an annual audit without a request being made from a participating party." The TGT funds are part of county audit. Funds we provide SCCD are audited but use of the funds by SCCD is not. County Attorney indicated if proposed change is agreeable that he would prepare document required for agreement. Commissioner Redlin stated, I feel it is important the funds given SCCD have some oversight as to where funds are going and needs an audit on annual basis. It is not a private entity donating the funds. Mayor Showalter asked, with the city audit, what would it look like if we request, they include audit of SCCD? I assume it will come at an additional cost that could be significant. Kent stated, it will be an additional cost, probably a few thousand, but unsure what total cost will be. I feel it will be typical of a component audit and less complicated than the city audit. Mayor Showalter stated, I feel it would be a fairly simple audit for funds the city pays SCCD would be used to pay employees and benefits. I do not feel there would be a lot that needs to be audited. Kent stated, the purpose of our audit is to get to unqualified opinion and assure funds were properly used. I do not think it would be complicated to complete; it will just come at a cost. Mayor Showalter asked, what other similar boards do we have that if we request this of SCCD we will have to request an audit for them. Mary stated, only other board like this is GAC, other ones are included in city audit. Kent stated, the money we give GAC is not majority of their budget. Commissioner Cloyd asked, the language in current agreement is an annual audit but the proposed change is a basically an ad hoc audit. Kent stated, I would add, if requested. Mayor Showalter asked, in theory, if we agree with this can we request an audit every year? Kent stated, yes you could make request. Mayor Showalter asked, that would be at our own direction through our own accountant to audit only the money the city provides? Jake stated, realistically I do not feel you can separate the city and county money. It would be an audit of both city and county money. This proposal does not change process, simply clarifies intent. You could also ask for an annual report as to how they spend your money. If you have qualms with report, you can request an audit. Commissioner Cloyd asked, does requesting annual financials need be part of this or can we request it separately? Mayor Showalter stated, that makes the most sense, we should be asking that of everyone that we provide money, even GAC. This is what the county commission is comfortable with? Jake stated, correct. Mayor Showalter stated, if we decide we want an audit, it will be at our expense. Jake stated, yes if the county does not join you in request. It is unfair if one party in not interested in doing an audit to ask them to pay for audit. Commissioner Cloyd stated, I am in line with proposed change. Mayor Showalter stated, I feel comfortable with the recommendation of county commission and we need to ask for annual financials to show how money is spent. I feel with everything that has occurred with citizen complaints this year we find out what the additional cost will be for an audit of SCCD. If for no other reason, but to put to rest the comments, complaints or issues that have been brought to us. Commissioner Redlin stated, I agree but I feel it is important we have an audit every year. Kent stated, staff will come back with estimate of cost associated with an audit for the commission. It may cost more the first year to set up the parameters. Commissioner Cloyd asked, do we need to vote on proposed change? Jake stated, wait until you get formal amendment to approve change. Under commission direction, I will let Bret know commission is in favor to proceed with proposed change.

V. SUMMARY AND ALTERNATIVES:

Commission may take one of the following actions:

1. Approve the proposal as requested.
2. Reject the proposal and move to deny the request.
3. Direct staff to pursue an alternative approach.

INTERLOCAL AGREEMENT AMENDMENT

THIS INTERLOCAL AGREEMENT AMENDMENT, HEREINAFTER REFFERED TO AS "AGREEMENT", EFFECTIVE OCTOBER 1, 2026, BY AND BETWEEN THE CITY OF GOODLAND, KANSAS AND THE BOARD OF COUNTY COMMISSIONERS, SHERMAN COUNTY, KANSAS, HEREINAFTER REFERRRED TO INDIVIDUALLY BY NAME OR COLLECTIVELY AS THE "PUBLIC AGENCIES".

WHEREAS, K.S.A. 12-2904 allows Public Agencies to enter into interlocal agreements to jointly perform certain functions including economic development; and

WHEREAS, all parties are Public Agencies as defined in K.S.A. 12-2903 (2), capable of entering into interlocal agreements; and

WHEREAS, it is the desire and intent of the parties hereto to provide the maximum economic development incentive as provided for in K.S.A. 12-17,119 by acting jointly.

WHEREAS, the Public Agencies entered into an Interlocal Agreement on January 1, 2021 regarding the Sherman County Community Development Board, its funding and responsibilities.

WHEREAS, pursuant to Section 8 of said Agreement, the Public Agencies desire to amend said agreement.

NOW, THEREFORE, IN CONSIDERATION OF THE MUTUAL COVENANTS, PROMISES AND AGREEMENTS CONTAINED HEREIN THE PARTIES AGREE TO AMEND THE INTERLOCAL AGREEMENT ENTERED INTO ON JANUARY 1, 2021 AS FOLLOWS:

Section 1 - Sherman County Community Development Board; Paragraph 7 shall be amended as follows:

"The Sherman County Community Development Board shall be subject to an annual audit, at the request of either Public Agency, with the costs of the audit being assessed to the requesting Public Agency. When an audit is requested, the results of said audit shall be submitted to the Board and the Public Agencies participating in this Agreement. Nothing in this Agreement shall be deemed as requiring an annual audit without a request being made from either Public Agency."

All other paragraphs of Section 1, and all remaining Sections of the Agreement are, in all respects, republished, ratified and reaffirmed, so far as they are not modified by this Amendment.

IN WITNESS WHEREOF, the Public Agencies have caused this Agreement to be duly executed hereto as hereinafter set forth by their respective appropriate representatives.

August

- On August 2, 2026 the officer on duty responded to a report of an individual attempting to open an upstairs window and enter an occupied apartment on 12th Street. Upon the officer's arrival he observed the side door of the building standing open. The officer made contact with a male individual who stated he lives in the building and was doing a routine check. He explained he was walking through the area to make sure everything was alright but denied trying to go through someone's window. A female resident approached the officer stating that the male had been at her window pulling on it and banging on it. After further investigation the male individual was arrested on recommended charges of Criminal Damage to Property and Attempted Criminal Trespass.
- On August 6, 2026 the officer on duty responded to a domestic disturbance involving a brother and sister. Upon the officer's arrival, he made contact with a female individual who identified herself as the reporting party, stating she called law enforcement because her brother was being disrespectful to her but there was no physical fighting that occurred. The female appeared emotional with slurred speech and had a detected of consumed alcohol. The officer made contact with the mother of the 2 individuals who stated that the female individual was intoxicated and had been screaming at the male individual and had video showing physical contact but stated that she doesn't want charges filed. Upon further investigation, the female individual was cited for Simple Battery.
- On August 6, 2026 the officers on duty were dispatched to the same residence prior for the same 2 individuals arguing and fighting again. Upon the officer's arrival, the previous officer on scene established probable cause to charge the female with simple battery against her brother and issued a citation and was instructed to leave the residence for the night to sober up while not having any further contact with her brother. A short time later the mother of the 2, contacted a deputy advising that the female individual was outside yelling and screaming again. The female was placed under arrest and transported to the Sherman County Jail on the recommended charge of Disorderly Conduct.
- On August 7, 2026 the officer on duty was on patrol at the Sherman County Fairgrounds when he was approached by a female individual who stated that her son had gotten into a fight with another male juvenile and her son's shirt was ripped and wanted to press charges against the other male juvenile. Upon further investigation into the situation and watching videos of the altercation, both juvenile males were charged with Disorderly Conduct and transported to the Goodland Police Department to be fingerprinted and released to their parents.
- On August 7, 2026 the officer on duty responded to a possible fight in progress on Commerce Road. Upon the officers arrival, no one was located in the area and no yelling or screaming was heard. A short time later, the officer was approached by a male individual stating that another individual inside had been poking him in the chest but stated there were good now and did not want to press charges. The officer stated that he would speak with the other individuals and tell them to stop. While the officer was still on scene a female exited a residence and stated that a male individual was inside and that nobody was trying to fight, they were just being loud. The officer entered the residence and made contact with a the female resident who stated that she was unaware of any disturbance but observed a male sitting on the couch who was initially hiding in a closet inside the residence. When the officer made contact with the male individual he observed that he exhibited difficulty balancing, slurred speech and detected an odor of alcohol. The officer advised the male individual that the female wanted him to leave the house.

After multiple refusals to leave the officer placed the male individual under arrest and transported him to the Sherman County Jail on recommended charges of Criminal Trespass.

- On August 8, 2026 the officer on patrol witnessed suspicious activity of a white 4 door vehicle. Once the driver of the vehicle saw the patrol unit, it continued to make multiple turns, pull over and shut the vehicle off. This happened multiple times. Once the vehicle was stopped the last time the driver got out and walked around the car, then got back in the driver's seat. A second offer was called to the scene where he made contact with the driver, who was found slouched down in the driver's seat with his eyes closed. The driver was asked to step out of the vehicle and agreed to do the Standardized Field Sobriety Testing (SFST's). Following the completing of the SFST, the driver was placed under arrest on recommended charges of Improper Parking, DUI, Possession of Marijuana, Possession with intent to use drug paraphernalia, Possession and Consumption of Alcohol by Minor, Transporting an Open Container and Interference with Law Enforcement.
- On August 8, 2026 the officer on duty responded to a domestic disturbance on Highway 24. It was reported a female individual put hands on the male individual. Once the officer was on scene, she spoke with the female individual who stated that she did not put her hands on the male individual and that he got close to her face and she open-handedly pushed him back. The female stated that she did not want him in the house while she was there. That he was supposed to come get clothes and leave but kept standing there and talking. Upon further investigation, the female individual was placed under arrest and transported to the Sherman County Jail on recommended charges of Domestic Battery and Disorderly Conduct.
- On August 7, 2026 the officer on duty responded to a residence to conduct a welfare check on a female juvenile about ongoing behaviors. The officer made contact with the juvenile's mother and she provided and account regarding a fire incident where the juvenile was burning puzzle pieces and using the soot to draw on paper and found a lighter in a coat of the juveniles. The mother also stated that the juvenile had destroyed property in her bedroom including breaking dresser drawers and damaging the door. The mother continued with accounts stating that the juvenile had lit packing foam on fire around a window air conditioner and on the same day as the found burned puzzle pieces, the mother indicated there was significantly more fire damage than the puzzle pieces, the foam insulation and floor had burned ends from the fire as well. Upon further investigation and DCF, the juvenile was transported to a juvenile detention center on recommended charges of Aggravated Arson and Criminal Damage to Property.
- On August 16, 2026 the officer on patrol responded to a domestic violence call on 11th Street. Upon arrival, the officer observed a male and female individuals outside of the residence. The officer made contact with the male individual who stated there had been a long argument involving the female and her children regarding the upcoming school year. The officer asked the male if he had hit the female and he stated that he had used the back of his hand and hit her on the left side of the face under her eye. The officer placed the male individual under arrest and transported him to the Sherman County Jail on recommended charges of Domestic Battery.
- On August 21, 2026 the officer on duty was dispatched to a report of kids throwing eggs outside of a vehicle. An off-duty deputy was a victim of the eggs being thrown. Once the officers were able to make contact with the vehicle's driver, there were 3 other juvenile males in the vehicle as well. During the traffic stop, 2 cartons of eggs were located and 10 eggs were missing from one carton. There was also a bowl that had cookie dough residue in it as well. On August 22,

2026 the officer received information that a female college students' vehicle had been hit by an egg and cookie dough at the volleyball court. All four male juveniles were charged with Unlawful to cast object and driving outside restrictions on farm permit and no seatbelts.

- On August 23, 2026 the officer on duty responded to a call regarding a protection order violation. Once on scene, the officer spoke with a female individual she stated that she has a protection order against a male individual from the state o Michigan and explained that approximately two months prior the male individual had beaten her severely and busted her eardrum. A no contact order was issued and also a protection order. The female stated that despite these orders the male individual continued to stalk and contact her repeatedly and that she reported these violations to the authorities in Michigan they only issued court dates rather than taking immediate action to protect her. The female individual continued stating that a month prior to this incident, the male threatened the female's family and because she didn't want to bring trouble to them, she left Michigan with the male individual out of fear and arrived in Goodland 2 weeks prior. Upon further investigation and the females accounts, the male individual was placed under arrest and transported to the Sherman County Jail on recommended charges of Violation of a Protection Order, Stalking, Assault, Interference with LEO and Disorderly Conduct.
- On August 24, 2026 the officer on duty responded to a domestic disturbance call. Upon the officer's arrival he made contact with a male and female individuals outside of the residence. The male stated that he had been on the hone with his mother when the argument began. He explained that he had told his girlfriend he was seeing another female which upset her. The male individual denied any physical contact occurring between the 2 individuals and when asked about his broken phone he stated it was damaged in snow while he was in Wichita. Upon the officer speaking to the female individual, she stated that the incident was a miscommunication and a misunderstanding. She explained that she had just learned of the male's relationship with another person the day before and stated she is a loud person in general. The female admitted to throwing a pair of pants and the male during the argument and also admitted she grabbed his phone and threw it on the floor. Upon further investigation, the officer determined probable cause existed to arrest the female individual on recommended charges of Domestic Battery and Disorderly Conduct.

Chiefs Corner:

1. We participated with the Sheriffs Office with their game they run at the fair.
2. We did have a fight in the pits during the demo derby, one person was charged with several things. Otherwise fair was smooth with no other issues to report.
3. Chief participated delivering in meals on wheels.
4. Patrol made rounds for the college pool party, no issues reported.
5. Helped with the concert in the park.
6. Met with social worker Laci at the hospital for a patient that requested to meet with Law Enforcement.
7. Spoke with several people in regards to the new ORD about E-Scooters and E-Bikes. A majority of people are happy with this, only a few are making a very big deal about it.
8. Participated with the Main Street Crawl (Helped feed students).
